Physical Therapist Centralized Application Service

2009-10 PTCAS Applicant Data Report

The 2009-10 PTCAS Applicant Data Report reflects the 9,297 applicants with mailed application status who applied via the Physical Therapist Centralized Application Service during the 2009-10 (second) admissions cycle. Mailed applicants submitted a total of 40,566 applications to the 107 PT education programs participating in PTCAS. The 2009-10 PTCAS admissions cycle opened on July 15, 2009 and closed on June 1, 2010.

Participating programs submitted admission decisions to PTCAS from March through September 2010. PTCAS categorized applicants with the following admission decision statuses as “accepted” for the purposes of this report: offer made, offer accepted, withdrew after offer accepted, declined offer, and deferred.

PTCAS Trends
The number of mailed PTCAS applicants increased 52 percent and the number of applications increased 67 percent as compared to the 2008-09 (first) cycle. Applicants applied to an average of 4.4 programs in PTCAS during the second cycle versus 4.0 programs in the first cycle. Thirty-five (35) new programs joined PTCAS in 2009-10. Each new program in PTCAS generated an average of 91 new applicants and 465 new applications with mailed status.

The original 72 programs that participated in PTCAS during the first two cycles experienced a 19 percent average increase in applications during the 2009-10 (second) cycle over an 80 percent average increase during the 2008-09 (first) cycle.

Program Specific Reports for 2009-10
Programs that participated in PTCAS during the second cycle may access program-specific and aggregate versions of these 2009-10 Year End reports in EXCEL format by logging on the 2009-10 PTCAS Admissions Portal at https://portal.ptcas.org/admissions10/index.cgi until June 2011.

Please submit any questions about the PTCAS Applicant Data Report to APTA:

Programs Participating in PTCAS: 2009-10 Admissions Cycle

The 2009-10 PTCAS Applicant Data Report reflects data for the 107 programs that participated in PTCAS during the second admissions cycle. The 21 additional programs that joined PTCAS for the 2010-11 (third) admissions cycle are not listed below or included in this report. For a current list of participating programs, visit the PTCAS Web site at http://www.ptcas.org/Directory.html.

Offers and Applications

Of the 9,297 individual applicants who applied via PTCAS with mailed application status, 4,805 (52 percent) received one or more offers of acceptance from a participating program and 4,492 (48 percent) received no offers. PTCAS applicants may have also applied to and been accepted by non-PTCAS programs. The acceptance data below only reflects offers made by programs in PTCAS. The PTCAS application fee was $120 to apply to one program and $35 for each additional program. PTCAS fee waivers were available to financially disadvantaged applicants. See figures 19-21.

Age and Gender

PTCAS age data is based on the optional “date of birth” field in the PTCAS application, as entered by applicants. PTCAS cannot verify or edit the date of birth field on behalf of applicants; therefore, some age data may be inaccurate. The mean age of all PTCAS applicants in the 2008-09 and 2009-10 cycles was 24.1 years.

Figure 1: Percent of ACCEPTED PTCAS Applicants by Age and Gender

* The percents in the graph above were calculated based on the total number of accepted applicants in the 2009-10 pool (n=4,805 accepted PTCAS applicants). Applicants who declined to report a date of birth on the PTCAS application are reported in the graph as “Unknown”. Applicants who declined to report a gender are not represented in this graph (see table 3). The graph only reflects acceptances made by PTCAS programs.

Figure 2: Percent of PTCAS Applicants by Gender and Acceptance Status

* The percents in the graph above were calculated based on the total number of applicants in each pool (n=9,297 for all PTCAS applicants; n=4,805 for accepted PTCAS applicants). Applicants who declined to report gender on the PTCAS application are reported in the graph as “Gender Unknown”. The graph only reflects acceptances made by PTCAS programs.
Trends: Gender

The percent of male applicants who applied to programs in PTCAS increased by 1.4 percent in the 2009-10 admissions cycle and the percent of male applicants accepted increased by 1.0 percent. Gender is an optional field on the PTCAS application. Less than one percent (0.01%) of PTCAS applicants opted not to respond to this item in the 2008-09 and 2009-10 admission cycles. Applicants who declined to state a gender on the PTCAS application are not reflected in the trend graphs below.

Figure 3: PTCAS Applicants by Gender (2008-09 and 2009-10)

Figure 4: ACCEPTED PTCAS Applicants by Gender (2008-09 and 2009-10)

* The graph only reflects acceptances made by PTCAS programs.
Race/Ethnicity

During the 2008-09 (first) admissions cycle, applicants could select only one race or ethnicity option on the PTCAS application. Applicants in the 2009-10 (second) cycle could select one or more race categories, and the “Hispanic or Latino” category was moved to a separate field. Programs in PTCAS could view all of the race and ethnicity designations for each application received. For the purpose of this report only, applicants with multiple race and ethnicity designations are categorized as “2+ Race/Ethnicity Designations”. Review table 6 to view data regarding the actual number of race and ethnicity designations submitted by applicants.

In tables 4-5 and figures 5-7 the number of “Hispanic/Latino” applicants appears low because “Hispanic/Latino” applicants who also designated a separate race code were categorized in the report as “Two+ Race/Ethnicity Designations”. Table 6 indicates that a total of 499 individual applicants designated “Hispanic/Latino” on the 2009-10 PTCAS application and 217 “Hispanic/Latino” applicants were accepted by one or more programs in PTCAS.

The race and ethnicity fields were modified in the current 2010-11 (third) PTCAS cycle to comply with the reporting requirements of the U.S. Department of Education. PTCAS reports regarding race and ethnicity data will be modified in 2011 to reflect these changes.

There are currently eight PT education programs located in a Historically Black College or University (HBCU). One HBCU participated in PTCAS during the 2008-09 cycle, two additional HBCUs joined in the 2009-10 cycle, and a fourth HBCU joined PTCAS for the 2010-11 (third) cycle. The report does not reflect minority applicants who applied to and were accepted by programs outside of PTCAS.

* Review table 6 for all race/ethnicity designations submitted.

Figure 5: PTCAS Applicants by Race/Ethnicity and Acceptance Status

* Percents in graph above were calculated based on the total number of applicants in each pool (n=9,297 for PTCAS applicants; n=4,805 for accepted PTCAS applicants). Review table 6 for all race/ethnicity designations submitted.
Figure 6: Percent of Male PTCAS Applicants by Race/Ethnicity and Acceptance Status*

Figure 7: Percent of Female PTCAS Applicants by Race/Ethnicity and Acceptance Status*

* Percents in graphs above were calculated based on the total number of applicants in each pool (n=9,297 for PTCAS applicants; n=4,805 for accepted PTCAS applicants).

In the graphs above, the number of “Hispanic/Latino” applicants appears low because “Hispanic/Latino” applicants who also designated a separate race code were categorized in the graphs as “2+ Races/Ethnicities”. Review table 6 for all race/ethnicity designations submitted.
Table 6: PTCAS Applicants by All Race and Ethnicity Designations

PTCAS applicants in the 2009-10 admissions cycle were able to select one or more race and ethnicity categories. Categories in the table below are not mutually exclusive. Therefore, the “Race/Ethnicity Total” in the table below exceeds the total number of PTCAS applicants.

Figure 8: Total Number of Race/Ethnicity Designations for PTCAS Applicants
**Trends: Race/Ethnicity**

During the 2008-09 (first) admissions cycle, applicants could select only one race or ethnicity category on the PTCAS application. Applicants in the 2009-10 (second) cycle could select one or more race categories, and the “Hispanic or Latino” category was in a separate field. Programs in PTCAS could view all race and ethnicity designations for each application received. For the trend data below, applicants with multiple race and ethnicity designations are categorized as “Two+ Races/Ethnicities”. Review Table 6 for data regarding the actual number of race and ethnicity designations submitted by applicants.

In figure 9 below, the number of “Hispanic/Latino” applicants appears to have declined in the 2009-10 cycle because “Hispanic/Latino” applicants who also designated a separate race code were categorized in the report as “Two+ Races/Ethnicities”. Based on table 6 in this report, there were 499 PTCAS applicants who designated “Hispanic/Latino” in the 2009-10 (second) cycle, as compared to 281 applicants in the 2008-09 (first) cycle. There were 217 “Hispanic/Latino” applicants accepted by one or more PTCAS programs in the 2009-10 (second) cycle versus 115 “Hispanic/Latino” applicants accepted in the 2008-09 (first) cycle.

The “Asian” and “Hawaiian/Pacific Islander” race and ethnicity categories in the 2009-10 application were combined into one category in the graph below so that the data could be compared to the single “Asian/Pacific Islander” category in the 2008-09 (first) PTCAS application.

**Figure 9: PTCAS Applicants by Race / Ethnicity (2008-09 and 2009-10)**

*Percents in graph above were calculated based on the total number of PTCAS applicants in the pool (n=6,112 PTCAS applicants in the 2008-09 cycle; n=9,297 PTCAS applicants in 2009-10 cycle).*
Citizenship

The percent of PTCAS applicants by citizenship status did not change significantly from the previous (2008-09) cycle. The majority of PTCAS applicants were U.S. citizens (96.3 percent in 2008-09 and 96.4 percent in 2009-10). The number of U.S. permanent residents who applied via PTCAS in 2009-10 increased slightly from 1.8 percent to 2.0 percent, and the number of foreign citizens decreased from 1.6 percent to 1.3 percent.

Figure 12: Map of PTCAS Applicants by Permanent State of Residency

* Blue pushpins represent programs participating in PTCAS during the 2009-10 (second) admissions cycle.

** Maps of PTCAS applicant volume by zip code are available to PT education programs upon request. Contact APTA to request a map by zip code volume and indicate region or state(s) of interest.
Grade Point Averages (GPAs)

PTCAS calculates a standardized GPA to help participating programs evaluate applicants using uniform and consistent criteria, regardless of different institutional transcript policies. The PTCAS GPAs are automatically generated by the system and are likely to be different from those calculated by the colleges and universities attended due to the PTCAS grade standardization process. PTCAS includes ALL initial AND repeated coursework in its GPA calculations; therefore, the average GPAs may be lower than the average GPAs calculated by a local PT education program. PTCAS reports standardized GPAs are calculated using a semester-based 4.0 scale. Review the PTCAS program manual to view the complete set of GPA calculation rules.

</table>

*Some applicants in PTCAS designated multiple majors or minors. The table above represents all majors designated by applicants. MAJOR categories are not mutually exclusive. If an applicant enters the same MAJOR for multiple colleges and/or degrees, the MAJOR will be counted as many times as it is listed.*
Figure 17: Most Identified Majors of ACCEPTED PTCAS Applicants

*Some applicants in PTCAS designated multiple majors or minors. Figure above includes information based on all majors designated. MAJOR categories are not mutually exclusive. If an applicant enters the same MAJOR for multiple colleges and/or degrees, the MAJOR will be counted as many times as it is listed.*
Primary Institution

Applicants are instructed to identify one primary undergraduate institution. The primary institution is the college or university where the applicant will earn or has earned the first bachelor’s degree. If no degree is planned, the applicants are instructed to select the institution where they completed the majority of undergraduate courses.

Electronic Letters of Reference (eLORs)

Evaluators submitted 2,988 paper references and 29,792 electronic letters of reference (eLORs) to PTCAS during the 2009-10 admissions cycle. Of these, 2,262 paper references and 27,117 eLORs were associated with mailed PTCAS applicants. All values in this report are based on the 27,117 eLORs submitted. The tables do not reflect evaluator responses on paper references.

* PTCAS Rating Grid Scale: (5) Excellent, (4) Good, (3) Average, (2) Below Average, (1) Poor
PTCAS Fee Waivers

PTCAS offers fee waivers to financially disadvantaged applicants. The APTA fee waiver fund of $50,000 supported up to 416 applicants applying to one PTCAS institution. PTCAS received a total of 265 fee waiver requests and granted a total of 188 waivers in the 2009-10 (second) cycle, as compared to 173 fee waiver requests received and 138 fee waivers granted in the 2008-09 (first) cycle. Applicants who were granted a fee waiver applied to an average of 3.99 programs via PTCAS.

PTCAS grants application fee waivers to financially disadvantaged applicants on a first-come, first-serve basis. Fee waiver decisions are based on the applicant’s income, or parent’s income if claimed as a dependent, as reported on the most recent tax return. PTCAS grants fee waivers to those applicants with earnings that are at or below the U.S. Department of Health and Human Services poverty guidelines. Applicants with approved waivers may apply to a maximum of one (1) PTCAS program for free. Applicants who received a PTCAS fee waiver and chose to apply to more than one PTCAS program were responsible for an incremental fee of $35 for each additional designation. A fee waiver was denied or voided if the applicant did not follow the fee waiver instructions, exceeded the income threshold, or did not submit the PTCAS application within 45-days after the fee waiver was approved.

Figure 19: Fee Waiver Requests and Actions
PTCAS applicants in the 2009-10 admissions cycle were able to select one or more race and ethnicity categories. Categories in the graph above are not mutually exclusive. Therefore, the “Race/Ethnicity Total” in the graph above exceeds the total number of PTCAS applicants who requested fee waivers.

Figure 21: Percent of PTCAS Applicants by Gender versus Fee Waiver Requests
