**Academic Senate**—The Academic Senate of the California State University consists of fifty-one faculty members elected by their colleagues at the twenty-two individual universities comprising the California State University system. The Senate, founded in 1963, recommends academic policies to the Board of Trustees and the chancellor.

**Academic Year** — An annual period beginning with the fall term and ending with the spring term. Summer Quarters and Sessions are not included in the Academic Year.

**Admission Basis** — A coding methodology that identifies how a student was first admitted to a CSU campus. The admission basis for undergraduates will be the original basis for admission in a regular session and will not change as long as the student is an undergraduate at that campus. When a student becomes a CSU postbaccalaureate or graduate student, the admission basis is changed.

**Admissions/Admits:**
*Regular* — A category used for first-time freshmen and undergraduate transfers who are eligible under regular admissions rules.
*Exceptional* — Campuses are allowed to admit students who are not otherwise eligible provided that the number of special admits does not exceed 8 percent of all undergraduates who enrolled during the previous year. This category could refer to students with special talents such as athletic or musical abilities. Disadvantaged students also qualify as special admits.
*Other* — A category of students not regularly eligible under current CSU admissions requirements. Examples include adult students and full-time permanent or probationary employees; students admitted in pilot programs; eligible veterans; and students determined to be eligible on the basis of the high school proficiency examination.

**Annual FTE** — A measurement of full-time equivalent students, which is equal to 30 semester units or 45 quarter units. Annual FTE for the college year provides the base for the total support budget and is equal to the academic year plus the annual FTE for the summer quarter for campuses on year-round operations.

**Applications:**
*Accommodated* — An applicant that is accepted for admission evaluation.

The number of unduplicated applications is derived by counting multiple applications from individuals to CSU campuses within a given term only once.

**Auxiliary Organizations** — Separate legal entities authorized in the Education Code to provide essential services to students and employees. They operate in association with the campuses and are permitted to perform functions that contribute to the educational mission of the campus. Examples are associated student organizations, special education projects, student union operations and commercial operations, which include bookstores and food services.

The governor appoints a faculty trustee from nominees proposed by the Statewide Academic Senate. The alumni trustee is appointed by the CSU Alumni Council. The two student trustees are appointed by the governor from nominees proposed by the California State Student Association. These student trustees serve staggered two-year terms. One student trustee has full voting powers; the second, nonvoting student trustee succeeds to the voting position upon the expiration of the term of the first.
