Actions taken pursuant to this Executive Order are subject to the following requirements:

1. The President shall determine those courses for which a new or revised fee is essential to assure academic quality and fiscal stability.

2. The campus shall detail the costs to be supported by the fee (including faculty salaries, faculty and staff travel, support services, materials, etc.) and specify the estimated course enrollment. A record of these details shall be maintained by the campus Office of Continuing Education.
3. The President shall determine the amount of new or revised fees on the basis of estimated course costs and anticipated enrollments.

4. These actions shall be performed prior to the time the course and fee are either announced, or implemented.

5. Each course fee change shall be recorded on the prescribed form (Attachment A) and maintained on file by the President. At the time each course fee change is approved, information copies of the prescribed form shall be submitted to the State University Dean, Continuing Education, and the Vice Chancellor for Business Affairs for purposes of post audit review and for reporting to the Board of Trustees.

6. The President may authorize a fee higher than the upper limits specified above only if the portion of the fee exceeding the upper limit is fully budgeted to support student accommodation services costs (meals, refreshments, lodging, student travel, etc.) Such a larger fee is authorized by the Executive Order and should be reported on the prescribed form (Attachment A) to the State University Dean, Continuing Education, and the Vice Chancellor for Business Affairs.

7. Requests for Summer Session course fees that are beyond the scope of this delegation shall be submitted to the State University Dean, Continuing Education on the attached form (Attachment B). The completed form is to be submitted at least ten working days prior to first collection of fees. No such fee may be announced, or implemented prior to receipt of written authorization from the Chancellor.

8. If the President chooses to accept the delegation contained in this Executive Order and subsequent Executive Orders superseding it, he should sign the Acceptance of Authorization Form (Attachment C) and return it to the State University Dean, Continuing Education. This acceptance will remain in effect until it is cancelled. The Chancellor will sign the form and a copy bearing both signatures will be returned to the President. Presidents choosing not to accept the delegation should indicate this fact by memorandum to the State University Dean, Continuing Education.
