INTRODUCTION AND PREPARING TO APPLY
INTRODUCTION AND PREPARING TO APPLY

What is Cal State Apply?

Cal State Apply is the Centralized Application System for all 23 campuses in the California State University (CSU) system. You only need to submit ONE Cal State Apply application even if you are applying to multiple CSU campuses (Note: each campus you apply to has a $70 fee).

When to fill out the application

Use this chart and the information below to help guide you on application deadlines:

<table>
<thead>
<tr>
<th>Term</th>
<th>Application Opens</th>
<th>Application Priority Deadline</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall 2022</td>
<td>October 1, 2021</td>
<td>November 30, 2021</td>
</tr>
<tr>
<td>Spring 2023</td>
<td>August 1, 2022</td>
<td>August 31, 2022</td>
</tr>
</tbody>
</table>

- **Be sure to apply for the correct term.** Do not apply before the “application opens” date listed in the chart above. A submitted application is only considered for the term which you applied.
- **Deadlines vary from campus to campus,** and not all campuses accept applications each term, nor for every program. For details, contact the campus admission office.
- **There may be supplemental materials and/requirements you are asked to provide.** Check the campus website(s) for more details, and be sure to check your email regularly.
How to apply

Start by visiting calstate.edu/apply. Then, click the term you are applying for in the drop-down menu.

While some parts of the application may not be covered in this guide, you can find detailed help text within the Cal State Apply application and the Applicant Help Center.

FIRST STEPS IN YOUR APPLICATION
FIRST STEPS IN YOUR APPLICATION

Setting up your Cal State Apply account

Once you’ve selected the appropriate term and hit “apply” from the Cal State Apply website, you will be taken to the application portal for that term.

First, you will create an account, which will include creating a username and password. Be sure to write these down for future reference.

Completing your Extended Profile

After creating an account you will complete the questions on the Extended Profile. Be sure to answer questions on the Extended Profile correctly. The answers you provide on the Extended Profile determine what question blocks (tiles) appear for the remainder of the application and what programs (majors) are available for you to choose. Come back to your questions on the Extended Profile any time if you need to make corrections by clicking your name on the top right-hand corner.

Degree Goal

All graduate applicants should select Second Bachelor’s Degree and Beyond for “what degree you are applying to?”

Then, select one or more of the following describes your degree goal(s). Select all you may be interested in as you will not be able to change these responses later.

Common mistake to avoid: Not checking the email address you provided. Official communication is sent via email regarding your application, admissions requirements, etc. Be sure you enter the email address you check regularly.
FIRST STEPS IN YOUR APPLICATION

Returning Students
A returning student is someone who previously attended a CSU campus, left, and are now applying to return to the same CSU campus they had previously attended. Select Yes if it applies to you. Then you will be prompted to select the campus and enter your Campus ID. If you are not a returning student, select No and proceed.

US Military Status
If you have never served in the United States Military, select “No. I have not served in the US military.” Otherwise, select the appropriate response from the drop-down menu.

International Applicant
If you have or will require an F1 Visa (student) or J1 Visa (exchange) to study at the CSU, select Yes. If not, select No. Applicants who answer No will be prompted to select the state of their permanent home.

Common mistake to avoid:
Checking yes classifies you as an international applicant. U.S. citizens, legal residents, and other visa holders should select No.
FIRST STEPS IN YOUR APPLICATION

Selecting the program(s) you will apply to

After you complete your Extended Profile, you will be taken to the Add Program page where you can select the specific program(s) you will apply to.

Finding a program

You can begin by typing in a campus name or a program (major) in the search box. You can also use the filters to narrow down your search quickly.

Selecting a program

Once you have found a program you wish to apply to, click the plus (“+”) sign to the far left of the program name. This will add it to your application.

You can apply to as many campuses as you wish, each with a $70 application fee, but note you can only apply to one program per campus. Once you are done making your selection(s), click Continue.

Reviewing your program selection(s)

Before moving on, review your program selections. This page shows you all programs you are applying to, the status of the application, and total fees due at submission. You will review this information again later on the Submit Application tab to ensure you are ready to submit.

Common mistake to avoid:
Applying to the wrong campus. Check the entire name of the campus and program carefully.
FIRST STEPS IN YOUR APPLICATION

Overview: the four parts (quadrants) of your application

The remainder of the application is under the My Application tab and includes four parts (quadrants). Each quadrant has a status that shows where you are with completing the quadrant. You must complete all sections in the first three (3) quadrants to submit your application; the fourth quadrant depends on the program(s) you are applying to.*

*Don’t skip the Program Materials section. Even if it appears complete, be sure to click and read the Program Materials quadrant as there is usually important information about the program(s) you are applying to in this section.
COLLEGES ATTENDED
COLLEGES ATTENDED

What to report in Colleges Attended

Complete this section carefully and do not click Save until you have reviewed the information you entered. You cannot edit previously entered colleges and universities once you’ve saved.

In this section you will add all colleges/universities attended.

- For each college/university entered include any degrees awarded or will be awarded.
- Report each college only once, regardless of the number of degrees earned or gaps in dates of attendance.
- Include international post-secondary colleges* and U.S. colleges you attended regardless of accreditation status.

For college credit outside the United States/Canada

For a college/institution outside the United States/Canada, you will be given the option to upload an unofficial copy of your transcript. This is not required but will help speed the processing of your application.

Add a College of University

Follow these steps for each college/university you’ve attended or are currently attending.

**STEP ONE** – Select Add a College or University

**STEP TWO** – Type in the name of the college/university

Begin typing the full institution name. The system will display results that match the information. Select the correct matching institution. Additional matches may be further down the list. Scroll down using your mouse or the down arrow to see potential matches.
COLLEGES ATTENDED

Can’t find your college/university?
The lookup table includes all domestic and international institutions with a College Board CEEB code. If you are unable to find your institution, verify the name is entered without abbreviations and matches the official name on your transcript. If the institution is still not found, select “Can’t find your school” and complete the additional information requested.

Degree information
Identify whether or not you completed (Degree Awarded) or will complete (Degree In Progress) an associate degree or other degree(s) prior to transfer. If yes, you will be asked to provide details on the type of degree, date earned/will earn, your major, minor, and whether you had a double major.
GPA ENTRIES

Adding your GPAs for colleges attended

For each institution you reported in the Colleges Attended section, you will find them listed in GPA Entries. To add a GPA, simply click the “Add GPA” button under the corresponding institution.

Then, enter School Level (Undergraduate, Graduate or Other), how many units/credits are included in that GPA, and what the GPA is that you earned. Quality Points will calculate automatically based on the information you entered. It should match or closely match the Quality Points listed on your transcript. Be sure to SAVE.

GPA Conversion

If your transcript doesn’t report your GPA in numeric grade values, use the charts on this [GPA Entries page of the Applicant Help Center](#) to convert your GPA.

If your transcript reports your credits in quarter or unit hours, use the [GPA Calculator worksheet](#) to quickly create a new GPA calculation.

Entering standardized test credit

If you have test scores or a planned test to report, please enter them here. See campus and program admissions pages for details on which tests are required.

To start, click “I Have Reviewed This Information,” which will take you to a page for adding test scores.

No tests to report? If you have not taken any standardized tests and do not have any planned, click:

[I Am Not Adding Any Standardized Tests](#)

To add a test score or planned test, simply click Add a Test Score under the related test name, and enter your score or the date you plan to take the test.
PROGRAM MATERIALS
Program Materials

For each program you are applying to, you will see one blue tile. So, if you are applying to two programs, you will see two tiles.

Click into each tile to find information for the specific program and if applicable, questions or documents for you to complete.

Once you have selected the tile, you will see information about that program on the Home tab. **Some programs have included additional required and/or optional questions or documents as well.** In the example, the applicant is asked some additional questions to apply, which can be found by clicking the Questions tab.

Note that you cannot submit your application if you do not complete all required information in Program Materials, similar to the other quadrants.
SUBMITTING YOUR APPLICATION
Submitting your application

Once submitted, your application cannot be changed with minor exceptions (see FAQ at the end of this guide for details). Incomplete or inaccurate information may affect admission eligibility.

You are ready to submit when the four quadrants show complete (green) and when the status on the program (in the Submit Application tab) has also turned green.

If you are applying to more than one program, you can either click Submit All or click Submit under each program that you wish to apply to. You can submit to programs at different times if you wish, as long as it is prior to the application deadline.

Review the Summary Page carefully before submitting

Note any warning symbols and red text that may require you to update or fix something in your application before submitting.

Review your programs. You can remove a program by clicking the red X. This is the last chance to review, so please do it carefully. There are no refunds issued if you make a mistake.

When ready, click continue and note the Fee Total. Here, enter payment details including credit card and confirm your billing address. Select Continue to proceed with payment processing.
