CSU The California State University

These are unprecedented times for us all. As you continue to dedicate yourself to your families, your friends, and your colleagues, we want you to know that we are here to help take care of you.

In order to proactively protect you from any potential exposure to COVID-19 (coronavirus), it has been determined that meetings with your Fidelity Investments Retirement Planner will be conducted over the phone for the foreseeable future.

Confidential consultations are a complimentary service provided to you as an employee of CSU and your Fidelity Retirement Planner continues to be available over the phone and is here to help during these times of volatility.

[Schedule your appointment](#) with your Fidelity Retirement Planner to discuss your current concerns and how that plays in to your retirement goals.

Remember, we're here to help through coronavirus (COVID-19), market volatility, and new legislation. Bookmark the [Resource Center](#) for up-to-date information, webcasts, and other help.
