Section IV: Authorization to Grant Exceptions

Exceptions to the foregoing requirements may be authorized under the following circumstances:

- A. For students who are enrolled in California State University degree major programs and who transferred from a California community college, the chancellor may authorize exceptions to the requirements specified herein if:
 1. The California State University baccalaureate degree major programs are mandated by law to articulate with California Community College associate degree programs; and
 2. The bachelor's degree programs are limited by law to 120 total semester units (180 quarter units); and
 3. The campus opts not to mandate that the requirements herein be completed in satisfaction of CSU General Education Breadth upper-division requirements ("double counted"); and
 4. The campus opts not to mandate that the requirements herein be completed in lieu of requirements in the degree major or double count in satisfaction of requirements in the degree major; and
 5. The campus opts not to mandate that the requirements herein be completed in lieu of local, campus-specific graduation requirements or double count in satisfaction of local, campus-specific graduation requirements; and
 6. There are no available elective units in the degree program
