CSU Investment Advisory Committee ("IAC")

Members of the public may view the meeting in person.

- All public comment will take place on Tuesday, August 9th at the start of the Investment Advisory Committee's open sessions (scheduled to begin at approximately 11:00 a.m.).

- Written comments may be e-mailed in advance of the meeting by 12:00 p.m. on Monday, August 8th to IAC@calstate.edu. To the extent possible all written comments will be distributed to members of the committee, prior to the beginning of the IAC meeting.

- Members of the public who wish to offer public comment during the meeting may do so in person by providing written request in advance, by 12:00 p.m. on Monday, August 8th to IAC@calstate.edu. The request should also identify the agenda item the speaker wishes to address. Efforts will be made to accommodate each individual who has requested to speak.

Public comments must relate to an item on the committee's agenda. The meeting agenda can be found at https://www.calstate.edu/csu-system/board-of-trustees/PastNotices (See 10 Day Meeting Notice – Investment Advisory Committee – August 9, 2022).

Members of the public may also address the full IAC on any non-agendized topic that is related to CSU Investments. The purpose of public comments is to provide information to the IAC, and not to evoke an exchange with IAC members. Questions that IAC members may have resulting from public comments will be referred to appropriate staff for response.

In fairness to all speakers who wish to speak, and to allow the IAC to hear from as many speakers as possible, while at the same time conducting the public business of their meetings within the time available, public comment will be limited to no more than 2 minutes per speaker, or less depending on the total number of speakers requesting comment per meeting. Ceding, pooling, or yielding remaining time to other speakers is not permitted. Speakers are requested to make the best use of the public comment opportunity and to follow the rules established.

Requests for reasonable modification or accommodation from individuals with disabilities, consistent with the American with Disabilities Act, shall be made as follows:
