The purpose of the open forums is to gather feedback from stakeholders and interested parties as the trustees search for the university's next chancellor. This information will help guide the recruitment activities over the next several months. The open forums will also be livestreamed on the Chancellor's recruitment website. The website provides information about the search, including information to submit feedback regarding the next chancellor directly to the committees.

The open forums will also be livestreamed on the CSU livestream webpage at:
https://www.calstate.edu/Pages/livestream.aspx
