Re: APC’s Sunshine Proposals

Dear Mr. Jelincic:

In this letter you will find APC’s “sunshine proposals” as required by HEERA. Please understand these proposals were derived from those issues our bargaining unit members identified as important.

As you review this letter it is important to know the general descriptions provided are an overview of the Union’s position on each enumerated article. This list does not demonstrate any proposal’s priority or a definitive list of Articles APC may open during bargaining. Instead, these concepts should be viewed as a means of framing a process in which the Parties work collaboratively to improve the working conditions of all of APC’s bargaining unit employees.

APC hereby proposes modifications to the current collective bargaining agreement in the following areas:

- Article 2, Definitions
  - Define Lead Worker.

- Article 13, Appointment
  - Ensure the use of the appropriate classification standards.
  - Provide for greater permanent employment opportunities.
  - Include appropriate employee representation on hiring committees.
  - Allow for qualified employees to be interviewed for open positions.
  - Grant hiring preference to current employees.
- Affirm the right of employees to transfer accrued vacation when moving between campuses.
- Provide a meaningful mechanism to address classification issues.

> Article 14, Probation and Permanency

- Affirm the President’s right to reduce employee probationary periods.

> Article 16, Professional Development

- Provide clarity for courses for which release time is available.
- Seek equity for employees pursuing doctoral degrees.
- Provide for additional educational opportunities.

> Article 17, Assignment/Reassignment

- Provide a minimum notice requirement for reassignments.
- Strengthen the Union’s jurisdictional boundaries.
- Clarify when and where employees can be reassigned.

> Article 18, Evaluation

- Clarify the information to be used during the evaluation process.

> Article 20 Leaves of Absence with Pay

- Enhance the definition of those considered immediate family for the administration bereavement leave.
- Increase the number of day available for parental leave.
- Address reproductive loss leave.

> Article 23, Salary

- Provide for General Salary Increases in each year of the contract.
- Ensure pay equity for periods when salaries were stagnant.
- Provide for a Service Salary Step Increases for eligible bargaining unit employees.
- Provide salary increases for "Lead" workers.
- Update the duration of the various bonus programs.
- Continue the transfer of Merit Bonus monies into the Budget Shortfall Mitigation Bonus (BSM).
- Clarify the eligibility date for the Budget Shortfall Mitigation Bonus (BSM).
Provide a meaningful mechanism to address In-Range Progression (IRP) issues and ensure a minimum percentage increase for those receiving an IRP.

- Article 26, Vacation
  - Increase vacation accrual rates.
  - Clarify the vacation approval process.

- Article 28, Hours of Work
  - Clarify working hours while travelling on University business.

- Article 32, Work Environment
  - Require a timely response to employees who raise workplace health and safety issues.
  - Ensure parking rate increases are implemented in a fair and consistent manner.

- Article 34, Duration
  - This proposal is designed to complement the Union’s salary proposal.

In furtherance of reaching an agreement the Union reserves the right to add or remove proposals as necessary to the Parties reach an amicable resolution to the bargaining process.

According to the MOU that the parties agreed to in negotiating our successor collective bargaining agreement (CBA), CSU was to commence a classification and compensation study for the bargaining unit within ninety days of ratification of the CBA, which was fully ratified by the parties effective November 9, 2021. As of current, Local 39 has not received any information or updates regarding these studies. To allow Local 39 to be better prepared for negotiations, can you please provide me with the status of the CSU initiated classification and compensation studies at your earliest opportunity?

Please contact me with proposed meeting dates/times at your earliest opportunity. I’d appreciate receiving an update to the above-mentioned studies prior to commencing negotiations.
