## Rider A - Agreement General Provisions, Service Provider

1. Service Provider Relationship. The Service Provider, in the performance of this Agreement, is an independent contractor and is not an employee, agent, or officer of the Trustees.
2. Payments. Payments under this Agreement shall be made in arrears of work increment completed to the satisfaction of the Trustees and upon submission of an invoice in CSU invoice format. If not otherwise specified payments for services rendered will be processed monthly upon presentation of invoice.
3. Services. Trustees may issue a written order with respect to the services to be performed under this Agreement at any time before the completion of the services. Trustees shall pay Service Provider an amount for such services as provided in this Agreement, or if not so provided, Trustees shall pay Service Provider a reasonable amount, which shall be agreed upon by the parties.
4. Service Provider shall not utilize any information, not a matter of public record, which is received by reason of this Agreement, for pecuniary gain not contemplated by the terms of this Agreement, regardless of whether Service Provider is or is not under contract at the time such gain is realized (Education Code Section 89006).
5. Ownership. The report, survey, or other product developed by Service Provider pursuant to this Agreement is the property of Trustees and shall not be disseminated to others by Service Provider unless authorized by Trustees.
6. Termination for Convenience. Trustees may terminate this Agreement upon a three (3) business-day advance written notice to Service Provider. In the event of such termination, the Service Provider shall be paid only for the work satisfactorily completed.
7. Termination for Cause. Trustees may terminate this Agreement for cause should Service Provider fail to perform as herein provided. In the event of such termination, Trustees shall be relieved of the obligation to make any payment to the Service Provider and Trustees may proceed by other means with the work in any manner the Trustees deem proper.
8. Indemnification.  
The Indemnification subsection below, next to the checked box, applies to this agreement, while the subsection next to the unchecked box does not apply to this agreement.
  - a.  Provisions of item 8a shall apply if the agreement is with a Service Provider that does **not** qualify under the provisions of California Civil Code section 2782.8. The Service Provider agrees to hold harmless, defend, and indemnify the State of California, the Trustees of the California State University, the University, and the officers, employees representatives, and agents of each of them from any and all claims, damages, losses, causes of action and demands, and all costs and expenses incurred in connection therewith, including, but not limited to, attorneys' fees and costs resulting from or in any manner arising out of or in connection with any negligent act or omission or willful misconduct on the part of the Service Provider, its officers, agents, and employees, in the performance of this Agreement. This provision shall survive the expiration or termination of this Agreement.
  - b.  Provisions of item 8b shall apply if the agreement is with a Service Provider that does qualify under the provisions of California Civil Code section 2782.8 and the scope of work is for design professional services. The Service Provider agrees to hold harmless, defend, and indemnify the State of California, the Trustees of the California State University, the University, and the officers, employees

representatives, and agents of each of them from any and all claims, damages, losses, causes of action and demands, and all costs and expenses incurred in connection therewith, including, but not limited to, attorneys' fees and costs to the extent arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct on the part of the Service Provider, its officers, agents, and employees, in the performance of this Agreement. In no event shall the cost to defend charged to the Service Provider exceed the Service Provider's proportionate percentage of fault. However, notwithstanding the previous sentence, in the event one or more defendants is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, the Service Provider shall meet and confer with other parties regarding unpaid defense costs. Service Provider's liability is not limited to recoverable insurance. This provision shall survive the expiration or termination of this Agreement.

The provisions of section 8b pertaining to the duty and cost to defend shall not apply to either of the following:

- 1) Any contract for design professional services per the provisions of California Civil Code section 2782.8, or amendment thereto, where a project-specific general liability policy insures all project participants for general liability exposures on a primary basis and also covers all design professionals for their legal liability arising out of their professional services on a primary basis.
- 2) A design professional per the provisions of California Civil Code Section 2782.8, that provides design professional service and is party to a written design-build joint venture agreement and not the primary holder of the Trustees and Design-Builder contract.

9. Insurance Provisions. The Service Provider shall not commence work until the Trustees have received evidence of the insurance required in this section and approved it.

a. Service Provider shall obtain the following policies and coverage. The insurance furnished by the Service Provider under this section shall provide coverage in amounts not less than the following, unless a different amount is stated in Exhibit A, Scope of Work Description:

The Service Provider shall obtain and maintain professional liability insurance on a claims-made basis for no less than \$1,000,000 each claim and

\$2,000,000 annual aggregate, and certification of coverage shall be submitted to the Trustees upon signing of this Agreement. If the total contract amount exceeds \$1,000,000 the Service Provider shall renew and keep such insurance in effect for at least ten (10) years after the recordation of the notice of completion.

For any of the insurance described in the paragraphs above, the amount of limits can be satisfied by a combination of primary and excess or umbrella insurance.

Such services and/or work aspects include, but are not limited to, the Service Provider or its sub-consultant's provision of geotechnical studies, potholing involving digging, site surveying and/or construction Inspector of Record services as defined by the DIR.
  20. Agreement Changes. Alteration or variation of the terms of this Agreement shall not be valid unless made in writing and signed and dated by the parties. Oral representations, understandings, or writings not expressly incorporated in the Agreement are void. Unless identified within Exhibit A, Scope of Work, under a separate sub-heading entitled 'Modifications to Agreement', it is the intent of the Trustees to use the standard published form of this Agreement and Rider A without modification. The Agreement and Rider A shall not be modified without review and concurrence by CSU Office of General Counsel.
  21. Offshoring of CSU Contract Work. Service Provider warrants it certified under penalty of perjury in its bid for this Agreement that the Agreement, and any subcontract performed under the Agreement, will be performed solely with workers within the United States; and if this Agreement, and any subcontract performed under this Agreement, will not be performed solely with workers within the United States, Service Provider described in its bid any parts of the work to be performed by workers outside of the United States. Further, Service Provider warrants no work will be performed under the Agreement with workers outside the United States, except as described in Service Provider's bid. If Service Provider or its sub-supplier performs the Agreement with workers outside the United States during the life of the Agreement, and Service Provider did not describe such work in its bid, Service Provider acknowledges and agrees that:

- a. CSU may terminate the Agreement without further obligation for noncompliance, and
  - b. Service Provider will forfeit to CSU the amount CSU paid for the percentage of work that was performed with workers outside the United States and not described in Service Provider's bid.

## **Exhibit ‘A’- Scope of Work Point Energy Innovations, Inc.**

1. Capability of Staff:

Mechanical and Electrical Systems Peer Reviews (MSR-ESR) under this agreement may be performed by internal staff but shall be coordinated and reviewed by the respective appointed Mechanical Review Board member prior to issuance of any review or correspondence.

2. Authorization of Work:

- A. Only the trustees’ representatives may authorize work under this Agreement. Work shall typically be coordinated through an individual campus staff project manager or Capital Planning, Design and Construction (CPDC) at the CSU Office of the Chancellor.
- B. MSR and ESR fees are pre-established, based on construction costs of the project being reviewed. If a review is terminated due to cancellation of the project during design, payment will be made for work completed.
- C. Trustees do not guarantee a minimum assignment of work to the Service Provider under this Agreement. Work assignments will be made at the discretion of the campus.
- D. The Service Provider shall seek to avoid conflicts of interest and the appearance of conflicts of interest by not accepting assignments where there is current contractual relationship between the Service Provider and the engineering firm whose work is being reviewed.
- E. Work assignments under this Agreement will be authorized by a Service Order and Authorization to Proceed (Exhibit B).
- F. Service Orders and Authorizations to Proceed may be issued under this Agreement during the Agreement term. Work authorized within the term of this Agreement may be conducted and completed after the expiration of the contract term of this Agreement unless the Agreement is terminated prior to the expiration of its term in writing by the trustees.
- G. The term of the “Service Order and Authorization to Proceed” shall begin on the date indicated on the Authorization and conclude with the completion of the project or its termination.

3. Mechanical Systems Review (MSR):

The MSR is a required review for CSU major capital projects. The ESR review is recommended, but optional and elective by the campus.

- A. For each project submitted and accepted for review, the Service Provider shall perform a Mechanical and/or Electrical Systems Review (MSR-ESR) of the building(s) or project.
- B. The primary purpose of the mechanical and electrical systems peer review is to offer a knowledgeable professional ‘second opinion’ and strategic insights on the functionality and efficacy of the project’s mechanical systems. Although code compliance comments may be presented as a part of this review, the review is not intended as a substitute for an independent code compliance check that the campus will typically be conducting separately to this work. While the peer review process supports the project’s design development, the project architect/engineer of record retains full responsibility for the design documents including their completeness and function.
- C. The Service Provider may suggest potential design options, analysis perspectives, and relay CSU Systemwide experience in materials performance considerations that the design team can build upon in the development of the project.
- D. The Service Provider may provide recommendations of possible methods for the resolution of technical issues encountered in the design and construction (the responsibility for implementing these suggestions rests completely with the Architect/Engineer of record).
- E. The Service Provider shall provide MSR-ESR during each design phase (Schematic, Preliminary, and Construction Documents). Develop review comments addressing the specific project. Categorize each comment into one of three tiers:
  - (1) Required: Must be resolved as part of the back-check process for project to move into next phase.
  - (2) Recommended: Review response must provide a defensible explanation including break-even point if cost is the primary determinant for a recommended comment not being incorporated.

- (3) Advisory: General recommendation that needs to be acknowledged by campus but is elective to be incorporated.
  
- F. If response resolution for Required or Recommended level comments cannot be reached at the campus level (differing professional opinions are perfectly reasonable), bring such issues to the attention of CPDC. CPDC will seek to achieve a broader secondary MRB Board consensus as needed and then CPDC will issue a timely resolution determination on the respective issue(s).
- G. Provide recommended corrections in the form of design review comments in Word (readable) format.
- H. For each review send copies to the campus project manager, design team, and to CPDC.
- I. During the construction phase of a project, the Service Provider shall be available as a part of this work as a resource to the trustees for review and assessment of technical issues that may be encountered.
- 4. MSR-ESR of Major Capital Design-Bid-Build and Construction Manager at Risk Projects:
  - A. During the Schematic Design Phase, the Service Provider shall:
    - (1) Participate in at least one meeting with campus personnel and the project architect/engineer of record at the campus. Become familiar with project scope, project goals, physical constraints, established budget, and campus design guidelines. Identify critical systems and equipment requiring seismic certification and bracing, examine the available information on the condition of the campus infrastructure and site utilities and point for interconnection, condition and capacity of building(s) systems, review the engineering concepts employed to achieve energy efficiency criteria, and discuss basis of design concepts and potential alternatives with the project team. When providing an ESR, become familiar with project scope, project goals, physical constraints and established budget, campus design guidelines, identify critical systems and equipment requiring seismic certification and bracing, review the available information on the condition of the campus electrical power and IT infrastructure and interconnection requirements, building(s) electrical and IT systems, discuss capacity constraints, review the engineering concepts employed to achieve energy efficiency criteria, lighting and energy controls, emergency power and life safety, and discuss basis of design concepts and potential alternatives with the project team.
    - (2) Approximately 75% through Schematic Design phase, in anticipation of a CPDC project review, provide a letter to the campus stating the MSR-ESR reviewer concurs (or not) with the proposed design approach of the mechanical systems.
    - (3) Continuing with peer review and involvement through the completion of the Schematic Design Phase.
      - (a) Review submittal documents including the plans and outline specifications, basis of design report, schematic level construction cost estimate and life cycle cost analysis of various systems analyzed and the proposed system and identify if submittal is materially complete; and
      - (b) Develop review comments taking into account the building, building site, and local environmental conditions; and
      - (c) Focus on confirming fundamental design assumptions and validating concepts, systems, and integration. The review at this phase is the most 'strategic' and the most critical.
  - B. During the Preliminary Design Phase:
    - (1) Review project plans, outline specifications, construction cost estimate, and the basis of design report.
    - (2) Focus on confirming concepts, systems, and assumptions. The review at this phase shall seek to confirm that the implementation of the 'approved' schematic documents is being appropriately developed and resolved. Assess if the project is 'on target' to provide a well-functioning, energy efficient facility within the established budget.
  - C. During the Construction Document Phase:
    - (1) Review updates to the basis of design report, project specifications and construction cost estimate to confirm that the design is consistent with the design approved from the Preliminary Design phase.

- (2) Review the State of California Title 24 Energy Efficiency performance model to confirm the inputs match the Construction Documents. Confirm that project specifications include requirements of the State of California Title 24 Energy Efficiency Standards Acceptance Certificates.
- (3) Review the ninety-five percent (95%) plans including mechanical, plumbing, controls (including sequence of operations), and building automation system. The ESR shall review the electrical plans including normal power, emergency power, lighting and lighting controls, plug load controls, IT service, metering and electrical systems sequence of operations, and building automation system interface.
- (4) Confirm that the construction documents submitted for review include complete equipment schedules, energy compliance forms, floor plans, flow diagrams, sections and details. The ESR shall confirm that the construction documents submitted includes complete power system studies including short circuit, coordination and arc flash hazard, completed load schedules; energy compliance forms, power and lighting plans, single line diagrams, sections and details. The Service Provider shall inform the campus project manager if the submittal is materially incomplete.
- (5) Provide copies of Construction Document reviews to the campus-assigned plan check review firm separately providing review work on the project. This will be reciprocal to the Service Provider as well so that initial plan checks and MSR-ESR comments are shared and considered in the development in each respective review. It is not necessary to incorporate these plan check comments or to delay the MSR-ESR peer review pending the plan check back-check resolution. It is necessary to secure the plan check initial review and consider it prior to the Construction Document phase MSR-ESR review report issuance. Coordinate with the campus for plan review firm contact information.

5. MSR-ESR of Design-Build Projects:

MSR-ESR of Design-Build Projects shall generally follow the procedures for Design-Bid-Build projects set forth above, but shall modify the review emphasis to reflect differences in delivery methods (i.e., limited review of costs in later phases, and more focus on confirming that quality/functionality is not being diminished from that agreed to at the end of Schematic Design phase).

6. Back-Check Review:

- A. Provide back-check review(s) of resubmitted plans during the course of the project. This back-check shall include an assessment of whether comments made in the prior reviews have been addressed and identify any prior comments that have not been satisfactorily addressed and their impact on the project if constructed as presented.
- B. Issue copies of back-check comments to campus, design team and CPDC.
- C. At the completion of the design review provide a letter to the campus with an electronic copy to the CPDC that MSR/ESR comments have been resolved to the satisfaction of the reviewing board member.

7. Project Deliverables and Distribution:

- A. MSR/ESR peer review reports at Schematic, Preliminary and Construction Document phases.
- B. Issue copies to campus, project design team, and CPDC for each review and back-check.
- C. Issue a copy of the Construction Document peer review and back checks to the campus assigned plan check review firm separately providing services on this project.
- D. Distribute copies of reports and back-checks via email.
- E. Marked up plan sets are not required or desired.
- F. Issue hard copy letters of concurrence to the campus at the completion of each review.
- G. Provide copies of reports and letters to CPDC via email.
- H. Provide a copy of the final letter of concurrence to the plan check review firm via email.

8. Coordination with Mechanical Review Board:

MSR-ESR Reviewer shall periodically report to the Mechanical Review Board (MRB) on review issues and concerns that may have CSU Systemwide implications and advise on how the MSR and ESR review process can be improved and/or streamlined in the future.

9. Extra Services:

- A. Extra Services Authorization shall be at the discretion of the trustees and shall not include work that is incidental to an MSR-ESR. Extra Services are not anticipated to be needed in the typical course of providing these reviews. The following would be examples of potential Extra Service work:
    - (1) Pre-design project studies.
    - (2) Extended participation in campus design development beyond peer review, such as additional attendance at project design meetings or project site visits beyond the initial campus kick-off participation that is a part of the base MSR-ESR scope.
    - (3) Substantial stop/restart or re-characterization of original peer review scope.
  - B. Extra Services require pre-authorization in writing by the project manager.
10. Reimbursable Expenses:
- A. The fee for a Service Provider’s MSR-ESR is inclusive of expenses incidental to this work. Reimbursable expenses are not anticipated in the typical course of providing a MSR-ESR.
  - B. The following are not reimbursable expenses:
    - (1) Travel expenses incurred for one (1) trip to the campus during the schematic phase is a part of this scope.
    - (2) Shipping charges, phone calls, faxes, consumables, etc. occurring in the course of providing the MSR-ESR services under this Agreement.
  - C. Additional travel when requested by the campus may be reimbursable as part of an Extra Service.
11. Project Administration:

The master agreement and scope for this project is managed centrally by the Office of the Chancellor. Individual campuses are authorized to secure (and pay for) services under this agreement. All correspondence regarding design review activities and processes shall be sent to Ebi Saberi, University Architect with a copy to Lindsey Rowell, Chief of Energy, Sustainability, and Transportation.

The limits of insurance that apply to additional insureds are described in Section **D. – Limits Of Insurance.**

How this insurance applies when other insurance is available to an additional insured is described in the Other Insurance Condition in Section **E. – Liability And Medical Expenses General Conditions.**

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

**D. LIABILITY AND MEDICAL EXPENSES LIMITS OF INSURANCE**

**1. The Most We Will Pay**

The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

- a. Insureds;
- b. Claims made or "suits" brought; or
- c. Persons or organizations making claims or bringing "suits".

**2. Aggregate Limits**

The most we will pay for:

- a. Damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard" is the Products-Completed Operations Aggregate Limit shown in the Declarations.
- b. Damages because of all other "bodily injury", "property damage" or "personal and advertising injury", including medical expenses, is the General Aggregate Limit shown in the Declarations.

This General Aggregate Limit applies separately to each of your "locations" owned by or rented to you.

"Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway or right-of-way of a railroad.

This General Aggregate limit does not apply to "property damage" to premises while rented to you or temporarily occupied by you with permission of the owner, arising out of fire, lightning or explosion.

**3. Each Occurrence Limit**

Subject to **2.a.** or **2.b** above, whichever applies, the most we will pay for the sum of all damages because of all "bodily injury", "property damage" and medical expenses arising out of any one "occurrence" is the Liability and Medical Expenses Limit shown in the Declarations.

The most we will pay for all medical expenses because of "bodily injury" sustained by any one person is the Medical Expenses Limit shown in the Declarations.

**4. Personal And Advertising Injury Limit**

Subject to **2.b.** above, the most we will pay for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization is the Personal and Advertising Injury Limit shown in the Declarations.

**5. Damage To Premises Rented To You Limit**

The Damage To Premises Rented To You Limit is the most we will pay under Business Liability Coverage for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, lightning or explosion, while rented to you or temporarily occupied by you with permission of the owner.

In the case of damage by fire, lightning or explosion, the Damage to Premises Rented To You Limit applies to all damage proximately caused by the same event, whether such damage results from fire, lightning or explosion or any combination of these.

→ **6. How Limits Apply To Additional Insureds**

The most we will pay on behalf of a person or organization who is an additional insured under this Coverage Part is the lesser of:

- a. The limits of insurance specified in a written contract, written agreement or permit issued by a state or political subdivision; or
- b. The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to the Limits of Insurance shown in the Declarations and described in this Section.

If more than one limit of insurance under this policy and any endorsements attached thereto applies to any claim or "suit", the most we will pay under this policy and the endorsements is the single highest limit of liability of all coverages applicable to such claim or "suit". However, this paragraph does not apply to the Medical Expenses limit set forth in Paragraph 3. above.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation, settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization that may be liable to the insured because of injury or damage to which this insurance may also apply.

#### **d. Obligations At The Insured's Own Cost**

No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

#### **e. Additional Insured's Other Insurance**

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance.

#### **f. Knowledge Of An Occurrence, Offense, Claim Or Suit**

Paragraphs **a.** and **b.** apply to you or to any additional insured only when such "occurrence", offense, claim or "suit" is known to:

- (1) You or any additional insured that is an individual;
- (2) Any partner, if you or an additional insured is a partnership;
- (3) Any manager, if you or an additional insured is a limited liability company;
- (4) Any "executive officer" or insurance manager, if you or an additional insured is a corporation;
- (5) Any trustee, if you or an additional insured is a trust; or
- (6) Any elected or appointed official, if you or an additional insured is a political subdivision or public entity.

This Paragraph f. applies separately to you and any additional insured.

### 3. Financial Responsibility Laws

- a. When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, the insurance provided by the policy for "bodily injury" liability and "property damage" liability will comply with the provisions of the law to the extent of the coverage and limits of insurance required by that law.
- b. With respect to "mobile equipment" to which this insurance applies, we will provide any liability, uninsured motorists, underinsured motorists, no-fault or other coverage required by any motor vehicle law. We will provide the required limits for those coverages.

### 4. Legal Action Against Us

No person or organization has a right under this Coverage Form:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Form unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this insurance or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

### 5. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this policy to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom a claim is made or "suit" is brought.

### 6. Representations

#### a. When You Accept This Policy

By accepting this policy, you agree:

- (1) The statements in the Declarations are accurate and complete;
- (2) Those statements are based upon representations you made to us; and

- (3) We have issued this policy in reliance upon your representations.

### b. Unintentional Failure To Disclose Hazards

If unintentionally you should fail to disclose all hazards relating to the conduct of your business at the inception date of this Coverage Part, we shall not deny any coverage under this Coverage Part because of such failure.

### 7. Other Insurance

If other valid and collectible insurance is available for a loss we cover under this Coverage Part, our obligations are limited as follows:

#### a. Primary Insurance

This insurance is primary except when b. below applies. If other insurance is also primary, we will share with all that other insurance by the method described in c. below.

#### b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

#### (1) Your Work

That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

#### (2) Premises Rented To You

That is fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

#### (3) Tenant Liability

That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;

#### (4) Aircraft, Auto Or Watercraft

If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section A. – Coverages.

#### (5) Property Damage To Borrowed Equipment Or Use Of Elevators

If the loss arises out of "property damage" to borrowed equipment or the use of elevators to the extent not subject to Exclusion k. of Section A. – Coverages.

**(6) When You Are Added As An Additional Insured To Other Insurance**

That is other insurance available to you covering liability for damages arising out of the premises or operations, or products and completed operations, for which you have been added as an additional insured by that insurance; or

 **(7) When You Add Others As An Additional Insured To This Insurance**

That is other insurance available to an additional insured.

However, the following provisions apply to other insurance available to any person or organization who is an additional insured under this Coverage Part:

**(a) Primary Insurance When Required By Contract**

This insurance is primary if you have agreed in a written contract, written agreement or permit that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in c. below.

**(b) Primary And Non-Contributory To Other Insurance When Required By Contract**

If you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs (a) and (b) do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty under this Coverage Part to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

**c. Method Of Sharing**

If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

**8. Transfer Of Rights Of Recovery Against Others To Us****a. Transfer Of Rights Of Recovery**

If the insured has rights to recover all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. This condition does not apply to Medical Expenses Coverage.

 **b. Waiver Of Rights Of Recovery (Waiver Of Subrogation)**

If the insured has waived any rights of recovery against any person or organization for all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, we also waive that right, provided the insured waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.
