

PROJECT SITE TITLE CLEARANCE REPORT

NAME OF UNIVERSITY:

PROJECT:

I, **(Name of Executive Facilities Officer)**, (Title of Executive Facilities Officer), representing **(Name of University)** (herein called "University"), certify per PolicyStat Section 9017.01:

- 1) That I have investigated and ascertained the location of the site(s) upon which the project identified above will be constructed, operated and maintained (collectively, "project site").
- 2) That I have investigated the project site, and have determined that (A) the Board of Trustees of the California State University, on behalf of the University, has sufficient right, title, and interest in the project site to develop the project and (B) any known easements, leases, possessory interests, restrictive covenants, or other encumbrances affecting the project site would either not affect development of the project or would be resolved through the actions described below.
- 3) In my opinion, the Board of Trustees of the California State University, on behalf of the University, has (or will have, upon completion of the actions described below) sufficient right, title, and interest in the project site to permit the construction, operation, and maintenance of the project.
- 4) Remarks and/or attachments:
 - a. CAD-format plat map of project site consistent with CSU Plat Map Standards attached as Exhibit "A".
 - b. Legal description of the project site attached as Exhibit "B" (as available).
 - c. [ADDITIONAL REMARKS AS NEEDED]
