SCHEDULED ADDITIONAL INSURED
(ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

NAME OF PERSONS OR ORGANIZATIONS:
The State of California, the Trustees of the California State University, the University, their officers, employees, representatives, volunteers, and agents

PROJECT/LOCATION OF COVERED OPERATIONS:
Projects as on file with the insured

PROVISIONS

1. The following is added to SECTION II – WHO IS AN INSURED:
The person or organization shown in the Schedule above is an additional insured on this Coverage Part, but:
a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies, or in connection with premises owned by or rented to you.
The person or organization does not qualify as an additional insured:
c. With respect to the independent acts or omissions of such person or organization; or
d. For "bodily injury", "property damage" or "personal injury" for which such person or organization has assumed liability in a contract or agreement.
The insurance provided to such additional insured is limited as follows:
e. This insurance does not apply to the rendering of or failure to render any "professional services".
f. In the event that the Limits of Insurance of the Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement does not increase the limits of insurance described in Section III – Limits Of Insurance.
g. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to that additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.
2. The following is added to Paragraph 4.a. of \textit{SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS}:

The insurance provided to the additional insured shown in the Schedule above is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and non-contributory basis, this insurance is primary to other insurance available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with the other insurance, provided that:

\begin{enumerate}
  \item The "bodily injury" or "property damage" for which coverage is sought occurs; and
  \item The "personal injury" for which coverage is sought arises out of an offense committed;
\end{enumerate}

after you have signed that "written contract requiring insurance". But this insurance provided to the additional insured still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any other insurance.

3. The following is added to Paragraph 8., \textit{Transfer Of Rights Of Recovery Against Others To Us}, of \textit{SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS}:

We waive any right of recovery we may have against the additional insured shown in the Schedule above because of payments we make for "bodily injury", "property damage" or "personal injury" arising out of "your work" on or for the project, or at the location, shown in the Schedule above, performed by you or on your behalf, done under a "written contract requiring insurance" with that person or organization. We waive this right only where you have agreed to do so as part of the "written contract requiring insurance" with such person or organization signed by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense is committed.

4. The following definition is added to the \textit{DEFINITIONS} Section:

"Written contract requiring insurance" means that part of any written contract with the person or organizations shown in the Schedule above, under which you are required to include that person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

\begin{enumerate}
  \item After you have signed that written contract;
  \item While that part of the written contract is in effect; and
  \item Before the end of the policy period.
\end{enumerate}
This endorsement modifies insurance provided under the following:

**BUSINESS AUTO COVERAGE FORM**

A. The following is added to **SECTION II – LIABILITY COVERAGE**, Paragraph A.1. Who Is An Insured:

   **Additional Insured if Required by Contract**

   If you agree in a written contract, written agreement or written permit that a person or organization be added as an additional "insured" under this Coverage Part, such person or organization is an "insured"; but only to the extent that such person or organization qualifies as an "insured" under paragraph A.1.c. of this Section.

   If you agree in a written contract, written agreement or written permit that a person or organization be added as an additional "insured" under this Coverage Part, the most we will pay on behalf of such additional "insured" is the lesser of:

   (1) The Limits of Insurance for liability coverage specified in the written contract, written agreement or written permit; or

   (2) The Limits of Insurance for Liability Coverage shown in the Declarations applicable to this Coverage Part.

   Such amount shall be part of and not in addition to the Limits of Insurance shown in the Declarations applicable to this Coverage Part. Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined resulting from any one "accident" is the Limit of Insurance for Liability Coverage shown in the Declarations.

B. The following is added to **SECTION IV – BUSINESS AUTO CONDITIONS**, Paragraph B. General Conditions, subparagraph 5. Other Insurance:

   **Primary and Non-Contributory**

   If you agree in a written contract, written agreement or written permit that the insurance provided to a person or organization who qualifies as an additional "insured" under **SECTION II – LIABILITY COVERAGE**, Paragraph A.1. Who Is An Insured, subparagraph Additional Insured if Required by Contract is primary and non-contributory, the following applies:

   The liability coverage provided by this Coverage Part is primary to any other insurance available to the additional "insured" as a Named Insured. We will not seek contribution from any other insurance available to the additional "insured" except:

   (1) For the sole negligence of the additional "insured"; or

   (2) For negligence arising out of the ownership, maintenance or use of any "auto" not owned by the additional "insured" or by you, unless that "auto" is a "trailer" connected to an "auto" owned by the additional "insured" or by you; or

   (3) When the additional "insured" is also an additional "insured" under another liability policy.

C. This endorsement will apply only if the "accident" occurs:

   1. During the policy period;
   2. Subsequent to the execution of the written contract or written agreement or the issuance of the written permit; and
   3. Prior to the expiration of the period of time that the written contract, written agreement or written permit requires such insurance to be provided to the additional "insured".

D. Coverage provided to an additional "insured" will not be broader than coverage provided to any other "insured" under this Coverage Part.

ALL OTHER TERMS, CONDITIONS, AND EXCLUSIONS REMAIN UNCHANGED.
