

**MASTER ENABLING AGREEMENT
COMMISSIONING** Rev. 2017-0725

This AGREEMENT is made and entered into this first day of July, 2019 pursuant to the Public Contract Code 10700, et seq., by and between the Trustees of the California State University on behalf of

Campus, hereafter referred to as Trustees, and California State University	Amendment No.: N/A	Agreement No.: 180468	Project No.: Systemwide - MEA
Service Provider, hereafter referred to as Service Provider. P2S Inc.		CSU Vendor ID No.: 132	License or DIR No.: M26243

WITNESSETH: That the Service Provider in consideration of the statements and conditions herein contained, agrees to furnish labor, materials, and equipment and to perform work necessary to complete, in a skillful manner the following:

The Service Provider shall provide Commissioning Services for public works projects submitted by the California State University. This agreement is a master enabling agreement under which each campus and the administrative office of the California State University may engage the services of Service Provider as provided herein. Campuses and the administrative office shall execute a Service Order and Authorization to Proceed (Exhibit A) to secure Service Provider's peer review services under this Agreement.

The Service Provider shall provide such services as more fully described in the following Rider and Exhibits, which by this reference are incorporated herein and made part of this Agreement:

- Rider A – Agreement General Provisions, consisting of three (3) pages;
- Exhibit A – Scope of Work, consisting of ten (10) pages;
- Exhibit B – Fee and Payment Schedule, consisting of one (1) page;
- Exhibit C – Service Order & Authorization to Proceed, consisting of one (1) page.

The term shall begin upon receipt of an executed Agreement from July 1, 2019 and shall end as of June 30, 2021, with the option given the Trustees of extending the Agreement with the same items and conditions for one (1) additional one (1) year period.

The Service Provider shall not perform services in excess of the Agreement without prior written authorization to proceed from the Trustees. Service Provider shall report to: California State University, Aaron Klemm, Chief of Energy and Sustainability, Capital Planning, Design and Construction, (562)-951-4122.

The basic services amount to be expended under this Agreement shall be determined by the overall usage of each participating campus and the administrative office of the California State University. Payment shall be made in accordance with Exhibit A, and Exhibit B.

This Agreement shall be executed in counterparts all of which taken together shall constitute one and the same Agreement. The exchange of copies of this Agreement by electronic mail in "portable document format" ("PDF") form or by other electronic means shall constitute effective execution and delivery of this Agreement and shall have the same effect as copies executed and delivered with original signatures.

Rider A - Agreement General Provisions

1. Trustees agrees to pay for the services and materials to be furnished by Service Provider as provided by this Agreement. Payment in arrears shall be made upon Service Provider's completion of the services required by this Agreement to the satisfaction of the Trustees and upon Service Provider's submission of billings as shall be prescribed by the Trustees.
2. Service Provider, in the performance of this Agreement, is an independent contractor and is not an employee, agent, or officer of the Trustees.
3. Trustees may cancel this Agreement should Service Provider fail to perform as herein provided. In the event of such cancellation, Trustees shall be relieved of the obligation to make any payment to Service Provider and Trustees may proceed with the work in any manner the Trustees deem proper.
4. Trustees may terminate this Agreement either upon giving fifteen (15) days written notice or upon the immediate notice with payment of \$25.00 to Service Provider. Payment shall be complete by mailing payment to Service Provider at the address appearing on the face of this Agreement. In the event of such termination, Service Provider shall be paid only for the work satisfactorily completed.
5. Service Provider shall not assign benefits or delegate duties under this Agreement in whole or in part without the prior written approval of the Trustees. Thus, Service Provider may not assign any moneys due or to become due hereunder without the written consent of Trustees.
6. The provisions of this Agreement shall extend to and be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns to the parties hereto.
7. No alteration or variation of the terms of this Agreement shall be valid unless made in writing and signed by the parties. Oral understandings or other agreements not incorporated herein shall not be binding.
8. Trustees may issue a written order with respect to the services to be performed under this Agreement at any time before the completion of the services. Trustees shall pay Service Provider an amount for such services as provided in this Agreement, or if not so provided, Trustees shall pay Service Provider a reasonable amount, which shall be agreed upon by the parties.
9. Any notice, which may be proper or necessary for either of the parties hereto to serve on the other, in case of Trustees, may be served effectually upon Trustees by delivering it in writing, addressed to the Trustees of the California State University, attention of the official executing this Agreement for Trustees, at CSU Office of the Chancellor, 401 Golden Shore, Long Beach, CA 90802, or by depositing it in a United States mail deposit box with first class postage thereon fully prepaid and addressed to Trustees at the above-mentioned address. In the case of Service Provider, notice may be served effectually upon Service Provider by delivering it in writing to Service Provider at the address appearing on the first page of this Agreement or depositing it in a United States mail deposit box with first class postage thereon fully prepaid, and addressed to Service Provider at the Service Provider's above-mentioned address. Any notice may also be served effectually by delivering or mailing it, as in this section provided, addressed to Trustees or Service Provider at any other place or places which Trustees or Service Provider, by written notice served upon the other, may designate, provided, however, that nothing herein shall preclude the giving of notice by personal service.
10. In the performance of this Agreement, the Service Provider will not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, sex, age, national origin, physical handicap, medical condition, or marital status. The Service Provider will take action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, ancestry, sex, age, national origin, physical handicap, medical condition, or marital status as prohibited by the California Fair Employment and Housing Act (Government Code Section 12900 et seq.).
11. Service Provider shall not utilize any information, not a matter of public record, which is received by reason of this Agreement, for pecuniary gain not contemplated by the terms of this Agreement, regardless of whether Service Provider is or is not under contract at the time such gain is realized (Education Code Section 89006).
12. The report, survey, or other product developed by Service Provider pursuant to this Agreement is the property of Trustees, and shall not be used in any manner by Service Provider unless authorized by Trustees.
13. In executing this service agreement, Service Provider swears, under penalty of perjury, that no more than one final unappealable finding of contempt of court by a federal court has been issued against Service Provider within the immediately preceding two-year period because of Service Provider's failure to comply with an order of a federal court which orders Service Provider to comply with an order of the National Labor Relations Board. Trustees may rescind this contract if Service Provider falsely swears to this statement (Public Contract Code Section 10296).

14. If the Agreement exceeds \$10,000, the contracting parties shall be subject to the examination and audit of the State Auditor of the State of California for a period of three (3) years after final payment under the Agreement. This examination and audit shall be confined to those matters connected with the performance of this contract, including, but not limited to, the cost of administering this Agreement (Government Code Section 8546.7).
15. The Service Provider hereby certifies compliance with Government Code Sections 8355, 8356, and 8357 in matters relating to providing a drug-free workplace. In accordance with Government Code Section 8355, the Service Provider shall:
 - A. Publish a statement notifying employees that unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited and specifying actions to be taken against employees for violations;
 - B. Establish a Drug-Free Awareness Program to inform employees about all of the following:
 - (1) The dangers of drug abuse in the workplace,
 - (2) The Service Provider's policy of maintaining a drug-free workplace,
 - (3) Any available counseling, rehabilitation, and employee assistance programs, and
 - (4) Penalties that may be imposed upon employees for drug abuse violations;
 - C. Require that each employee engaged in the performance of the Agreement be given a copy of the statement required by subpart A, and require that each employee, as a condition of employment on the Agreement, agree to abide by the terms of the statement.
16. Responsive to direction from the State Legislature (Public Contract Code Section 10115 et seq.), the Trustees are seeking to increase the statewide participation of disabled veteran business enterprises in contract awards. To this end, Service Provider shall inform the Trustees of any contractual arrangements with consultants or suppliers that are certified disabled veteran business enterprises.
17. If the Service Provider is a natural person, the Service Provider certifies by signing this Agreement that s/he is a citizen or national of the United States or otherwise qualified to receive public benefits under the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (P.L. 104-193; 110 STAT. 2105, 2268-69), State of California Governor's Executive Order W-135-96.
18. If the Service Provider is a corporation, the Service Provider certifies and declares by signing this Agreement that it is eligible to contract with the State of California pursuant to the California Taxpayer and Shareholder Protection Act of 2003 (Public Contract Code Section 10286 et seq.).
19. The Service Provider shall not commence work until it has obtained all the insurance required in this Article, and such insurance has been approved by the Trustees.
 - A. Service Provider shall obtain and maintain the following policies and coverage. The insurance furnished by the Service Provider under this Article shall provide coverage in amounts not less than the following, unless a different amount is stated on the Cover Page of this Agreement:
 - (1) Comprehensive or Commercial Form General Liability Insurance: on an occurrence basis, covering work done or to be done by or on behalf of the Service Provider and providing insurance for bodily injury, personal injury, property damage, and contractual liability. The aggregate limit shall apply separately to the work. Limits of Liability:

\$2,000,000.00	General Aggregate
\$1,000,000.00	Each Occurrence—combined single limit for bodily injury and property damage.
 - (2) Business Automobile Liability Insurance: on an occurrence basis, covering owned, scheduled, hired, and non-owned automobiles used by or on behalf of the Service Provider and providing insurance for bodily injury, property damage, and contractual liability. Limits of Liability:

\$1,000,000.00	Each Accident—combined single limit for bodily injury and property damage.
----------------	--
 - (3) Workers' Compensation: including Employers Liability limits of \$1,000,000.00 and other limits as required under California law.
 - (4) Errors and Omissions Insurance: on an occurrence basis is preferred, covering work done or to be done by or on behalf of the Service Provider and providing insurance for errors and omissions in the amount of \$1,000,000.00 each occurrence. At a minimum, Service Provider shall obtain and maintain errors and omissions insurance on a claims-made basis for no less than \$1,000,000.00 each claim and \$2,000,000.00 annual aggregate, and certification of coverage shall be submitted to the Trustees upon signing of this Agreement. If the total contract amount exceeds \$1,000,000, Service Provider shall renew and keep such insurance in effect for at least five (5) years after the recordation of the notice of completion.

- B. Service Provider shall submit to the Trustees certificates of insurance and original endorsements to the policies of insurance required by the agreement as evidence of the insurance coverage. The scope of coverage and deductible shall be shown on the certificate of insurance. The certificates of insurance and endorsements shall provide for no cancellation of coverage without thirty (30) days written notice to the Trustees, as specified in Section 19-C (3). Renewal certifications and endorsements shall be timely filed by the Service Provider for all coverage until the work is accepted as complete. The Trustees reserve the right to require the Service Provider to furnish the Trustees complete, certified copies of all required insurance policies. The Service Provider shall notify the Trustees in writing of any material change in insurance coverage.
- C. The insurance policies shall contain, or be endorsed to contain, the following provisions:
- (1) For the general and automobile liability policies, the State of California, the Trustees of the California State University, the University, their officers, employees, representatives, volunteers, and agents shall be covered as additional insureds.
 - (2) For any claims related to the work, the Service Provider's insurance coverage shall be primary insurance as respects the State of California, the Trustees of the California State University, the University, their officers, employees, representatives, volunteers, and agents. Any insurance or self-insurance maintained by the State of California, the Trustees of the California State University, the University, their officers, employees, representatives, volunteers, and agents shall be in excess of the Service Provider's insurance and shall not contribute with it.
 - (3) Each insurance policy required by this Article shall state that coverage shall not be canceled by either party, except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the Trustees.
 - (4) The State of California, the Trustees of the California State University, the University, their officers, employees, representatives, volunteers, and agents shall not by reason of their inclusion as additional insureds incur liability to the insurance carriers for payment of premiums for such insurance.
- D. Insurers shall be licensed by the State of California to transact insurance and shall hold a current A.M. Best's rating of no less than A:VII or equivalent carrier otherwise acceptable to the Trustees.
- E. Miscellaneous:
- (1) Any deductible under any policy of insurance required in this Article shall be Service Provider's liability.
 - (2) Acceptance of certificates of insurance by the Trustees shall not limit the Service Provider's liability under the agreement.
 - (3) In the event the Service Provider does not comply with these insurance requirements, the Trustees may, at its option, provide insurance coverage to protect the Trustees. The Service Provider shall pay the cost of the insurance and, if prompt payment is not received by the insurance carrier from the Service Provider, the Trustees may pay for the insurance from agreement sums otherwise due the Service Provider.
 - (4) If the Trustees are damaged by the failure of Service Provider to provide or maintain the required insurance, the Service Provider shall pay the Trustees for all such damages.
 - (5) The Service Provider's obligations to obtain and maintain all required insurance are non-delegable duties under this agreement.
20. The Service Provider agrees to hold harmless, defend, and indemnify the State of California, the Trustees of the California State University, the University, and the officers, employees representatives, and agents of each of them from any and all claims, damages, losses, causes of action and demands, and all costs and expenses incurred in connection therewith, resulting from or in any manner arising out of or in connection with any negligent act or omission or willful misconduct on the part of the Service Provider, its officers, agents, and employees, in the performance of this Agreement. This provision shall survive the expiration or termination of this Agreement.
21. In accordance with Labor Code Section 1720 et seq., Service Provider must pay employees at least the prevailing rate wages for public works performed on the Project, including preconstruction inspection and surveying. If and to the extent the Project will involve public works, Service Provider must register with the Department of Industrial Relations (DIR) to bid and/or perform work on the Project, and Service Provider must submit certified payroll records to DIR at least monthly for such work. The Project is subject to DIR monitoring and enforcement.

End of Rider A

Exhibit A - Scope of Work CSU Commissioning (Cx)

1. Commissioning (Cx) Objectives

By statute, Title 24 of the California Code of Regulations (CCR), Part 6- California Energy Code, and Part 11 - California Green Building Standards [CALGreen], requires a building system commissioning effort in most cases for new construction of 10,000SF and greater. Commissioning shall be included in addition to the requirements of the Title 24 CCR, for all California State University (CSU) construction projects with \$3,000,000 or greater in construction costs.

The objective of the CSU commissioning process is to provide a systematic quality assurance process that spans the entire design and construction process, including verifying and documenting that building systems and components are planned, designed, installed, tested, operated and maintained to the applicable codes and standards as well as meet the CSU's project requirements.

The Cx Scope – Base Commissioning Scope (Section 2) applies to all projects. Each project shall also adhere to one of the identified supplemental scope packages (Sections 3, 4, 5, or 6) described herein. The specific scope to be used for this project is identified in Section 13 - Modifications to Scope Summary.

Cx scope of work for each project will vary based on project cost/size and complexity. The supplemental scopes align with project construction costs and become more comprehensive as project cost/complexity increase. The supplemental scope cost thresholds is a recommended paring. For smaller, but mechanically demanding projects it may be more appropriate to utilize a more comprehensive commissioning scope. Conversely for larger, but mechanically simple projects a lesser commissioning scope may be appropriate.

- A. Confirm the applicability and extent of commissioning to be provided on each individual project with the campus at the onset of each project.
- B. The Service Provider engaged for this work is hereby designated as the Commissioning Agent (CxA) for the project. In this role the CxA acts as a campus agent and as a consulting campus advisor to the design team and contractor on issues that affect commissioning. The CxA's role is advisory. The Architect/Engineer and Contractor under their own separate contracts with the University are the respective Architect/Engineer-of- Record and Contractor-of-Record.
- C. The CxA shall perform to the selected individual Scope of Work using the most current CSU Commissioning Guidelines (available on the CSU CPDC website) as a reference. The CxA shall seek direction from the campus where guideline or scope requirements relative to the specific project appear inappropriate.
- D. The CxA Scope of Work will involve the CxA from the onset of project through its completion and potentially a one-year post-occupancy period thereafter. The scope of involvement will vary based on the project and its construction delivery method.
 - (1) During the pre-design phase, the CxA shall work with the campus project team to challenge and define project performance expectations and document project performance and commissioning goals. In the case of a design-build delivery the CxA shall develop commissioning requirements suitable for use in a project RFQ/RFP.
 - (2) During the design phases, the role of the CxA is to develop commissioning specification and testing plan recommendations for the design team. In a design-build delivery the CxA shall be impartially available to each proposing design team to offer independent and non-partisan recommendations relative to each respective design-build team's development of their own outline commissioning plan.

As the design is developed the CxA shall monitor to ensure that the project design documents are generally consistent with the commissioning recommendations as to quality, constructability, operability and campus-identified objectives. In the case of a design-build delivery, the CxA shall confirm that the selected design-build team is developing the design and commissions consistent with the RFP award.
 - (3) During construction, the CxA shall monitor to ensure commission related tasks are completed consistent with the approved Construction Documents and the commissioning testing plan incorporated therein.
 - (4) During the one-year post-occupancy period, if requested, the CxA shall provide an independent assessment of warranty claims relative to MEP commissioning issues.

2. The Base Commissioning Scope

The Base Cx scope in this section is applicable to all CSU commissioning projects. Each project shall also adhere to a supplemental scope package (Section 3, 4, 5, or 6). This will be identified in Section 13 - Scope Summary. The 'Base Cx Scope' and the selected 'Supplementary Scope' for the project shall be read as complimentary and additive. The appointed Commissioning Agent shall:

A. Base Scope - Cx Pre-Design Phase 1

- (1) Actively coordinate the commissioning work effort during pre-design and all design phases. Provide a brief written assessment to the University at the completion of each design phase on the progress of the commissioning effort.
- (2) Develop commissioning plan and specification recommendations for design team use. We reiterate that the Cx Agent's role here is to provide advisory support. The project A/E retains record authority for the functionality and appropriateness of the design.
- (3) Consistent with Title 24 of the CCR, Part 6- California Energy Code, and CALGreen requirements, develop an Owner's Project Requirement document (OPR) to memorialize the project's functional requirements, expectations of building use and operation as it relates to systems being commissioned.

B. Base Scope - Cx Pre-Design Phase 2

- (1) Develop commissioning specification recommendations for each system to be commissioned.
- (2) Commissioning specification recommendations shall generally include:
 - a. Reporting and documentation requirements
 - b. Alerts to coordination issues
 - c. Construction checklist and startup requirements
 - d. Contractor functional test requirements. Include testing conditions and acceptance criteria for each piece of equipment and systems being commissioned. The following resources offer model guidelines for content, rigor and format of Cx specifications:
 - i. Model Commissioning Plan and Guide Specifications, USDOE/FEMP; Portland Energy Conservation, Inc. (PECI), <http://www.peci.org/model-commissioning-plans-guide-specifications>
 - ii. The HVAC Commissioning Process, ASHRAE Guideline <http://www.ashrae.org>
- (3) Provide commissioning plan and specification recommendations to design team and contractor.
- (4) Monitor for incorporation into the Construction Documents. Review to ensure that Cx specifications incorporate the elements specified by Title 24 of the CCR, Part 6- California Energy Code, and CALGreen. Periodically advise the campus as to efficacy of this effort.
- (5) Review Design Team's Basis of Design (BOD) report. Ensure that it adequately describes the building systems being commissioned and design assumptions made.

C. Base Scope - Cx Construction Phase 3

- (1) Coordinate as required to ensure that commissioning activities occur in a logical and efficient manner using consistent protocols and forms. Coordinate as required to ensure that clear, effective and regular communications with all parties on commissioning related items occurs.
- (2) Monitor to ensure that commissioning activities are appropriately incorporated into the contractor's project construction schedule.
- (3) Monitor construction meeting minutes. Participate periodically in construction meetings as needed to ensure that commissioning activities are adequately and effectively represented. At appropriate points during the construction process the CxA shall call for and conduct a commissioning-centric meeting. The CxA shall draft and issue minutes for these meetings.
- (4) Seek to be notified on and participate in the resolution of RFP's, Substitution Requests and proposed Change Orders where they impact commissioning objectives. Where the University approves changes to the Contract that materially impact commissioning objectives work with the project team to ensure that the commissioning requirements accommodate the planned Change Order work.
- (5) Participate as an owner's advocate in reviews related to commissioning, I.e., HVAC and lighting submittals, testing and balancing submittals and systems Operations and Maintenance materials.
- (6) Monitor construction progress and conduct periodic site observations sufficient to confirm commissioning activities are being appropriately completed consistent with the progress of the completion of the work.
- (7) Review HVAC piping pressure testing and flushing documentation, sufficient to assess that proper procedures were followed and satisfactory results obtained.
- (8) Review HVAC ductwork testing and cleaning documentation sufficient to assess that proper procedures were followed and satisfactory results were obtained.

- (9) Review systems startup reports to ensure satisfactory results were achieved. Conduct related site observations as may be warranted.
- (10) Review air and water balancing reports. Conduct related site observations as may be warranted. Provide written assessment to the University recommending acceptance (or not) of the test and balance report.
- (11) Analyze functional performance trend logs and monitoring data to verify planned system(s) performance is realized. Provide written assessment recommending acceptance (or not) to the University.
- (12) Witness and document functional performance tests by the installing mechanical sub-contractors.
- (13) Functional testing is expected to include operation of the mechanical systems and components through all specified sequences of operation. I.e., startup, shutdown, unoccupied mode, manual mode, staging, miscellaneous alarms, power failure, security alarm, etc.
- (14) Confirm correct functioning of interlocks with other systems or equipment.
- (15) Confirm that sensors and actuators are appropriately calibrated by the installing contractors.
- (16) Witness re-testing as necessary until satisfactory performance is achieved. Provide written assessment recommending acceptance (or not) to the University.
- (17) Confirm calibration and certification of utility meters (gas, water, electric). For electric meters ensure that tests are against a known standard or load to ensure correct values. Provide written assessment recommending acceptance (or not) to the University.
- (18) Confirm integrity of utility meters data connection to building Energy Management Systems. Verify reliable communication, consistency, and accuracy of values being recorded by EMS. If a central utility metering system connection is provided, verify same for that data connection. Provide written assessment recommending acceptance (or not) to the University.
- (19) Witness tests on HVAC equipment to verify heating and cooling operation. The override of certain control values to simulate seasonal conditions may be necessary. Verify functional testing using conventional manual methods, control system trend logs, and/or stand-alone data loggers, as necessary to confirm proper and reliable system function. Provide written assessment recommending acceptance (or not) to the University.
- (20) Review/audit for adequacy systems training provided by the contractor. Review records that training of campus personnel was completed and that a licensed copy of the control system's operational software is provided. Review to ensure that scope and content of training complies with requirements of Title 24 of the CCR, Part 6- California Energy Code, and CALGreen. Provide written assessment recommending acceptance (or not) to the University.
- (21) Review for adequacy the O&M manuals on commissioned equipment and systems provided by the contractor. Provide written assessment recommending acceptance (or not) to the University.
- (22) Where and if present, identify non or marginally compliant commissioned elements. If present each non-compliance issue shall be referenced to the specific functional test, inspection, trend log, etc. where the deficiency is documented. Provide written assessments to the University.
- (23) Compile a Project Commissioning Reference Manual. This manual shall include:
 - a. Campus Project Requirements
 - b. Basis of Design; Performance Metrics, completed during design
 - c. Space and use descriptions; single-line drawings and schematics for major systems
 - d. Control drawings, sequences of operation
 - e. Recommendations for re-commissioning frequency by equipment type
 - f. Energy tracking recommendations
 - g. Annotated building trend logs with a brief description of acceptable readings and variances
- (24) Compile a Commissioning Record. This record shall include:
 - a. A summary report that includes a list of participants and roles, facility/building description, description of commissioning and testing scope, and a general narrative of testing and verification methods.
 - b. For each piece of commissioned equipment and system, the report shall contain an assessment by the CxA of the following:
 - i. Equipment and systems compliance with contract documents
 - ii. Equipment and systems installation
 - iii. Functional performance
 - iv. Provision of systems O &M documentation
 - v. Operator training

- (25) The Commissioning Record shall meet all requirements of Title 24 of the CCR, Part 6- California Energy Code, and CALGreen for a 'Commissioning Report'.
- (26) Deliver the Project Commissioning Record and Project Commissioning Manual to campus. Set up a meeting and review the document package with staff. Pick up requested edits and/or clarifications.

D. Base Scope - Cx Post-Occupancy Phase 4

- (1) The post-occupancy phase of this commissioning work begins with the acceptance of the project by the campus and extends for approximately a one (1) year period to coincide with the contractor's warranty expiration date for the project. It is critical that all post-occupancy commissioning work under this agreement be identified and completed in advance of this date.
- (2) During the post-occupancy period the CxA shall be available to provide an independent knowledgeable opinion on whether an issue should be considered as a warranty or construction contract scope item.
- (3) Return to the project site at ten months into the twelve-month post-occupancy period. Coordinate with the campus and the contractor to identify and schedule testing dates.
- (4) Interview facility staff and identify any problems or concerns relative to operating the facility as originally intended. Document any outstanding issues related to the original commissioning effort.
- (5) Develop corrective action plan recommendations based on the post-occupancy testing, staff interviews and observed operational concerns. Compile the final corrective action plan testing documentation and assessment as an amendment to finalize and complete the Project Commissioning Record. Deliver/present to campus.
- (6) Document Energy Use intensity for first twelve (12) months of operations and provide a copy of documentation to CPDC.

3. Cx Scope of Services - Very Small Projects (less than 10,000SF and less than \$6 Million)

- A. In addition to the requirements of the Title 24 of the CCR, Part 6- California Energy Code, and CALGreen See Section 13, Scope Summary to identify if this section applies (or not) to this work.
- B. The following systems and assemblies shall be commissioned:
 - (1) Building energy management and control (EMS) systems
 - (2) Heating, ventilating and air conditioning systems
 - (3) Indoor lighting system and controls
 - (4) Laboratory, hoods and relative rooms pressurization systems (where present)
 - (5) Domestic water systems
 - (6) Landscape irrigation systems (where present)
 - (7) Water reuse systems (where present)
 - (8) Title 24 of CCR:
 - a. Projects less than 10,000 SF shall comply with the design review requirements specified in the Title 24 of the CCR, Part 6- California Energy Code, and shall include any measures or requirements necessary for completing the review in the construction documents in a manner that meets or exceeds code requirements.
 - b. Projects greater than 10,000 SF shall meet all mandated commissioning of systems not otherwise listed above using test procedures that meet or exceed Title 24 CCR requirements.
- C. The following companion Supplemental Checklist applies:
 - (1) Very Small Projects Checklist
- D. For this project the following MODIFICATIONS TO SCOPE apply:
 - (1) If applicable, modifications to this scope are listed in Section 13 - Scope Summary
- E. Very Small Projects Checklist (☛= required)

Design Area	Review Description	Schematic Design	Design Development	Construction Docs 50%	Construction Docs 95%
Owner's Project Requirements	Document project functional requirements, expectations of building use and operational considerations for systems to be commissioned.	★	★		
Basis of Design	Ensure that Basis of Design is clear, complete and meets stated campus project requirements.	★			★
Commissioning facilitation	Ensure that the design will accommodate effective commissioning (i.e., appropriate system access, test ports, monitoring points, etc.).		★	★	★
Control system & strategies	Review lighting controls, building energy management controls, and HVAC sequences of operation for effectiveness, efficiency and reliability.				★
Operations and maintenance (O&M)	Ensure that proposed design support O&M (i.e., equipment access, system control, consumables, etc.).	★			★
Indoor environmental quality	Ensure that HVAC systems provide end user comfort and a pleasant work environment. Review for thermal, visual, acoustical, distribution and air quality issues.				★
O&M documentation	Verify adequacy of system Operations and Maintenance documentation.				★
Training	Verify adequacy of operator training.			★	★
Commissioning specifications	Verify that bid documents adequately specify building commissioning and supporting testing requirements.			★	★
Campus design guideline or standards	Verify that the design complies with the CSU policies on energy efficiency.	★	★		★
Environmental sustainability	Ensure that building sustainable features are well-integrated, practical and durable.		★	★	★
MEP systems	Review MEP systems design for functionality, efficiency, and durability.		★	★	
Life cycle costs	Review that life cycle assessments provide consideration of viable alternatives.	★			

4. Cx Scope of Services - Small Projects (from \$6 Million to \$15 Million)

- A. See Section 13, Scope Summary to identify if this section applies (or not) to this work.
- B. The following systems and assemblies shall be commissioned:
 - (1) Building energy management and control (EMS) systems.
 - (2) Heating, ventilating and air conditioning systems.
 - (3) Indoor lighting system and controls.
 - (4) Laboratory, hoods and relative rooms pressurization systems (where present.)

- (5) Domestic water systems.

7. Service Duration

The term of the service authorization shall begin at the onset of Schematic Design and conclude at the end of the Post-Occupancy phase.

8. Fee

- A. Commissioning fee for this project shall be provided on an hourly rate in accordance with the Billing Rate Table agreed and attached hereto as Exhibit B with a maximum ‘not to exceed’ amount identified. Invoicing for services shall be provided monthly.
- B. The work effort shall generally align to the percentage’s ranges below. Advise the trustees at the earliest opportunity if it is anticipated that the required effort will vary materially from these ranges.

Percentage of fee	Payment milestone
25%	Completion of Schematic Phase
25%	Completion of Design Development Phase
0%	Bidding
20%	50% construction completion
25%	100% construction completion
5%	1-year Post-Occupancy review and report

9. Deliverables:

- A. Provide electronic copies of report. Deliver via email or FTP, Drop box, etc.
- B. Provide 2 print report copies to campus.
- C. Provide 1 electronic report copy to CPDC Office of the Chancellor.

10. Reimbursables

Reasonable non-local travel and outsourced reprographic expenses are reimbursable under this agreement. Claims for reimbursable items shall be without mark-up for directly related project charges incurred. Provide supporting documentation as a part of claim submittal. In general, travel reimbursement will be provided for project-related travel within the following limitations:

- A. Local travel, less than thirty (30) miles to campus, contractor, or project site is not reimbursable.

- B. Reasonable travel costs for distances greater than thirty (30) miles are reimbursable.
- (1) Commercial Air Travel: Reasonable airfare costs will be reimbursed when air travel is required. Reimbursement shall be limited to reasonable air fare charges incurred for refundable economy class travel. Generically reasonable example: Southwest Airlines into San Jose with a rental car into Monterey. Generically unreasonable example United Airlines into Monterey and needing to incur similar rental car charges where that cost is disproportionately higher than the San Jose cost.
 - (2) General Aviation: General aviation travel is reimbursable. Total reimbursement (including fuel and tie down) shall be conservatively limited to approximate equivalent fare amounts that would otherwise be incurred via reasonable commercial air travel from a serving regional airport.
 - (3) Rental Car: Reasonable rental car costs will be reimbursed when air travel is required.
 - (4) Private Automobile Mileage: Travel by personal automobile beyond a thirty (30) mile radius will be reimbursed at current federal mileage rates.
 - (5) Lodging: Lodging costs will be reimbursed up to the maximum CSU per diem maximum.
 - (6) Meals: Meal costs will be reimbursed when overnight travel is required at the CSU per diem maximum.

11. Extra Services

- A. This agreement may authorize extras services via issue of an Extra Service Work Authorization describing the supplemental related project work and agreed fee. Such work must be countersigned by the Service Provider to take effect.
- B. Extra service work MUST be authorized in advance.

12. Invoicing

- A. Payment for services will be made upon presentation of a written invoice in arrears of work completed to the satisfaction of the trustees.
- B. Prepare monthly invoicing using supplied invoicing template. For each invoice provide supporting back-up information identifying staff performing work, hourly rate, previous invoiced amounts, payments received and hours being billed.

13. SCOPE SUMMARY

This work includes:

- Section 2 - Cx Scope - All Projects

And the following supplemental scope:

- Section 3 - Very Small Projects (less than 10,000SF and less than \$6 Million)
 Section 3 - Small Projects (\$6 Million to \$15 Million)
 Section 3 - Medium Projects (greater than \$15 Million to less than \$30 Million)
 Section 3 - Large Projects (greater than \$30 Million)

This combined scope is modified as follows:

- No modifications
 As listed below:

All correspondence regarding New Construction and/or Building Code Activities and Processes shall be sent to Ebi Saberi, University Architect, with a copy to Aaron Klemm, Chief of Energy and Sustainability.

The following policy language is from Businessowners General Liability Coverage Part

NAMED INSURED: P2S Inc.
P2S Engineering, Inc.

POLICY NUMBER: OB39144846

Additional Insured: The State of California, the Trustees of the California State University, the University, and the officers, employees, representatives, and agents of each of them

The following are mandatory forms on the policy identified on the Certificate of Insurance:

391-1586 (08-16) BUSINESSOWNERS GENERAL LIABILITY SUPPLEMENTARY ENDORSEMENT
Additional Insured by Contract, Agreement or Permit

A. **Section II – Liability, C** – Who is an insured is amended to include as an additional insured any person or organization with whom you agreed in a written contract, written agreement or permit but only respect to liability for “bodily injury”, “property damage” or “personal and advertising injury” caused, in whole or in part, by your acts or omissions; or the acts or omissions of those acting on your behalf, but only with respect to:

- (i) **“Your work”** for the additional insured(s) designated in the contract, agreement or permit including "bodily injury" or "property damage" included in the "products - completed operations hazard" only if this Coverage Part provides such coverage;
- (ii) Premises you own, rent, lease, or occupy; or
- (iii) Your maintenance, operation or use of equipment leased to you.

*Definition: **“Your work”** a. Means: (1) Work or operations performed by you or on behalf; and (2) materials, parts or equipment furnished in connection with such work or operations; b. Includes (1) warranties or representations made at any time with respect to the fitness, quality, durability, performance or use of “your work”; and (2) the providing of or failure to provide warnings or instructions.

This provision does not apply:

- (1) Unless the written contract or written agreement has been executed or permit has been issued prior to the "bodily injury", "property damage", "personal injury" or "advertising injury".
- (2) To any person or organization Included as an Insured by an endorsement Issued by us and made part of this Coverage Part.
- (3) To any lessor of equipment (a) After the equipment lease expires; or (b) If the "bodily injury", "property damage", "personal injury" or "advertising injury" arises out of sole negligence of the lessor.
- (4) To any: (a) Owners or other Interests from whom land has been leased which takes place after the lease for the land expires; or (b) Managers or lessors of premises if: (i) The occurrence takes place after you cease to be a tenant in that premises; or (ii) The “bodily injury”, “property damage”, “personal injury” or “advertising injury” arises out of structural alterations, new construction or demolition operations performed by or on behalf of the manager or lessor.
- (5) To “bodily injury”, “property damage” or “personal and advertising injury” arising out of the rendering of or failure to render any professional services.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" or the offense which caused the "personal and advertising injury" involved the rendering of or failure to render any professional services by or for you.

Other Insurance Primary & Non-Contributory

The following paragraph is added to **SECTION III – COMMON POLICY CONDITIONS, H – Other Insurance: Additional Insured – Primary and Non-Contributory**. If you agree in a written contract, written agreement or permit that the insurance provided to any person or organization included as an Additional Insured under **SECTION II – Liability, C. Who is an Insured** is primary and non-contributory, the following applies: If other valid and collectible insurance is available to the Additional Insured for a loss covered under **SECTION II – LIABILITY** of this Coverage Part, our obligations are limited as follows:

- (1) **Primary Insurance:** This insurance is primary to other insurance that is available to the Additional Insured which covers the Additional Insured as a Named Insured. We will not seek contribution from any other insurance available to the Additional Insured except: **(a)** For the sole negligence of the Additional Insured; **(b)** When the Additional Insured is an Additional Insured under another primary liability policy; or **(c)** When **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary.
- (2) **Excess Insurance:**
 - (a)** This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i)** That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

No coverage is provided by this Notice, nor can it be construed to replace any provisions of the policy (including its endorsements). If there is any conflict between this Notice and the policy (including the endorsements), the provisions of the policy (including its endorsements) shall prevail.

- (ii) That is Fire insurance for premises rented to the Additional Insured or temporarily occupied by the Additional Insured with permission of the owner;
- (iii) That is insurance purchased by the Additional Insured to cover the Additional Insured's liability as a tenant for "property damage" to premises rented to the Additional Insured or temporarily occupied by the Additional with permission of the owner; or
- (iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of **SECTION II - LIABILITY. B. Exclusions, 1. Applicable to Business Liability Coverage.**
- (v) That is insurance available to you for your participation in any past or present "unnamed joint venture".
- (vi) That is any insurance you may have that provides coverage for your professional services.

(b) When this insurance is excess, we will have no duty to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(c) When this insurance is excess over other Insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (i) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (ii) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage part.

(3) Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first. If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

Per Project Aggregate

The following changes are made to **SECTION II - LIABILITY**:

1. The following is added to **SECTION II - LIABILITY, D. Liability and Medical Expenses Limits of Insurance**, paragraph 4:
The Aggregate Limits of Insurance apply separately to each of "your projects" or each "location" listed in the Declarations.
2. For the purpose of coverage provided by this endorsement only, the following is added to **SECTION II - LIABILITY, F. Liability and Medical Expenses Definitions**:
 1. "Your project" means:
 - a. Any premises, site or "location" at, on, or in which "your work" is not yet completed; and
 - b. Does not include any "location" listed in the Declarations.
 2. "Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies: **a.** As if each Named Insured were the only Named Insured; and, **b.** Separately to each insured against whom claim is made or "suit" is brought.

Waiver Of Subrogation

The **TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US Condition (Section IV – COMMERCIAL GENERAL LIABILITY CONDITIONS)** is amended by the addition of the following:

We waive any right of recovery we may have against the person or organization *where required by written contract* because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard". This waiver applies only to the person or organization *where required by written contract*.

Notice Of Cancellation

For any statutorily permitted reason other than non-payment of premium, the number of days required for notice of cancellation, as provided in paragraph 2. of either the CANCELLATION Common Policy Condition or as amended by an applicable state cancellation endorsement

AUTHORIZED REPRESENTATIVE

*From Hanover Forms: 391-1003 (08/16); 391-1445 (08/16); 391-1586 (08/16), 391-1003 (08/16)

No coverage is provided by this Notice, nor can it be construed to replace any provisions of the policy (including its endorsements). If there is any conflict between this Notice and the policy (including the endorsements), the provisions of the policy (including its endorsements) shall prevail.

Policy No.: AW39122842

Additional Insured: The State of California, the Trustees of the California State University, the University, and the officers, employees, representatives, and agents of each of them

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – PRIMARY AND NON-CONTRIBUTORY

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

A. The following is added to SECTION II – LIABILITY COVERAGE, Paragraph A.1. Who Is An Insured:

Additional Insured if Required by Contract

If you agree in a written contract, written agreement or written permit that a person or organization be added as an additional “insured” under this Coverage Part, such person or organization is an “insured”; but only to the extent that such person or organization qualifies as an “insured” under paragraph **A.1.c.** of this Section.

If you agree in a written contract, written agreement or written permit that a person or organization be added as an additional “insured” under this Coverage Part, the most we will pay on behalf of such additional “insured” is the lesser of:

- (1) The Limits of Insurance for liability coverage specified in the written contract, written agreement or written permit; or
- (2) The Limits of Insurance for Liability Coverage shown in the Declarations applicable to this Coverage Part.

Such amount shall be part of and not in addition to the Limits of Insurance shown in the Declarations applicable to this Coverage Part. Regardless of the number of covered “autos”, “insureds”, premiums paid, claims made or vehicles involved in the “accident”, the most we will pay for the total of all damages and “covered pollution cost or expense” combined resulting from any one “accident” is the Limit of Insurance for Liability Coverage shown in the Declarations.

B. The following is added to SECTION IV – BUSINESS AUTO CONDITIONS, Paragraph B. General Conditions, subparagraph 5. Other Insurance:

Primary and Non-Contributory

If you agree in a written contract, written agreement or written permit that the insurance provided to a person or organization who qualifies as an additional “insured” under **SECTION II – LIABILITY COVERAGE, Paragraph A.1. Who Is An Insured, subparagraph Additional Insured if Required by Contract** is primary and non-contributory, the following applies:

The liability coverage provided by this Coverage Part is primary to any other insurance available to the additional “insured” as a Named Insured. We will not seek contribution from any other insurance available to the additional “insured” except:

- (1) For the sole negligence of the additional “insured”; or
- (2) For negligence arising out of the ownership, maintenance or use of any “auto” not owned by the additional “insured” or by you, unless that “auto” is a “trailer” connected to an “auto” owned by the additional “insured” or by you; or
- (3) When the additional “insured” is also an additional “insured” under another liability policy.

C. This endorsement will apply only if the “accident” occurs:

1. During the policy period;
2. Subsequent to the execution of the written contract or written agreement or the issuance of the written permit; and
3. Prior to the expiration of the period of time that the written contract, written agreement or written permit requires such insurance to be provided to the additional “insured”.

D. Coverage provided to an additional “insured” will not be broader than coverage provided to any other “insured” under this Coverage Part.

ALL OTHER TERMS, CONDITIONS, AND EXCLUSIONS REMAIN UNCHANGED.

SCHEDULED ADDITIONAL INSURED (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

NAME OF PERSONS OR ORGANIZATIONS:

The State of California, the Trustees of the California State University, the University, and the officers, employees, representatives, and agents of each of them

PROJECT/LOCATION OF COVERED OPERATIONS:

Projects as on file with the insured

PROVISIONS

1. The following is added to SECTION II – WHO IS AN INSURED:

The person or organization shown in the Schedule above is an additional insured on this Coverage Part, but:

- a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
- b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies, or in connection with premises owned by or rented to you.

The person or organization does not qualify as an additional insured:

- c. With respect to the independent acts or omissions of such person or organization; or
- d. For "bodily injury", "property damage" or "personal injury" for which such person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

- e. This insurance does not apply to the rendering of or failure to render any "professional services".
- f. In the event that the Limits of Insurance of the Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement does not increase the limits of insurance described in Section III – Limits Of Insurance.
- g. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to that additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

COMMERCIAL GENERAL LIABILITY

2. The following is added to Paragraph 4.a. of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

The insurance provided to the additional insured shown in the Schedule above is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and non-contributory basis, this insurance is primary to other insurance available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with the other insurance, provided that:

(1) The "bodily injury" or "property damage" for which coverage is sought occurs; and

(2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have signed that "written contract requiring insurance". But this insurance provided to the additional insured still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any other insurance.

3. The following is added to Paragraph 8., **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

We waive any right of recovery we may have against the additional insured shown in the Schedule above because of payments we make for "bodily injury", "property damage" or "personal injury" arising out of "your work" on or for the project, or at the location, shown in the Schedule above, performed by you or on your behalf, done under a "written contract requiring insurance" with that person or organization. We waive this right only where you have agreed to do so as part of the "written contract requiring insurance" with such person or organization signed by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense is committed.

4. The following definition is added to the **DEFINITIONS** Section:

"Written contract requiring insurance" means that part of any written contract with the person or organizations shown in the Schedule above, under which you are required to include that person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

- a. After you have signed that written contract;
- b. While that part of the written contract is in effect; and
- c. Before the end of the policy period.

Policy No.: AW39122842

Additional Insured: The State of California, the Trustees of the California State University, the University, and the officers, employees, representatives, and agents of each of them

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – PRIMARY AND NON-CONTRIBUTORY

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

A. The following is added to SECTION II – LIABILITY COVERAGE, Paragraph A.1. Who Is An Insured:

Additional Insured if Required by Contract

If you agree in a written contract, written agreement or written permit that a person or organization be added as an additional “insured” under this Coverage Part, such person or organization is an “insured”; but only to the extent that such person or organization qualifies as an “insured” under paragraph **A.1.c.** of this Section.

If you agree in a written contract, written agreement or written permit that a person or organization be added as an additional “insured” under this Coverage Part, the most we will pay on behalf of such additional “insured” is the lesser of:

- (1) The Limits of Insurance for liability coverage specified in the written contract, written agreement or written permit; or
- (2) The Limits of Insurance for Liability Coverage shown in the Declarations applicable to this Coverage Part.

Such amount shall be part of and not in addition to the Limits of Insurance shown in the Declarations applicable to this Coverage Part. Regardless of the number of covered “autos”, “insureds”, premiums paid, claims made or vehicles involved in the “accident”, the most we will pay for the total of all damages and “covered pollution cost or expense” combined resulting from any one “accident” is the Limit of Insurance for Liability Coverage shown in the Declarations.

B. The following is added to SECTION IV – BUSINESS AUTO CONDITIONS, Paragraph B. General Conditions, subparagraph 5. Other Insurance:

Primary and Non-Contributory

If you agree in a written contract, written agreement or written permit that the insurance provided to a person or organization who qualifies as an additional “insured” under **SECTION II – LIABILITY COVERAGE, Paragraph A.1. Who Is An Insured, subparagraph Additional Insured if Required by Contract** is primary and non-contributory, the following applies:

The liability coverage provided by this Coverage Part is primary to any other insurance available to the additional “insured” as a Named Insured. We will not seek contribution from any other insurance available to the additional “insured” except:

- (1) For the sole negligence of the additional “insured”; or
- (2) For negligence arising out of the ownership, maintenance or use of any “auto” not owned by the additional “insured” or by you, unless that “auto” is a “trailer” connected to an “auto” owned by the additional “insured” or by you; or
- (3) When the additional “insured” is also an additional “insured” under another liability policy.

C. This endorsement will apply only if the “accident” occurs:

1. During the policy period;
2. Subsequent to the execution of the written contract or written agreement or the issuance of the written permit; and
3. Prior to the expiration of the period of time that the written contract, written agreement or written permit requires such insurance to be provided to the additional “insured”.

D. Coverage provided to an additional “insured” will not be broader than coverage provided to any other “insured” under this Coverage Part.

ALL OTHER TERMS, CONDITIONS, AND EXCLUSIONS REMAIN UNCHANGED.

The following policy language is from Businessowners General Liability Coverage Part

NAMED INSURED: P2S Inc.
P2S Engineering, Inc.

POLICY NUMBER: OB39144846

Additional Insured: The State of California, the Trustees of the California State University, the University, and the officers, employees, representatives, and agents of each of them

The following are mandatory forms on the policy identified on the Certificate of Insurance:

391-1586 (08-16) BUSINESSOWNERS GENERAL LIABILITY SUPPLEMENTARY ENDORSEMENT
Additional Insured by Contract, Agreement or Permit

A. **Section II – Liability, C** – Who is an insured is amended to include as an additional insured any person or organization with whom you agreed in a written contract, written agreement or permit but only respect to liability for “bodily injury”, “property damage” or “personal and advertising injury” caused, in whole or in part, by your acts or omissions; or the acts or omissions of those acting on your behalf, but only with respect to:

- (i) **“Your work”** for the additional insured(s) designated in the contract, agreement or permit including "bodily injury" or "property damage" included in the "products - completed operations hazard" only if this Coverage Part provides such coverage;
- (ii) Premises you own, rent, lease, or occupy; or
- (iii) Your maintenance, operation or use of equipment leased to you.

*Definition: **“Your work”** a. Means: (1) Work or operations performed by you or on behalf; and (2) materials, parts or equipment furnished in connection with such work or operations; b. Includes (1) warranties or representations made at any time with respect to the fitness, quality, durability, performance or use of “your work”; and (2) the providing of or failure to provide warnings or instructions.

This provision does not apply:

- (1) Unless the written contract or written agreement has been executed or permit has been issued prior to the "bodily injury", "property damage", "personal injury" or "advertising injury".
- (2) To any person or organization Included as an Insured by an endorsement Issued by us and made part of this Coverage Part.
- (3) To any lessor of equipment (a) After the equipment lease expires; or (b) If the "bodily injury", "property damage", "personal injury" or "advertising injury" arises out of sole negligence of the lessor.
- (4) To any: (a) Owners or other Interests from whom land has been leased which takes place after the lease for the land expires; or (b) Managers or lessors of premises if: (i) The occurrence takes place after you cease to be a tenant in that premises; or (ii) The “bodily injury”, “property damage”, “personal injury” or “advertising injury” arises out of structural alterations, new construction or demolition operations performed by or on behalf of the manager or lessor.
- (5) To “bodily injury”, “property damage” or “personal and advertising injury” arising out of the rendering of or failure to render any professional services.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" or the offense which caused the "personal and advertising injury" involved the rendering of or failure to render any professional services by or for you.

Other Insurance Primary & Non-Contributory

The following paragraph is added to **SECTION III – COMMON POLICY CONDITIONS, H – Other Insurance: Additional Insured – Primary and Non-Contributory**. If you agree in a written contract, written agreement or permit that the insurance provided to any person or organization included as an Additional Insured under **SECTION II – Liability, C. Who is an Insured** is primary and non-contributory, the following applies: If other valid and collectible insurance is available to the Additional Insured for a loss covered under **SECTION II – LIABILITY** of this Coverage Part, our obligations are limited as follows:

- (1) **Primary Insurance:** This insurance is primary to other insurance that is available to the Additional Insured which covers the Additional Insured as a Named Insured. We will not seek contribution from any other insurance available to the Additional Insured except: **(a)** For the sole negligence of the Additional Insured; **(b)** When the Additional Insured is an Additional Insured under another primary liability policy; or **(c)** When **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary.
- (2) **Excess Insurance:**
 - (a)** This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i)** That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

No coverage is provided by this Notice, nor can it be construed to replace any provisions of the policy (including its endorsements). If there is any conflict between this Notice and the policy (including the endorsements), the provisions of the policy (including its endorsements) shall prevail.

- (ii) That is Fire insurance for premises rented to the Additional Insured or temporarily occupied by the Additional Insured with permission of the owner;
- (iii) That is insurance purchased by the Additional Insured to cover the Additional Insured's liability as a tenant for "property damage" to premises rented to the Additional Insured or temporarily occupied by the Additional with permission of the owner; or
- (iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of **SECTION II - LIABILITY. B. Exclusions, 1. Applicable to Business Liability Coverage.**
- (v) That is insurance available to you for your participation in any past or present "unnamed joint venture".
- (vi) That is any insurance you may have that provides coverage for your professional services.

(b) When this insurance is excess, we will have no duty to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(c) When this insurance is excess over other Insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (i) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (ii) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage part.

(3) Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first. If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

Per Project Aggregate

The following changes are made to **SECTION II - LIABILITY**:

1. The following is added to **SECTION II - LIABILITY, D. Liability and Medical Expenses Limits of Insurance**, paragraph 4:
The Aggregate Limits of Insurance apply separately to each of "your projects" or each "location" listed in the Declarations.
2. For the purpose of coverage provided by this endorsement only, the following is added to **SECTION II - LIABILITY, F. Liability and Medical Expenses Definitions**:
 1. "Your project" means:
 - a. Any premises, site or "location" at, on, or in which "your work" is not yet completed; and
 - b. Does not include any "location" listed in the Declarations.
 2. "Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies: **a.** As if each Named Insured were the only Named Insured; and, **b.** Separately to each insured against whom claim is made or "suit" is brought.

Waiver Of Subrogation

The **TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US Condition (Section IV – COMMERCIAL GENERAL LIABILITY CONDITIONS)** is amended by the addition of the following:

We waive any right of recovery we may have against the person or organization *where required by written contract* because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard". This waiver applies only to the person or organization *where required by written contract*.

Notice Of Cancellation

For any statutorily permitted reason other than non-payment of premium, the number of days required for notice of cancellation, as provided in paragraph 2. of either the CANCELLATION Common Policy Condition or as amended by an applicable state cancellation endorsement

BLANKET ADDITIONAL INSURED – PRIMARY AND NON-CONTRIBUTORY

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

A. The following is added to SECTION II – LIABILITY COVERAGE, Paragraph A.1. Who Is An Insured:

Additional Insured if Required by Contract

If you agree in a written contract, written agreement or written permit that a person or organization be added as an additional “insured” under this Coverage Part, such person or organization is an “insured”; but only to the extent that such person or organization qualifies as an “insured” under paragraph **A.1.c.** of this Section.

If you agree in a written contract, written agreement or written permit that a person or organization be added as an additional “insured” under this Coverage Part, the most we will pay on behalf of such additional “insured” is the lesser of:

- (1) The Limits of Insurance for liability coverage specified in the written contract, written agreement or written permit; or
- (2) The Limits of Insurance for Liability Coverage shown in the Declarations applicable to this Coverage Part.

Such amount shall be part of and not in addition to the Limits of Insurance shown in the Declarations applicable to this Coverage Part. Regardless of the number of covered “autos”, “insureds”, premiums paid, claims made or vehicles involved in the “accident”, the most we will pay for the total of all damages and “covered pollution cost or expense” combined resulting from any one “accident” is the Limit of Insurance for Liability Coverage shown in the Declarations.

B. The following is added to SECTION IV – BUSINESS AUTO CONDITIONS, Paragraph B. General Conditions, subparagraph 5. Other Insurance:

Primary and Non-Contributory

If you agree in a written contract, written agreement or written permit that the insurance provided to a person or organization who qualifies as an additional “insured” under **SECTION II – LIABILITY COVERAGE, Paragraph A.1. Who Is An Insured, subparagraph Additional Insured if Required by Contract** is primary and non- contributory, the following applies:

The liability coverage provided by this Coverage Part is primary to any other insurance available to the additional “insured” as a Named Insured. We will not seek contribution from any other insurance available to the additional “insured” except:

- (1) For the sole negligence of the additional “insured”; or
- (2) For negligence arising out of the ownership, maintenance or use of any “auto” not owned by the additional “insured” or by you, unless that “auto” is a “trailer” connected to an “auto” owned by the additional “insured” or by you; or
- (3) When the additional “insured” is also an additional “insured” under another liability policy.

C. This endorsement will apply only if the “accident” occurs:

1. During the policy period;
2. Subsequent to the execution of the written contract or written agreement or the issuance of the written permit; and
3. Prior to the expiration of the period of time that the written contract, written agreement or written permit requires such insurance to be provided to the additional “insured”.

D. Coverage provided to an additional “insured” will not be broader than coverage provided to any other “insured” under this Coverage Part.

ALL OTHER TERMS, CONDITIONS, AND EXCLUSIONS REMAIN UNCHANGED.
