7. Old Business: CO Responses to spring APEP resolutions
 - a) **AS-3457-21/APEP - [Endorsement and Adoption of General Education B4 Mathematics/Quantitative Reasoning Course Guidelines and Principles](#)**
Response: The recently updated policy on CSU GE Breadth did not alter the language in Subarea B4. The inclusion of more specific guidelines for the areas and subareas of CSU GE Breadth is a campus-based decision. This resolution refers to the guiding notes we share with California Community College colleagues to assist them in planning and advising. The guiding notes do not represent a policy document and do not set standards for CSU campuses.
 - b) **AS-3478-21/APEP – [Concerns About Common Transfer Pathways across the CCC, CSU, and UC \(Re: AB 928 Berman -- Student Transfer Achievement Reform Act of 2021: Associate Degree for Transfer Intersegmental Implementation Committee\)](#)**
Response: pending
 - c) **AS-3481-21/APEP – [Concerns About Dual Admissions Legislation](#)**
Response: pending

Response: pending
 - f) **AS-3488-21/APEP:** [Solicitation for Membership in a FDRG for Ethnic Studies](#)
Response: We support the ASCSU effort to recruit faculty for an FDRG in the area of Ethnic Studies. We also want to emphasize the distinction between this effort to develop an Associate Degree for Transfer (ADT) in order to create a pathway to an Ethnic Studies degree, and the separate process for the articulation review and approval of General Education courses from California Community Colleges.
