JEDI Group Agreements and Interruption Practice Statement:

- Be brave
- Be open to dialogue
- Share your opinion and perspective
- Listen and question to understand more deeply
- Don't take yourself too seriously
- Disagreement is okay (disagree without being disagreeable)
- Move up and/or move back (make space for others)
 - [Interruption Practice Statement](#)

As part of our continuing commitment to an environment where equity, diversity and racial/social justice may thrive, when we experience examples of racial narratives, racism, whiteness or misogyny in our meetings, or as we conduct our business, we will speak up. This means we can interrupt the meeting and draw the issue to one another's attention. We will do this kindly, with care and in good faith. Further, as we engage interruptions we will take an intersectional approach, reflecting the fact that white supremacy, racism and misogyny operate in tandem with interlocking systems of oppression of colonialism, class, cisheteropatriarchy, and ableism, among others.
