## Collective Bargaining Agreement Extension

The California State University (CSU) and the International Union of Operating Engineers, Stationary Engineers Local 39, AFL-CIO (IUOE) (collectively "Parties") hereby agree to the following:

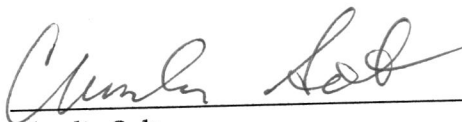

The Collective Bargaining Agreement (CBA) between the parties expired on June 30, 2020, and was extended to June 30, 2021, and subsequently extended so that the Parties can continue negotiating a successor CBA. The Parties reached a Tentative Agreement (TA) to a successor CBA on October 15, 2021. To allow time for the Parties to ratify the TA, the Parties hereby agree to extend all terms and conditions of the CBA through December 1, 2021, unless the Parties ratify the successor CBA before this date.
