

**MEMORANDUM OF UNDERSTANDING  
INTERDISCIPLINARY TEACHING ASSOCIATES**

The parties agree to modify the language that appears in Coded Memorandum HR 2005-30, paragraph 3.

The Teaching Associate classifications are limited to degree-seeking graduate students in the academic department in which they are employed to perform instruction and who are employed because they are degree-seeking students in that department. Degree-seeking graduate students who are enrolled in interdisciplinary degree programs may be hired as Teaching Associates for departments that comprise their interdisciplinary programs. Teaching Associates must be registered in a CSU graduate degree program and must be enrolled in courses towards the completion of that graduate degree during the teaching associate appointment period. This includes students enrolled in CSU courses through CSU extension, if the courses are taken for credit toward completion of the CSU graduate degree. The Teaching Associate classifications also are available for graduate students enrolled in courses during the summer and for graduate students who will be continuing their enrollment in the fall term. Students enrolled in credential programs and students enrolled in graduate programs outside the CSU are not eligible for this classification.
