ARTICLE 2

APPOINTMENTS, POSTING AND NOTIFICATION

Posting of Appointment Opportunities

- 2.1 The University shall create and maintain a central website on each campus and shall post information on it regarding open hire bargaining unit employee positions when these positions become available. Open hire positions are those positions available for currently enrolled or admitted students that are not used to fulfill a commitment of support made to a student (a) at the time of admission or (b) under an existing advising relationship with a faculty member(s). The University may update or edit this information as appropriate.
- 2.2 By April 1st of each year, the University shall post a summary of bargaining unit positions by department or hiring unit and classification that were filled in that academic year. The University shall notify the Union of the link to the summary of bargaining unit positions.
- 2.3 All postings shall contain the following information:
1. An employment non-discrimination statement.
 2. A general description of the duties performed by each of the classifications covered by the agreement.
 3. The “minimum qualifications” by classification as established by and at the sole discretion of the University.
 4. A statement indicating that exceptions to the minimum eligibility qualifications may be granted at the sole discretion of the University.
 5. Application procedures or hiring unit contact person for bargaining unit positions.
 6. Hiring criteria for each classification.
 7. Percentage or hours of appointment, when known.
 8. Deadlines for application and procedures for notification.

- 2.4 The determination of the above information shall be made by the University. Once the University has determined the hiring criteria, they shall not be modified to be more restrictive within the same hiring period.
- 2.5 Departments or other hiring units may also post information regarding open hire positions. Departments or other hiring units may, when necessary, make emergency appointments. For the purpose of this Article an emergency situation is one in which the beginning of the appointment period must begin less than a week after the position is posted.

Appointment Notification

- 2.6 The CSU may make appointments at any time and for any duration. Appointments of Teaching Associates and Graduate Assistants may be made at any time-base. Appointments of Instructional Student Assistants may be made for range of hours over a term(s). Substitute Teaching Associate assignments shall be made for a range of hours, and shall be compensated at the employee's existing hourly rate. Substitute Teaching Associate appointments shall be made from qualified Unit 11 employees who have notified the Department Chair that they are available for appointment as a Substitute Teaching Associate during the period of their primary appointment.
- 2.7 As soon as a hiring decision has been made, and prior to the start of the appointment, the University shall provide written notice of the appointment or reappointment in paper or electronic format to the affected individual.
- 2.8 The notice will include, but not be limited to: the applicable appointment title, appointment time-base percentage (or range of hours), effective dates, salary/wages, health and other applicable benefits and deductions, and tuition and fee waiver or exemption information, department or equivalent unit, department or equivalent unit contact information, response requirements if any, a statement that the position is covered by the collective bargaining agreement between the parties, the collective bargaining agreement's website address, a website address with UAW 4123 contact information and a systemwide website that provides information regarding the requirement and nature of the California Loyalty Oath.
[Note: This website shall include FAQs and a statement that swearing to uphold the California Constitution does not require the employee to engage in violence.]
- 2.9 Prior to the commencement of the term or as soon as practicable thereafter, the University shall provide the ASE the following information:

- a. the faculty member or supervisor to whom the individual will report,
- b. the location where the work will be performed,
- c. the class assigned, if applicable,
- d. the time and place of any applicable orientations,
- e. the specific duties and expectations of the appointment as detailed in the form in Appendix F or a campus-based form that contains at least the same information. The University may include estimated time for effective completion of each duty.

The University shall provide advance notice when the above referenced duties are changed significantly. Such changes will be confirmed in writing.

- 2.10 No employee shall be deemed appointed in the absence of an official written notification from the President and the bargaining unit employee's acceptance within the timelines established by the notification. The bargaining unit employee shall have fourteen (14) days from date of written notification to accept the appointment.

Conditions of Appointment

- 2.11 The duration, terms and conditions of an employee's appointment will be specified in the appointment notification. The appointment notification shall state that the appointment automatically expires at the end of the period stated and does not establish an obligation for a subsequent appointment. No other notice shall be provided.
- 2.12 Appointments may be provided for any duration, including multiple academic terms (semesters, quarters). The University will guarantee employment during the first term of appointment. If an appointment is for more than one academic term, employment in academic terms after the first term of the appointment may be conditioned upon budget or enrollment. If an individual receives and accepts a non-conditional appointment, and the position offered and accepted is no longer available, the CSU will ensure that the employee:
- a. is placed in an appointment at the same level of compensation for the academic term(s) stated in the appointment notification, or
 - b. receives the same compensation in lieu of the position for the academic term(s) stated in the appointment notification.

- 2.13 An employee may be reassigned by the CSU due to the operational needs of the CSU upon written notice. The CSU shall determine its operational needs, including the quality of its instructional and research activities. Any reassignment must be to another position with the same compensation.
- 2.14 As a condition of employment, all employees must remain academically eligible. In the event the employee becomes academically ineligible, the employee may be removed without pay from or returned to said appointment as set forth below.
- a. Within the first five (5) weeks of an academic term, the University may, at its sole discretion, remove an employee who has become academically ineligible.
 - b. If a bargaining unit employee regains academic eligibility, the University shall determine in its sole discretion whether or not to reinstate the bargaining unit employee. Reinstatement, if any, shall be at the level of employment held prior to removal.
- 2.15 If a student is otherwise eligible for employment as an academic student employee, the University shall not limit the opportunity to apply for a vacant position based on (a) the number of academic units in which the employee is enrolled, or (b) the number of terms of prior employment as an academic student employee, except as necessary to comply with state or federal regulations and/or accreditation requirements.

Formal Procedure Step 2 – Office of the Chancellor

- 10.15 If the grievance remains unresolved following Formal Step 1, the grievance may be filed at Step 2 with the designated individual in the Office of the Chancellor within 14 calendar days of the filing of a grievance response at Formal Step 1. The Union shall request a meeting be held between the Union representative and the designated individual in the Office of the Chancellor to attempt to resolve the grievance within 14 calendar days of filing the grievance appeal. The resolution of a grievance at Step 2 shall not set a precedent and must be consistent with the terms of this agreement.

- 10.16 Amendments and/or modifications to a grievance or to a grievance response, including new claims, issues, alleged contract violations and/or the raising of an arbitrability defense, shall not be made by the grievant or the CSU after the Formal Step 2 response, and therefore shall not be considered in arbitration, except for good cause.

Formal Procedure Step 3 - Arbitration

- 10.17 If the grievance remains unresolved following Formal Step 2, the grievance may be filed at Step 3 with the designated individual in the Office of the Chancellor within 42 calendar days of the filing of a grievance response at Formal Step 2. An appeal to arbitration may only be made by the Union.

- 10.18 The following arbitrator panels shall serve in rotation order unless agreed otherwise:

Northern California Cases

Southern California Cases

Anne Ellis

Katherine Thomson

Carol Vendrillo

- 10.19 Unless the specific language of the Agreement is in conflict, the arbitration procedure shall be conducted in accordance with the rules of the AAA.

- 10.20 Grievances with continuing financial back pay liability, and grievances alleging an unsafe work environment, shall be scheduled for hearing in arbitration in the chronological order of their appeal to arbitration, prior to both the scheduling of any grievances with no continuing financial back pay liability, or any grievance which does not allege an unsafe work environment. The parties recognize that from time to time it may be in the interest of both parties by mutual agreement to schedule cases for arbitration in other than chronological order. Absent such mutual agreement, arbitration hearings shall be scheduled in the same chronological order in which each case was appealed to arbitration.

- 10.21 The Union shall request that a grievance be scheduled for hearing in arbitration. Any grievance filed into arbitration shall be considered withdrawn if the parties have not, within twelve (12) months of the date of filing to arbitration, agreed upon a date and scheduled the case for hearing with the arbitrator assigned to the case. This provision shall be extended for an additional thirty (30) days at a time, in cases where the Union has agreed to dates proposed by an arbitrator which are unacceptable to the CSU, or in cases where the CSU has not responded to the dates proposed by the Union.

- 10.22 No later than ten (10) days prior to the date of an arbitration hearing the parties shall attempt to confirm any issue(s) to be raised, exchange proposed issue statements, formulate a joint statement of issue, exchange the names of all anticipated witnesses, and provide (and identify as exhibits) copies of all documents anticipated to be entered into evidence. The failure to exchange the aforementioned information on proposed issues, witnesses and documents prior to the arbitration hearing shall not preclude their consideration by the arbitrator.
- 10.23 The arbitrator's award shall be based solely upon the evidence and arguments appropriately presented by the parties in the hearing and upon any post-hearing briefs.
- 10.24 The arbitrator shall have no authority to add to, subtract from, modify, or amend the provisions of this Agreement.
- 10.25 A final decision or award of the arbitrator shall be made within thirty (30) calendar days after the close of the hearing. Such decision or award shall be binding upon the Union, the CSU, and the employee(s) affected thereby.
- 10.26 The cost of the arbitration, excluding unilateral withdrawal, unilateral postponement, or unilateral cancellation fees, shall be borne equally by the parties. Expenses for witnesses shall be borne by the party who calls them. Each party shall bear the cost of its advocate.
- 10.27 Arbitration hearings shall be held at the campus for grievances filed at a CSU campus, and arbitration hearings shall be held on an alternating basis between the Office of the Chancellor and the Pico Rivera Union office for grievances agreed upon by the parties to be systemwide issues. The parties may mutually agree to schedule such cases at other locations.
- 10.28 The standard of review for the arbitrator is whether the CSU violated, misapplied, or misinterpreted a specific term(s) of this Agreement.
- 10.29 If an arbitrability question exists, the arbitrator shall determine the arbitrability question prior to hearing the formal presentations of the parties on the merits of the grievance.
- 10.30 An arbitrator's award may or may not be retroactive as the equities of each case may demand, but in no case shall an award be retroactive to a date earlier than thirty (30)

days prior to the date the grievance was initially filed in accordance with this Article or the date on which the act or omission occurred.

General Provisions

- 10.31 Upon the request of the Union or the CSU, the other party shall supply a current list of its designated representatives for handling grievances at a campus or by the Office of the Chancellor.

- 10.33 Failure to file a grievance within the time limits at any step of the grievance procedure shall render the grievance null and void and no new grievance may be filed or processed on the matters grieved.
- 10.34 If the Union refuses to agree to schedule or attend a required meeting at any step of the grievance procedure, then the Union may not advance the grievance to the next level.
- 10.35 If the University refuses to agree to schedule or attend a required meeting at any step of the grievance procedure, then the Union may advance the grievance to the next level.
- 10.36 The failure to file a response to, or meet about, a grievance at any step of the grievance procedure within the specified time limit shall permit the grievant to appeal the grievance to the next step of the procedure within 14 calendar days of when the response was due.
- 10.37 The parties, by mutual written agreement, may agree to extend any time limit or waive any meeting, response or requirement of the grievance procedure.
- 10.38 The settlement of a grievance shall not set a precedent unless the parties expressly provide in that settlement that they have agreed to do so.
- 10.39 Offers of settlement are inadmissible at any step of the grievance or arbitration procedures.

- 10.40 The parties, by mutual written agreement, may agree to consolidate two or more grievances.

No resolution of any individually processed grievance shall be inconsistent with the terms of this Agreement. The University will not agree to a resolution of the grievance until the Union has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.

Release Time

- 10.42 If it is necessary that grievance meetings take place during work time, the University shall provide release time to all Union representatives and grievants to participate fully in all aspects of the grievance process, including representation, preparation and presentation, as follows:
- a. Prior to filing a grievance, the potential grievant and representative, if any, shall each be provided with one (1) hour release time for grievance preparation and reasonable time for grievance presentation at the informal level.
 - b. After the grievance has been filed, a representative and the grievant shall be provided reasonable release time for the purpose of preparation and presentation of the grievance.
- 10.43 Representatives and potential grievants shall contact the appropriate administrator if release time is required under this provision. The appropriate administrator shall grant the contractually specified release time after considering the needs of the operation of the University. Requests for release time shall include: (1) the time and location of the meeting; and (2) the anticipated duration of the meeting.

Only donated vacation credits may be used for such family care catastrophic leave. Immediate family members shall be defined in accordance with the definition contained in the sick leave provisions of the collective bargaining Agreement covering the recipient employee.

ARTICLE 21

SUMMER EMPLOYMENT FOR TAS

21.1 A matriculated graduate student may be appointed to summer term employment as a Teaching Associate separate from an academic year appointment, regardless of whether the graduate student is enrolled for the summer term.

21.2 The contract in its entirety applies to summer Teaching Associate's, except as modified below:

a. Appointments, Posting, Notification

All of Article 2, Appointments, Posting and Notification shall apply except 2.7 and 2.12. The following provisions will apply instead:

1. Appointment Notification: Following the hiring decision, the employee will receive a written notice of appointment or reappointment in paper or electronic format (e.g. email or website) no less than thirty (30) days before the start of the appointment. In cases in which a position becomes available less than thirty (30) days before the commencement of the appointment, the aforementioned notice shall be provided as soon as practicable after the decision is made.
2. Conditions of Appointment: The President may cancel classes based on budget or enrollment. If an appointment is cancelled or reduced based on budget or enrollment, the Teaching Associate shall be compensated on a pro-rata basis for any classes taught.

b. Holidays

Those holidays in Article 12, Holidays that fall during summer session shall be observed on the day and in the manner specified.

c. Salary Rate

All of Article 18, Salary, shall apply.

Except on campuses with quarter system year-round operations (QSYRO), the basis for the appointment shall be the number of Weighted Teaching Units (WTU) assigned. The University will rely on existing practices in determining the number of WTU to be credited.

On campuses operating on the semester calendar, including CSU Stanislaus, compensation for Teaching Associates who held appointments as Teaching Associates during the immediately preceding academic year will be based on the

salary during the immediately preceding academic year using the following formula:

$$\text{Salary per WTU} = \text{annual full-time equivalent salary}/30.$$

On campuses operating on a quarter calendar (other than QSYRO campuses), compensation for Teaching Associates who held appointments as Teaching Associates during the immediately preceding academic year will be based on the salary during the immediately preceding academic year using the following formula:

$$\text{Salary per WTU} = \text{annual full-time equivalent salary}/45$$

On campuses with quarter system year-round operations (QSYRO campuses), compensation for Teaching Associates who held appointments as Teaching Associates during the academic year, the summer quarter payment will be equal to one-third of the prior academic year salary for the equivalent time base.

An individual who did not have an appointment as a Teaching Associate in the prior academic year may be appointed at any salary within the appropriate summer classification and range.

For a 6 week summer session on a semester campus, an assignment of 6 WTU is equal to a 1.0 time base. This equation applies proportionally to summer sessions of different lengths.

Payments shall be made monthly until conclusion of the summer session in which the work occurred. The University will create a new salary classification to accommodate summer appointments.

ARTICLE 22

TRAINING

- 22.1 All required training and orientation undertaken during the term of the appointment shall be considered part of the workload for the term, Exceptions will include mandatory coursework for: a) accreditation requirements; b) approved curricular requirements; and c) required training per University Executive Orders. Reimbursement shall be made by UAW no later than thirty (30) calendar days from its receipt of the CSU certification of payment of compensation to the employee. The parties agree that failure to reimburse the CSU within thirty (30) calendar days may result in the denial of any subsequent requests for leave under this provision until all delinquent payments have been made.

ARTICLE 24

UNION SECURITY

24.1 It is the intent of this Article to provide that payroll deductions for Union members and non-members be deducted from their pay warrants insofar as permitted by Government Code Section 1153 and as mandated by HEERA. The State Controller's Office (SCO) will assess the normal service fee for each deduction processed.

Union Dues, Assessments, Initiation Fees

24.2 The CSU/SCO agrees to deduct and transmit to the Union all authorized deductions (dues, assessments, initiation fees) from Union members within Bargaining Unit 11 who have signed and approved authorization cards for such deduction on file with the Union.

24.3 As provided in HEERA, employees shall be free to join or not join the Union.

Fair Share Fees

24.4 The CSU/SCO agrees to deduct and transmit to the Union fair share fee deductions for all non-Union members within Bargaining Unit 11.

24.5 The Union membership ratification of this agreement shall constitute notice to the University and the SCO that the Union has implemented the provisions of Section 3583.5 (a)(1) of the Government Code providing for fair share service fee collection. The amount of authorized Union deductions and fair share fees deductions shall be communicated in writing to the SCO in accordance with SCO procedures. Changes in the amounts of authorized Union deductions and fair share fees deductions shall be made upon written request by the Union to the SCO in accordance with SCO procedures.

24.6 It is recognized by the parties that the CSU/SCO does not currently have the ability to compute dues and fair share fees in the standard method of the Union (a percentage of gross pay). Thus, the obligation to make deductions herein shall be implemented, instead, by deduction in specific dollar amounts specified by the Union. Effective upon ratification of this agreement by both parties, the amounts of Union dues shall be:

TA \$15.52/month

GA 11.85/month

ISA \$6.70/month

24.7 The foregoing Union dues amounts and the Fair Share Fee amounts are subject to modification on written notice from the Union to reflect wage increases in the collective bargaining agreement and/or changes in the requirements of the UAW constitution or Local Union Bylaws. When the CSU/SCO becomes capable of computing and deducting dues and fair share fees using a fixed percentage of gross pay, the Union shall be notified and the CSU/SCO shall deduct dues and fair share fees on that basis.

24.8 Monies withheld will be reported and remitted on a semi-monthly basis to the Union by the SCO in accordance with SCO procedures.

Remedial Deductions

24.9 Should the CSU/SCO fail to deduct either fair share fees or Union dues from a Unit 11 employee, the CSU/SCO shall make a remedial deduction from such employees' earnings during the subsequent monthly payroll cycle. These monies will be remitted to the UAW per 24.8.

24.10 In the event that any remedial deduction is not made and transmitted in accordance with 24.9, the parties shall meet to discuss how the error occurred and what the appropriate remedy should be.

24.11 The CSU will not be financially responsible for payment of remedial dues, initiation fees or fair share fees whenever good faith steps have been taken to make and transmit remedial deductions pursuant to 24.9 and 24.10. This provision expires upon implementation of the SCO's new payroll system (currently referred to as the 21st Century Project or the MyCalPAYS system).

24.12 The Union agrees to indemnify, defend and hold the CSU/SCO harmless against any claim, of any nature, and against any suit instituted against the CSU/SCO, arising from its payroll deductions of the Union authorized deductions and fair share fee deductions.

VCAP Check-Off

24.13 For employees who voluntarily choose to authorize deductions from their payroll warrants to fund political activity via the Union's VCAP deduction, that amount will be added to the dues or fair share amount as processed by the SCO.

24.14 The provisions of HEERA shall govern the deduction of authorized Union deductions and Fair Share Fees following the expiration of this Agreement.

24.15 The University and the Union will develop additional mutually agreeable administrative procedures if necessary to be consistent with SCO procedures.

24.16 A CSU/UAW working group shall meet on a quarterly basis to discuss issues relating to deduction and transmission of dues, assessments, and initiation fees and/or any other issues arising under the terms of this Article. CSU shall be represented in these meetings by the Associate Vice Chancellor (Labor Relations) and other CSU representatives as assigned.

When an absence without pay of more than eleven (11) consecutive working days falls into two (2) consecutive qualifying pay periods, one (1) of the pay periods is disqualified.

When authorized to do so by the appropriate administrator, a Teaching Associate may take vacation without submitting such a request.

APPENDICES

APPENDIX A

CSU-UAW Agreement

A. Recognition and Certification of UAW

The California State University ("CSU") agrees to withdraw any objections to PERB processing Petition Number LA-RR-1099-H without the need for a hearing, subject to the following conditions.

1) PERB determines, pursuant to HEERA, that the California Alliance of Academic Student Employees/International Union, United Automobile, Aerospace and Agricultural Implement Workers of America ("UAW") has a sufficient showing of support in order to be recognized as the exclusive bargaining representative of the employees in the bargaining unit defined in paragraph C below.

2) PERB certifies the UAW as exclusive bargaining agent for employees in the bargaining unit defined in paragraph C below.

Once these conditions are satisfied, CSU will recognize the UAW as the exclusive bargaining agent for employees in the bargaining unit certified by PERB and begin the HEERA bargaining process.

B. New Instructional Student Assistant Classification

The parties recognize that Student Assistants may work in just one individual department or equivalent organizational unit or more than one individual department or equivalent organizational unit on a CSU campus.

The CSU shall create the new classification "Instructional Student Assistant." The Classification Standard is attached and incorporated by reference. A Student Assistant shall be classified as an Instructional Student Assistant in an individual department or equivalent organizational unit if he/she performs grading, tutoring or instruction for a majority of his/her work hours during the duration of the academic term in that individual department or equivalent organizational unit on a CSU campus. A Student Assistant classified as an Instructional Student Assistant shall not be reclassified for the duration of the entire academic term.

Additionally, in cases where a Student Assistant has more than one simultaneous separate appointment in an individual department or equivalent organizational unit, each appointment shall be classified separately. The Student Assistant shall be classified to an Instructional Student Assistant in each separate appointment for which he/she performs grading, tutoring or instruction for a majority of his/her work hours during the duration of the academic term in the individual department or equivalent organizational unit on a CSU campus.

C. Definition of Bargaining Unit

There will be a single statewide bargaining unit for UAW-represented employees and it shall include employees in the following classifications:

1. Teaching Associate (except as excluded pursuant to paragraph D below),
2. Instructional Student Assistant, (except as excluded pursuant to paragraph D below), and
3. Graduate Assistant

D. Status of Teaching Associates and Instructional Student Assistants

The parties agree that in the event that PERB (in case numbers LA-UM-723-H, LA-UM-726-H and/or LA-UM-727-H) makes a final and binding determination that certain or all Teaching Associates (TAs) or Instructional Student Assistants (ISAs) shall be properly included in the bargaining units represented by the California Faculty Association (CFA), the Academic Professionals of California (APC) and/or the California State Employees Association (CSEA) said employees will be excluded from the UAW unit and the UAW will disclaim interest in said employees.

The CSU shall maintain the position it has taken in regard to the above referenced petitions before PERB. That CSU position regarding CFA is defined in the May 12, 2004 letter from the CSU to PERB and subsequent briefs. The CSU position regarding APC is defined in the April 2, 2004 and June 7, 2004 letters from CSU to PERB, except that the CSU has now reached agreement to include ISAs in the UAW bargaining unit defined in Section C. The CSU position regarding CSEA is defined in the April 9, 2004 and June 7, 2004 letters from CSU to PERB, except that the CSU has now reached agreement to include ISAs in the UAW bargaining unit defined in Section C.

E. Hold Harmless

In consideration for the CSU's voluntary recognition of the UAW as the exclusive representative of employees in the bargaining unit defined in paragraph C prior to final determination of the pending unit clarification/modification petitions, the UAW agrees to indemnify and hold the CSU harmless for monetary remedies required to be paid by the CSU in any cause of action brought by a TA or an ISA or CFA, APC or CSEA seeking reimbursement of improperly collected agency fees as a result of an adverse final ruling in any of the pending petitions that have been filed by the CFA (LA-UM-723-H) the APC (LA-UM-726-H), and/or the CSEA (LA-UM-727-H).

The UAW shall be under no obligation to reimburse the CSU for attorney fees or other costs other than the monetary remedies described above. Nothing in this agreement waives the UAW position that the petitions in LA-UM-723H, LA-UM-

726-H and LA-UM-727-H should be dismissed because CFA, APC and CSEA failed to intervene in the instant matter.

F. Establishment of New Bargaining Unit Information in the State Controller's Office Database

The CSU shall recognize the UAW as soon as this Agreement is ratified by the CSU Board of Trustees and the UAW by no later than September 14, 2004, and the UAW is certified by PERB. In order to comply with the requirements of the State Controller's Office, the parties acknowledge that the UAW bargaining unit code will be established effective October 1, 2004.

B. New Instructional Student Assistant Classification

The parties recognize that Student Assistants may work in just one individual CSU department or equivalent organizational unit or more than one individual CSU department or equivalent organization unit.

The CSU shall create a new classification “Instructional Student Assistant.” The Classification Standard is attached and incorporated by reference. A Student Assistant shall be classified as an Instructional Student Assistant in an individual CSU department or equivalent organizational unit if he/she performs grading, tutoring or instruction for a majority of his/her work hours during the duration of the academic term in that individual CSU department or equivalent organizational unit regardless of whether the work is performed on or off a CSU campus. A Student Assistant classified as an Instructional Student Assistant shall not be reclassified for the duration of the entire academic term.

Additionally, in cases where a Student Assistant has more than one simultaneous separate appointment in an individual CSU department or equivalent organizational unit, each appointment shall be classified separately. The Student Assistant shall be classified to an Instructional Student Assistant in each separate appointment for which he/she performs grading, tutoring or instruction for a majority of his/her work hours during the duration of the academic term in the individual CSU department or equivalent organizational unit regardless of whether the work is performed on or off a CSU campus.

APPENDIX D

Graduate Assistant Salary Side-letter

Upon ratification of the Unit 11 Agreement by the CSU Board of Trustees on June 24, 2005, and effective August 2, 2005, the CSU Salary Schedule for Graduate Assistant classifications will be changed as indicated on Attachment A. The base salary and time-base of each Graduate Assistant on active payroll status will be proportionately adjusted to reflect the changes in the minimum and maximum salary rates, as described below. This change will be effective upon the date of appointment for all Graduate Assistants hired on or after August 2, 2005.

The changes provided by this side-letter do not represent a substantive change in individual Graduate Assistant salaries or the Salary Schedule for Graduate Assistant classifications. Previously, the Graduate Assistant Salary Schedule and individual Graduate Assistant salaries reflected the concept that a Graduate Assistant normally working 20 hours per week was considered "full-time," designated as a 1.0 FTE time-base. The revised Salary Schedule for Graduate Assistant classifications will reflect the concept that a Graduate Assistant normally working 20 hours per week is now being considered "half-time," designated as a 0.5 FTE time-base. In order to reflect this change, the prior minimums and maximums on the salary schedule will be doubled.

The actual pay rate for an individual Graduate Assistant will not be impacted by this change in the Salary Schedule. However, the time-base of each Graduate Assistant on active payroll status on the effective date of this change will be halved; at the same time his/her base salary rate will be doubled. For example, a 1.0 FTE time-base Graduate Assistant earning \$1,000 per month on the effective date will be converted to a 0.5 FTE time-base at the same time that his/her base salary rate will be doubled from \$1,000 to 2,000. In such case, the actual pay rate of \$1,000 per month will stay the same.

This side-letter does not alter current CSU policy which limits Graduate Assistant employment to no more than 20 hours per week. CSU policies will be amended to reflect the provisions of this side-letter.

**MEMORANDUM OF UNDERSTANDING
INTERDISCIPLINARY TEACHING ASSOCIATES**

The parties agree to modify the language that appears in Coded Memorandum HR 2005-30, paragraph 3.

The Teaching Associate classifications are limited to degree-seeking graduate students in the academic department in which they are employed to perform instruction and who are employed because they are degree-seeking students in that department. Degree-seeking graduate students who are enrolled in interdisciplinary degree programs may be hired as Teaching Associates for departments that comprise their interdisciplinary programs. Teaching Associates must be registered in a CSU graduate degree program and must be enrolled in courses towards the completion of that graduate degree during the teaching associate appointment period. This includes students enrolled in CSU courses through CSU extension, if the courses are taken for credit toward completion of the CSU graduate degree. The Teaching Associate classifications also are available for graduate students enrolled in courses during the summer and for graduate students who will be continuing their enrollment in the fall term. Students enrolled in credential programs and students enrolled in graduate programs outside the CSU are not eligible for this classification.

MEMORANDUM OF UNDERSTANDING

The United Auto Workers (UAW) and California State University (CSU) agree to the following:

It is the intent of the parties that Graduate Assistants who were previously appointed in classification 2355 (Graduate Assistant) on semester, quarter, or academic year appointments not suffer financial loss as a result of being appointed in the Graduate Assistant-Monthly (2325, 2326) classifications. The university shall adjust the pay rate of Graduate Assistants whose appointments in classifications 2325 or 2326 are for time periods spanning a semester, quarter, or academic year to provide for the equivalent total gross pay that would have been realized in classification 2355 for an equivalent appointment, plus any applicable General Salary Increases.

If a campus provides fee waivers to Graduate Assistants under Executive Order 611, the campus shall continue to appoint those Graduate Assistants receiving fee waiver in classification 2355.

The parties agree to create a new Teaching Associate classification (Teaching Associate – Extended Education) that will be reserved for use for employment of Teaching Associates in for-credit Extended Education programs, including Special Sessions as defined in Executive Order 1047 or its successor(s). Teaching Associates appointed in summer sessions operated through Extended Education will continue to be appointed in classification 2324. Pay rates for Teaching Associates who hold or previously held appointments in classification 2354 (Teaching Associate – Academic Year) will be determined based on the number of Weighted Teaching Units (WTU) taught:

- Semester campuses: Salary per WTU = annual full-time equivalent salary /30
- Quarter campuses: Salary per WTU = annual full-time equivalent salary/45

Time base shall be determined according to the number of WTUs taught and the length of the session; at semester campuses, full time shall be considered a teaching assignment of 1 WTU per week, and at quarter campuses, full time shall be considered a teaching assignment of 1.5 WTU per week.

Conditions of appointment for Teaching Associates – Extended Education: The President or designee may cancel classes based on budget or enrollment. If an appointment is cancelled or reduced based on budget or enrollment, the Teaching Associate shall be compensated on a pro-rata basis for any classes taught.
