Article 20 – Salary

Modify 20.4 General Salary Increase as follows

General Salary Increase

20.4 All employees in the bargaining unit shall receive a General Salary Increase (GSI) as follows:

a. For fiscal year 2022/2023, effective July 1, 2022, all bargaining unit employees in active pay status (or on leave) as of that date shall receive a General Salary Increase (GSI) seven percent (7%).

Employees will be eligible for an additional one percent (1%) for a total of eight percent (8%), depending on the State budget allocation to the CSU.

A calculation will be conducted based on the State of California’s final Budget Act of 2022, which has an expected enactment date between June 27, 2022, and September 30, 2022. This calculation will determine the new, unallocated, ongoing funding for the CSU from the State.

If the new, unallocated, ongoing funding from the State for fiscal year 2022/2023 is increased to $300,000,000 or more, then a one percent (1%) GSI will be added to the seven percent (7%) increase set forth above for a total of an eight percent (8%) increase effective July 1, 2022.

b. For fiscal year 2023/2024, the Union shall have the option to re-open negotiations on Article 20 and Article 21 (Salary and Benefits) by providing a written request to the CSU after the Governor has released the 2023/2024 May Revision, but prior to July 31, 2023.

If the parties cannot reach an agreement regarding the 2023/24 reopener and after the parties complete the statutory impasse procedures under HEERA, Article 6 (Concerted Activities) shall be suspended.

c. For fiscal year 2017/2018 and effective July 1, 2017, all bargaining unit employees in active pay status, or on leave as of that date, shall have their individual salary rate increased by three percent (3%).

d. For fiscal year 2018/2019 and effective July 1, 2018, all bargaining unit employees in active pay status, or on leave as of that date, shall have their individual salary rate increased by three percent (3%).

e. For fiscal year 2019/2020 and effective July 1, 2019, all bargaining unit employees in active pay status, or on leave as of that date, shall have their individual salary rate increased by three percent (3%).
Salary scale maximums and minimums for all classifications shall be increased by the amount of the General Salary Increases. These changes will be effective as of the date of the General Salary Increase in each fiscal year of this Agreement. Salary scale minimums for all classifications will remain unchanged for fiscal years 2018/2019 and 2019/2020 of this Agreement.

Effective July 1, 2017, the minimum of the salary range for any CSUEU represented classification shall be not less than $2,600.00 per month ($31,200 per annum). Employees who are currently below the new proposed minimums shall first have the GSI in 20.4(a) applied to their current salary, and if their new salary remains below that of the proposed new minimum for their range, the employee shall then be moved to the new minimum of the range.

Upon ratification of this Agreement, CSU will work with the State Controller’s Office to undertake the processing necessary to implement the terms of this Agreement in as timely a manner as possible.

Modify 20.5 Recognition Bonus as follows

Recognition Bonus:

20.5 Following the ratification of this Collective Bargaining Agreement by the CSU Board of Trustees, there shall be a one-time bonus payment of $650 for each employee in active pay status, or on leave, as of the date of ratification. Payments shall be made pro rata for employees in less than full-time (1.0) appointments.

A one-time payment of $3500 shall be provided to each bargaining unit employee with a 1.0 timebase or greater who is in active pay status (or on leave) as of the date of ratification of this agreement. Payments will be pro-rated for employees who are less than a 1.0 timebase on the date of ratification. For hourly intermittent employees, the formula for determining the pro-rata amount is as follows:

- **Determining the FTE:** The total number of hours worked by the employee for the six pay periods prior to the date of ratification divided by the number of total work hours in the six-month period of time = FTE for six-month period.

- **Determining the Payment Amount:** The $3500 one-time payment is then pro-rated based on the FTE determined by the formula above.

Rehired annuitants are not eligible for the one-time payment pursuant to California Government Code 21224 and CalPERS determination of the law.
Delete 20.4

**Working Group on Salary Structure**

20.40 The Parties agree to form a Working Group to review salary structure issues during the period of the successor Agreement.

In addition, bargaining unit employees meeting these requirements shall be eligible for the full portion of the CSU contribution payable for basic dental plan. (GC Section 22958.4). This program shall provide life insurance and accidental death and dismemberment insurance during the term of employment in the amount of ten thousand dollars ($10,000) each for both types of coverage. Effective the first day of the second month following ratification of this Agreement, the amount of coverage shall increase to fifty thousand dollars ($50,000) each for both types of coverage.

Modify 21.15 as follows:

Parking Fees

21.15 Employees wishing to park at any CSU facility shall pay the staff parking fee in accordance with CSU campus policy. Parking rates shall not be increased in Fiscal Years 2017/18, 2018/19, and 2019/20.

a. For the 2022/2023 fiscal year, parking fees may be increased no more than three percent (3%) and may not exceed student parking rates. The increase may apply to all staff parking rates, which could include daily, monthly, semester and/or annual permits.

A summary of the metrics will also be provided to the Vice Chancellor for Human Resources on a quarterly basis.
Modify 9.34 as follows:

The record of the proceeding shall consist of the exhibits admitted into evidence and the notes or tape recording, if any, kept by the Umpire.
9.40 Each party shall bear the expense of preparing and presenting its own case, including representative and witness fees, and expenses. Release time shall be authorized pursuant to the provisions of Article 8.

The Umpire hearing shall be no more than one (1) day, unless the parties agree to allow more time.

9.41 The Umpire decision shall be issued in the form of a bench ruling after a brief study period at the conclusion of the hearing, but in no event later than three (3) days from the close of the hearing by way of a written decision. The authority of the Umpire is limited to affirming or revoking the decision to release from probation. The Umpire decision shall not set a precedent and shall not be cited in any other administrative or legal forum.

The campus, the Union representative and the rejected employee shall be noticed concurrently with a copy of any written decision by the Umpire. If the decision to reject during probation is revoked by the Umpire, the rejected employee shall return to work as directed by the CSU within ten (10) days following the campus’ receipt of the Umpire’s decision. The notice to return to work from the campus shall be sent to the rejected employee via express mail to the last address provided to the campus. Upon the employee’s return to work, the employee shall be retroactively placed on leave without pay status for the period between the rejection during probation and the employee’s return to work and the employee shall resume probationary status for the remainder of the employee’s probationary period. No service credit toward completion of the probationary period shall be awarded for the period of time the employee was placed on leave without pay status.

9.42 The Umpire shall not have the power to issue subpoenas or administer oaths. The Umpire shall rule on the specific complaint pursuant to provision 9.32 concerning the decision to reject during probation and no other matter, including claims the CSU violated the Agreement. The Umpire’s decision shall be subject to limitations specified in provisions 7.25 (a) through 7.25 (d).

9.43 Disputes concerning interpretation and application of this procedure shall be resolved by the Umpire.

Upon selection, Umpire shall be scheduled for a minimum of two (2) hearing dates per month for the resolution of rejection during probation cases, unless there are insufficient pending cases to warrant the scheduling of the 2 hearing dates. If the selected Umpire is unable to provide these two (2) hearing dates, or if the Umpire withdraws from the position after their selection and acceptance of appointment, the process regarding the list of six (6) nominees shall be repeated. The Umpire’s term shall be for the duration of this Agreement. At the end of the Umpire’s term, either
party may decline reappointment. If so, the process of selecting six (6) new nominees shall be repeated. All cost of the Umpire Process shall be borne equally by both parties.

- The employee’s child-in-law, son-in-law, daughter-in-law;
- A person living in the immediate household of the employee, except domestic employees, roomers, boarders, and/or roommates.

Incorporate the changes to 15.8 as previously agreed to and set forth below.
15.8 Any CSU employee who accrues vacation or sick leave credits may voluntarily donate either of those credits to any other CSU employee on the same campus, if the recipient employee has exhausted all accrued leave credits, i.e., sick leave, vacation and CTO, due to a catastrophic illness or injury, or whose principal place of residence has been impacted by a natural disaster/state of emergency. Catastrophic illness or injury is an illness or injury that has totally incapacitated the employee from work. Chronic conditions may also be considered catastrophic, even if the condition results in only intermittent absences. Conditions, which are short term in nature, such as colds, flu, or minor injuries, are generally not deemed catastrophic. The campus must make a case-by-case determination.

The following provisions shall apply:

(1) Catastrophic Illness or Injury
   a. An employee, their representative or the employee's family member must request the employee's participation and provide appropriate verification of illness or injury as determined by the campus President. The President shall then determine the employee's eligibility to receive donations based upon the definition provided above.
   b. An incapacitated employee may elect to defer a request to participate during a period of Industrial Disability Leave eligibility.
   c. Employees may donate a maximum of forty (40) hours leave credits per fiscal year in increments of one hour or more. Donations are irrevocable.
   d. Donated leave credits may be used to supplement each of the following: Industrial Disability Leave, Non-Industrial Disability Leave or Temporary Disability payments from the third party administrator, upon application for the appropriate disability benefit by an eligible employee. The total amount of leave credits donated and used may not exceed an amount sufficient to ensure the continuance of the employee's regular monthly rate of compensation.
   e. The total donated leave credits shall normally not exceed an amount necessary to continue the employee for three (3) calendar months calculated from the first day of catastrophic leave within a twelve (12) month period. The President may approve an additional three-month period in exceptional cases. The leave should not be deemed donated until actually transferred by the campus record keeper to the record of the employee receiving leave credits.
   f. For employees whose appointments have not been renewed, donated time may not be used beyond the employee's appointment expiration date in effect at the beginning of the disability.
   g. Only vacation and sick leave credits may be donated.
   h. Donated leave credits may not be used to receive service credit following a service or disability retirement.
i. Any CSU union may solicit leave donations from bargaining unit employees for direct transfer to employees eligible to receive such leave credits.

j. Catastrophic illness or injury may also include an incapacitated member of the employee's immediate family if this results in the employee being required to take time off for an extended period of time in order to care for the family member and the employee has exhausted both all of their accrued vacation credits and all of his/her accrued sick leave credits which may be used for family care in accordance with the appropriate collective bargaining agreement. Only donated vacation credits may be used for such family care catastrophic leave. Immediate family member shall be defined in accordance with the definition contained in the sick leave provisions of the collective bargaining agreement covering the recipient employee.

k. The provisions of this program shall be subject to the grievance procedure contained in the collective bargaining agreement covering the grieving employee.

(2) Natural Disaster and State of Emergency:

a. Catastrophic leave for a natural disaster shall be leave for an employee who faces financial hardship because the employee has exhausted all of their accrued vacation credits; accrued sick leave credits; personal holiday credits; and C.T.O. credits; and is unable to work due to the effect of a natural disaster on the employee's principal residence.

b. The employee resides in one of the counties where a state of emergency exists as declared by the governor.

c. An employee, or their representative, must request the employee's participation and provide appropriate verification as determined by the campus President. The President shall then determine the employee's eligibility to receive donations based upon the definitions provided above.

d. Employees may donate a maximum of forty (40) hours leave credits per fiscal year in increments of one hour or more. Donations are irrevocable.

e. The total amount of leave credits donated and used may not exceed an amount sufficient to ensure the continuance of the employee’s regular monthly rate of compensation.

f. The total donated leave credits shall normally not exceed an amount necessary to continue the employee for three (3) calendar months calculated from the first day of catastrophic leave. The President may approve an additional three-month period in exceptional cases. The leave should not be deemed donated until actually transferred by the campus record keeper to the record of the employee receiving leave credits.

g. For employees whose appointments have not been renewed, donated time may not be used beyond the employee's appointment expiration date in effect at the beginning of the natural disaster/state of emergency.
h. Only vacation and sick leave credits may be donated.

i. Donated leave credits may not be used to receive service credit following a service or disability retirement.

j. Any CSU union may solicit leave donations from bargaining unit employees for direct transfer to employees eligible to receive such leave credits.

k. Pledged leave credits will be formally transferred to the recipient employee only at the end of a pay period, and then in chronological order of the dates pledged. This will ensure that any unused leave credits are never actually transferred until they can in fact be used by the recipient employee. In the event that an employee is unable to use all pledged credits in a pay period, the most recently donated leave credits that cannot be utilized will then never formally be transferred, thereby guaranteeing that they are in no way lost by an employee who wants to donate them in order to help a co-worker who needs the credits.

Article 16 – Leaves of Absence Without Pay

Modify 16.8 as follows:

16.8 **Within twelve (12) months of ratification of this successor agreement** each campus will have a procedure for the processing of leave of absence requests which will not be subject to bargaining under HEERA. The procedure will address only the following points:

A. Participation in telecommuting is voluntary and at the discretion of the Appropriate Administrator. Participation in voluntary telecommuting shall be based on a written agreement between the employee and Appropriate Administrator. The written agreement shall contain the work schedule, performance expectations and duration of the assignment.
If an employee’s request for telecommuting is denied, the Appropriate Administrator shall, at the employee’s request, provide a written explanation of the reasons for the denial.

B. Telecommuting may be required when it is determined by the CSU that operations would be better conducted remotely due to a bona fide emergency or other unforeseen or temporary circumstances that have disrupted or could disrupt normal campus operations. Such circumstances may include earthquakes, power outages, fire, flood, gas leak, building construction or demolition, acts of terrorism, pandemics, infectious disease outbreaks, and similar circumstances. The Appropriate Administrator will consider the employee’s desires and ability to work remotely including equipment and home circumstances before requiring telecommuting.

When the University determines that telecommuting is required, it shall notify the employee in writing of the performance expectations, and expected duration of the assignment. As soon as practicable, the University will notify the Union of the required telecommuting and the nature of the circumstances.

Required telecommuting shall be limited in duration to the circumstances giving rise to the telecommuting, ordinarily no more than two (2) weeks. The Appropriate Administrator shall advise the employee of the expected date of return to campus.

An employee who needs additional equipment or supplies to telework, must discuss the issue with their Appropriate Administrator. If additional equipment or supplies are deemed necessary by the Appropriate Administrator, then the Appropriate Administrator shall do one or more of the following:

A. provide the necessary equipment or supplies; or
B. authorize employee expenditure and subsequent reimbursement for the necessary equipment or supplies; or
C. provide an alternate work location that has the necessary supplies and equipment.

All telecommuting work schedules require prior Appropriate Administrator approval. Hours of work shall be consistent with the operational needs of the organization and other Article 18 provisions. If an employee’s request for telecommuting is denied, the Appropriate Administrator shall, at the employee’s request, provide a written explanation of the reasons for the denial.

Modify 24.29 as follows:

At least ninety (90) days prior to the effective date of a layoff due to a lack of work, the President shall make available voluntary programs to avoid layoff. When the layoff is due to a lack of work, voluntary programs will only be made available to employees in the classifications affected by the layoff. If there are no employees in the affected classifications other than those notified of the possible layoff, voluntary programs will not be offered. After notice of a layoff has been made to the union, the parties will meet and confer over potential available voluntary programs.

24.35 Such programs shall include, but shall not be limited to:

a. a voluntary reduced worktime program;
   A voluntary reduced worktime program may reduce the time worked by an employee within the workweek or within the work year.
