**Executive Order:** 872

**Title:** Miscellaneous Course Fee for Natural Resources and Sciences Courses with a Laboratory and Extended Education Course Fee; Humboldt State University

**Effective Date:** June 25, 2003

**Supersedes:** No Prior Executive Order

This executive order is issued under the authority granted by Education Code Sections 89035 89700, and 89708, Standing Orders of the Board of Trustees, Chapter III, Sections 1, 2 and 6-f-1, and Board of Trustees' Resolution RFIN 03-04-00, and consonant with Executive Order No. 740.

Effective June 25, 2003, Humboldt State University is authorized to establish a Miscellaneous Course Fee for Natural Resources and Sciences Courses with a Laboratory and an Extended Education Course Fee. The Miscellaneous Course Fee for Natural Resources and Sciences Courses with a Laboratory is established at a fee rate of \$13 and will cover the cost of laboratory supplies. The Extended Education Course Fee is established at a fee range of \$0 to \$3,000 and will cover costs that include field trip transportation, lodging, meals, and entrance fees, as well as supplies, services and facilities associated with the course.

Revenue collected from miscellaneous course fees is to be deposited either in the General Fund or in a local trust account, depending on the nature of the fee. In accordance with Education Code Section 89721(g), revenue collected may be deposited in a local trust account where the fee is required of those persons who, at their option, use the services or facilities, or are provided the materials, for which the fee is collected. In other words, if the student has the option to procure the service or materials for which the fee is charged on the open market or some other way separate from the university and still fulfill the requirements of the university, the revenue may be deposited in trust. Revenue so deposited shall be used solely to meet the costs of providing these services, materials, and facilities. Otherwise, in accordance with Section 89724(a) of the Education Code, revenue collected from miscellaneous course fees shall be deposited in the State Treasury and credited to the General Fund for the support of the university in addition to such other amounts as may be appropriated therefor by the Legislature.
