Key Dates and Information:
RFP Release Date: September 13, 2022
Proposal Due Date: Rolling deadline, but proposals must be submitted three months in advance of event.
Award Notification: CSUPERB will aim to respond 3 weeks after proposal submission.

Program Description:
CSUPERB operates as an ongoing community of interest, learning, and practice.* As a result, CSU faculty members system-wide come together to build on common interests, learn to improve professionally, consider a problem, and bring about positive change within the CSU. CSUPERB wants to empower CSU faculty members, whether a Faculty Consensus Group (FCG) member or not, to form multi-campus communities around topics of interest and to organize workshops or symposium sessions.

CSUPERB wants to encourage these activities and set aside a small budget ($10,000/year) to support community-building events this academic year. We aim to make 3-4 special events grants this year.

Because CSUPERB is reformatting the annual CSU Biotechnology Symposium, there are not opportunities for events conducted in relation to the event and therefore proposals related to the symposium will not be considered.

Special Events Program Review Criteria:
- Proposals must be submitted three months in advance of the planned event.
- Applicants must provide a short synopsis that describes the primary purpose of their proposed event.
  - The proposed activity should align with CSUPERB’s focus on biotechnology education and research.
- Proposals must list members of the event organizing committee; preference will be given to committees that involve multiple CSU campuses.
- Proposals must indicate how many CSU participants will be involved, who they are in general terms (students, faculty, etc.), and how CSU participants will be recruited and selected, if relevant.
- Applicants must supply a detailed budget and justification, including budget estimates associated with venue costs, audio-visual equipment, and speakers’ travel expenses, as examples. We expect AY22/23 Special Events grants will be ~$2500 – $3300. If a CSUPERB Special Events grant will not cover the entire cost of the event, describe other funding, resources or in-kind donations that make the event possible.
  - Note: CSUPERB grants are based on general State of California funding and must comply with CSU policies. As a result, there are some expenses associated with hosting meetings that we cannot fund. In addition, events are subject to CSU and individual campus COVID-19 rules regarding in-person meetings and travel. Contact James Schmitt (jcschmitt@sdsu.edu) with questions.

**Policies**
1) All participants in CSUPERB events and activities are expected to follow the requirements of Title V, Title IX, and California State University (CSU) Executive Orders and adhere to the CSUPERB Principles of Professional Behavior and values. Non-CSU participants who do not follow these expectations may be asked to leave a CSUPERB event or activity and/or prohibited from participation in future CSUPERB events or activities. Individuals can report incidents immediately to the CSUPERB designee to facilitate this process.

2) Individuals found in violation of Title V or IX or CSU Executive Orders 1096 or 1097 are not eligible to receive CSUPERB funding or participate in CSUPERB program activities for a period of 5 years from the final substantiation of the violation or the end of any current grant award, whichever is later. Faculty who are found to be in violation before funds are transferred for an award, will be ineligible to receive funds for the award.

3) After a five year ineligibility period, individuals found in violation of relevant policy for a second time lose eligibility for all future CSUPERB funding or participation in CSUPERB related activities permanently. Relevant CSU Executive Orders include:

   b. Executive Order 1096 Revised (Systemwide Policy Prohibiting Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Employees and Third Parties and Systemwide Procedure for Addressing Such Complaints by Employees and Third Parties); and
   c. Executive Order 1097 Revised (Systemwide Policy Prohibiting Discrimination, Harassment and Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Students and Systemwide Procedure for Addressing Such Complaints by Students) may be found at the following website address: [http://www.calstate.edu/eo/](http://www.calstate.edu/eo/).
