State Capitol, Room 3196
Sacramento, CA 95814

RE: Annual Report on Donor Support for 2018-19

The annual Report on Donor Support details private philanthropic giving to the California State University. In fiscal year 2018-19, the University received over \$370 million in new gift receipts from individuals and organizations that support the mission and success of the University, 98 percent of which has a donor-designated purpose.

These funds are no substitute for the core support from the State of California, but they represent a critical investment in the future. The generosity of the University's donors truly makes a difference for students. Philanthropic giving funds scholarships that make college affordable, pays for equipment and facility improvements, supports immersive learning experiences and bolsters many other areas of the University.

Section 89720 of the Education Code requires the California State University to submit a report to the Joint Legislative Budget Committee and the Department of Finance on private gifts received from July 1, 2018 through June 30, 2019.
