Grant Program Title: Building Resilient Infrastructure and Communities
Funding Agency: FEMA
Award Amount: $1,000,000,000
  Minimum: $0
  Maximum: $0

Brief Description:
Building Resilient Infrastructure and Communities (BRIC) supports states, local communities, tribes, and territories as they undertake hazard mitigation projects, reducing the risks they face from disasters and natural hazards. The program’s guiding principles are supporting communities through capability- and capacity-building; encouraging and enabling innovation; promoting partnerships; enabling large infrastructure projects; maintaining flexibility; and providing consistency.

Eligibility: The CSU is eligible to apply as a sub-applicant. Please note: Sub-applicants must submit sub-applications to their state, territory, or tribal applicant agency.

Eligible Project Types:
Building Resilient Infrastructure and Communities (BRIC) funds may be used for
• Capability- and capacity-building activities
• Mitigation projects
• Management costs

Match Funding Requirement:
Application Open Date: October 16, 2023
Letter of Intent Deadline: Application Deadline: February 29, 2024, at 3 PM ET/12 PM PST
Period of Performance: The period of performance (POP) is 36 months; it starts on the date of the recipient’s federal award. Any subsequent amendments to the federal award will not extend the POP unless explicitly stated. The applicant may submit a request for a longer POP. A longer POP must be requested, documented, reasonable, and justified. Extensions to the POP are allowed.
