Grant Program Title: FY24 SS4A Notice of Funding Opportunity
Funding Agency: US Department of Transportation
Award Amount: This Notice makes available up to $1,256,687,000 for FY 2024 grants under the SS4A program. Of the funding made available, up to $580 million is available to implement projects and strategies. The remainder, $656,687,000, must be awarded for developing Action Plans; conducting supplemental planning to update existing Action Plans; or carrying out demonstration activities to inform the development of, or updates to, Action Plans.

Brief Description:
Funds for the fiscal year (FY) 2024 SS4A grant program are to be awarded on a competitive basis to support planning, infrastructure, behavioral, and operational initiatives to prevent death and serious injury on roads and streets involving all roadway users, including pedestrians; bicyclists; public transportation, personal conveyance, and micromobility users; motorists; and commercial vehicle operators. The purpose of this notice is to solicit applications for Safe Streets and Roads for All (SS4A) grants.

Eligibility:
A political subdivision of a State. a political subdivision of a State under (2), above, is defined as a unit of government under the authority of State law. This includes cities, towns, counties, special districts such as public universities, and similar units of local government.

Eligible Project Types:
1. Develop a comprehensive safety action plan (Action Plan).
2. Conduct supplemental safety planning to enhance an Action Plan.
3. Carry out demonstration activities to inform the development of, or an update to, an Action Plan.
4. Perform planning, design, and development activities for projects and strategies identified in an Action Plan.
5. Implement projects and strategies identified in an Action Plan that address roadway safety problems.

Grant Options & Deliverables: The SS4A program provides funding for two main types of grants: Planning and Demonstration Grants for comprehensive safety action plans, including supplemental safety planning, and/or safety demonstration activities; and Implementation Grants. Planning and Demonstration Grants are used to develop, complete, or supplement a comprehensive safety action plan, as well as carry out demonstration activities that inform an Action Plan. Implementation Grants are used to implement strategies or projects that are consistent with an existing Action Plan and may also bundle funding requests for supplemental planning and demonstration activities that inform an Action Plan.

SS4A Grant Priorities:
- Promote safety to prevent death and serious injuries on public roadways.
- Employ low-cost, high-impact strategies that can improve safety over a wide geographic area.
• Ensure equitable investment in the safety needs of underserved communities, which includes both underserved urban and rural communities.
• Incorporate evidence-based projects and strategies and adopt innovative technologies and strategies.
• Demonstrate engagement with a variety of public and private stakeholders.
• Align with the Department’s mission and Strategic Goals such as safety; climate change and sustainability; equity and Justice; and workforce development, job quality, and wealth creation.
