Grant Matching and Writing Services

mpaul@adelanteconsulting.com

October 18th, 2023 11:00 AM PT
Adelante Consulting, Inc
For California State University
Adelante Consulting, Inc.

Maxine Paul, Development (Project Lead)

*Environmental Science, Climate Mitigation, Grants*

Won millions in grants through state, EPA, BIA Tribal Climate Resilience, Energy and Minerals Development Program, DOE, DOD. Two Env. degrees, research and regulatory background.

Jordan Clancy, President/CFO

*Fundraising, Financial Analysis, Contracts, Corporate Administration*

2023 Albuquerque Journal’s “40 under 40”, expert in finance for renewable energy projects. $50M (24-month) coal to biomass conversion of the 49.5 MW Mt. Poso Cogeneration facility in Kern County. Developed pathway for LCFS credits using photovoltaic-solar arrays.

Amy Brown, COO

*Government Affairs, Carbon Footprint Reduction, Economic Development*

Works with local governments to fight climate change, protect the environment and create jobs. Before Adelante, Amy was an executive municipal manager in California and in private legal practice.
Clients include:
Our Services for the CSU:

**Project Matching**

You have a decarbonization goal, sustainability goal, or project planned but un- or under-funded. Email me a brief description of the project or give me a call, and we’ll match grants to it. This will be on a first-come-first-serve basis up to our contract limits.

**Grant Writing**

After matching:

- Review fit and competitiveness (go/no-go)
  - Generally, projects are more competitive when need and execution can be fully demonstrated, and when they leverage other funds
  - We’ll work with your envisioned PM to gather and review information
- Act as your PM’s assistant:
  - Writing content, organizing data, visualizing data, keep track of deadlines and proposal requirements, performing background research, helping with narratives, and providing tips from experience.
  - Help with tax credit leveraging
• Funder: Bureau of Indian Affairs – Tribal Climate Resilience Program.

• Team: Pueblo of Santa Ana, Adelante Consulting, University of New Mexico Natural Heritage, & Northern Arizona University Institute for Tribal Environmental Professionals

• PHASE I: 2018-2020, Awarded $149,998

• PHASE II: 2022-2024, Awarded $249,826

Figure 1. United States Drought Monitor Time Series for Sandoval County, NM. Yellow represents D0-D4 conditions, and dark red represents exceptional Drought (D4). Data can be accessed at https://droughtmonitor.unl.edu/Data/Timeseries.aspx.
EPA Climate Pollution Reduction Grant

Cities, states, and tribes for greenhouse gas inventories and reduction plans.

• 5 Northern Pueblo Cohort (Tesuque, Nambe, San Ildefonso, Picuris, Pojoaque), one application: $660,000 “Tribal Climate Change Task Force”

• GHG inventories, priority climate action plan, reduction measure modeling, outreach
• Last week
  • Submitted $4.5M in federal grants for resilience at Picuris Pueblo
    • Wildfire preparedness, hazardous fuels treatments, FireWise building surveys, defensible zones
    • Emergency planning
    • Irrigation restoration
    • Microgrid support, education, and weatherization
• In August, $2M for Jemez Pueblo
  • Irrigation restoration, food tourism
• 2022 MP: at Santa Ana Pueblo:
  • U.S. EPA Clean Air Act Grants for air quality monitoring and Treatment as a State
  • U.S. EPA Brownfields grants
  • BIA Solar energy planning grants
  • Rooftop solar for tribal houses grant
