YOUR CSU CAMPUS WANTS TO HEAR FROM YOU!

If you identify as Black, Indigenous, or a Person of Color and you were prepared by our campus to teach with a multiple subject credential, we have some questions for you:

• What are you experiencing in your classroom that you were or weren’t prepared for?
• How could we have supported or prepared you better?

WHO?

Fresno State is hosting this event in partnership with the Educator Quality Center of the CSU Chancellor’s Office.
