

Cybersecurity Awareness Month

Multimedia Contest 2022

Win prizes, gain experience, and earn recognition.

SUBJECT:

CSU-wide multimedia contest focusing on cybersecurity

Suggested Ideas:

Create a poster that explains what cybersecurity means to you and what actions to take to safeguard your devices and personal information. Examples may include enabling multi-factor authentication, using strong passwords, phishing awareness, etc.

Contest Rules:

- All entries can be a variety of formats (image, videos, or PDFs). Note: Image files can either be vertical (8"x 10") or horizontal (11"x17"). PNG or JPEG formats are accepted.
- Submitted entries must be original, non-copywritten material.
- Entrants must be a currently enrolled CSU student. Limited to one submission per participant.

Deadline: December 1, 2022 by 5pm PST. The top three entries will receive a prize and earn CSU-wide recognition.
