Dr. Kenneth H. Coale Graduate Scholar Awards 2023-24

The CSU Council on Ocean Affairs, Science & Technology (COAST) is now offering support to CSU graduate students working with COAST faculty members on marine, estuarine, coastal and coastal watershed research projects. Awards of \$4,000 can be used for living expenses, research-related expenses or both.

A pre-recorded informational webinar on the program will be released on our website by October 16, 2023.

Please go to the COAST [website](#) for complete details and application instructions.
