Living on Campus

CSU campuses will NOT use SAT or ACT Exam scores in fall 2021, winter, 2022 and spring 2022 admission cycles for any admission decision.

Admission requirements will be adjusted and may include supplemental factors determined by individual campuses

- Applicants need to:
 - Be a high school graduate or equivalent
 - Complete the 15-unit comprehensive “a-g” pattern of college prep courses
 - Earn a qualifying “a-g” GPA

Fall 2021 Admission Requirements and Accommodations

CSU Eligible

California residents and graduates of California high schools with a 2.50 or greater “a-g” GPA
Non-California residents earning a 3.00 or greater “a-g” GPA

Campus Decision

California high school graduates or residents of California earning a GPA between 2.00 and 2.49
Non-California high school graduate or non-residents of California earning a GPA between 2.47 and 2.99

Not CSU Eligible

California high school graduates or residents of California earning a GPA 1.99 or below
Non-California high school graduates or non-residents of California earning a GPA 2.46 or below

GPA requirements may be higher for specific CSU campuses that are impacted. Some campuses may also use supplemental factors or multi-factor criteria to replace the SAT/ACT to determine eligibility.

Eligibility for the CSU

- Each CSU campus will determine the supplemental factors used
- Impacted campuses and programs may also use supplemental factors
- Supplemental factors could include:
 - Courses exceeding minimum “a-g” courses
 - Household income
 - Extracurricular involvement
 - Work experience
 - Math/QR GPA
 - Educational program participation
 - Others

2021-22 Supplemental Factors

Factors Most Campuses are Using

“a-g” GPA

“a-g” Courses above 30/15

Promise/Partnership programs

First Generation

Low Income

Educational Programs

Foster Youth Services

Military Status

Factors that are Campus Specific

Math/QR GPA

Supplemental Factors

How Supplemental Factors can be Used

- Fully Impacted Campuses
 - All Programs and populations
- Impacted at First-time Freshman Level & Some Programs
 - All impacted programs and populations
- Program Impaction Only or No Impaction
 - Programs that are impacted
 - Campus Decision Populations
- Impacted programs may keep their process as long as no SAT/ACT test scores are part of evaluation

Application Period: October 1st – December 4th

Cal State Apply Top 5 Do's and Don'ts for Filling Out Your Freshman Application

DO

DO review the Freshmen Course Entry Guide and the [Fall 2021 First-Time Freshman Guidance](#) page [help filling out your application](#).

DO complete your [Extended Profile](#) correctly. Make sure you are selecting "First Bachelor's" degree. Need help? Visit the [Help Center](#). The customer support team is here to help with any issues you may have.

Ready to submit? DO first, stop and [review your application carefully](#). After you submit, you will not be able to make changes. Be sure to check that you selected the CSU campus(es) you intended to apply to.

DO review the [Fee Waiver Checklist](#) to see if you may be eligible for an [application fee waiver](#) prior to submitting.

DO visit the [Dates and Deadlines](#) page to see [what programs are available](#) at each CSU campus since this information can change each application cycle.

DON'T

DON'T start your [application late](#). Instead, take your time and submit [early](#) to avoid stress. Fall 2021 freshman applications open up October 1st, so feel free to get started right away!

DON'T leave out your [in progress \(currently taking\)](#) high school courses. These will be used to calculate your total years earned towards the A-G requirements.

DON'T fill in your application [from memory](#). Instead, be sure to have a copy of your unofficial high school transcripts to enter your courses and match A-G. Have an [official college transcript](#) for college credit, if applicable.

DON'T create your Cal State Apply account with an [email you rarely use](#). Instead, provide an email address you check regularly since official communications about the application process are sent via email.

DON'T enter high school courses that [do not meet an A-G requirement](#). Instead, only enter high school courses that can be matched to A-G. Reminder: ALL college credit should be entered, even if not taken for A-G.

Self reported information is important

Majority of CSU's base their admission decisions from self reported information.

Coursework is used for placement for Math and English in accordance with new CSU Math/English Placement (EO 1110).

Students Must Check Their Portal

- Admission Status is via campus Portal
- Majority of communication from the CSU campuses is via email
- Create a separate email address that students and parents can both check.
