## COUNSELOR WORKSHOPS

DATE	START TIME	INTENDED AUDIENCE	TOPIC	SESSION DESCRIPTION
September 17, 2020	9:30 am	Community College Counselors	CSU System and Cal State Apply Updates for CCCs	California State University and Cal State Apply Updates.
September 18, 2020	9:30 am	High School Counselors	CSU System and Cal State Apply Updates for HSs	California State University and Cal State Apply Updates.
September 21, 2020	9:30 am	High School and Community College Counselors	Financial Aid and CSU Affordability	Students shouldn't allow finances to be the only determining factor when choosing their higher education pathway. The California State University awards millions of dollars in financial aid funding to our students on a yearly basis. Come find out how to help students access funding which allows them to complete their academic career and join the workforce at a faster rate and in some cases with little to no student loan debt. This session will provide insight on the federal, state, and institutional financial aid programs and the benefits of choosing a CSU over other educational programs.
September 21, 2020	1:00 pm	New High School Counselors	CSU 101: Introduction to the CSU	For those new to the profession, this workshop provides participants with an overview of the CSU and its benefits, tips to help counsel students, helpful resources and an understanding of the application process.
September 22, 2020	9:30 am	High School and Community College Counselors	Navigating CSU Impaction, Local Area and Redirection	The CSU has implemented new policies for local applicants to impacted programs and redirection for all CSU eligible undergraduate applicants. The topics discussed will include impaction, local admission areas, local applicant impacted program priority, and redirection of CSU eligible applicants.
September 22, 2020	1:30 pm	High School and Community College Counselors	Cal State Pays	Cal State Pays is a website that shows the earnings of over 600,000 students who enrolled in the seven CSUs in metro Los Angeles. Data used on the site will allow students to learn how much more money graduates earn than those who don't complete their degree, two, five, ten, and fifteen years after graduation. Students can compare majors and get an idea of how much they will earn and where they are likely to work.
September 23, 2020	9:30 am	High School Counselors	One-Stop-Shop: Academic Planning and launching Cal State Apply from CaliforniaColleges.edu	Learn how students can use CaliforniaColleges.edu, a free, web-based platform managed by the California College Guidance Initiative (CCGI) to streamline their college, career, and financial aid exploration and planning. This session will equip you with the knowledge to guide students through launching Cal State Apply, CCCApply and the FAFSA/CA Dream Act directly from their CaliforniaColleges.edu account. Come and also learn how students can utilize their academic planner to track their completed coursework and create a four-year plan.
September 23, 2020	1:30 pm	High School and Community College Counselors	Supporting Student Wellness & Basic Needs in the CSU	Countless of students experience overall wellbeing challenges related to housing, food, and financial emergencies. To support students who experience similar challenges, the CSU is a national leader in providing a number of opportunities, programs, and services to mitigate these challenges and support student success. Join this session to learn about the resources available at the 23 CSU campuses and about concrete ways that students are supported.
