${ }^{1}$ For purposes of fee revenue and SUG calculations, the 2010/11 FTES B 10-04 baseline was 326,290 FTES.
${ }^{2}$ The nonresident FTES is equal to the 2009/10 actual FTES.
Note: for those campuses with 2011 self-support summer, summer-term resident FTES was moved to the academic year and nonresident FTES was eliminated for purposes of tuition revenue calculations.

| Total | \$3,526,000 | \$881,500 | \$881,500 | \$881,500 | \$881,500 |

${ }^{1}$ The total CSU $2011 / 12$ operating revenue interest to be assessed is $\$ 3.526 \mathrm{M}$, which represents a $\$ 3.714 \mathrm{M}$ decrease to the $2010 / 11 \$ 7.240 \mathrm{M}$ level. CSU is obligated by budget statute to keep the State whole for interest earned on student fee revenue held in trust. This was the result of a State/CSU agreement when CSU state support operations moved from the General Fund to the Trust Fund in 2006/07.
The 2011/12 interest chargeback by campus is based on the campus operating revenue equivalent to the 2010/11 Tuition and Other Fee Revenue reported in 2010/11 FIRMS final budget submissions.

[^0]:    ${ }^{1}$ One-time $\$ 106,552,869$ Federal Funds replaced General Fund in 2010/11.
    ${ }^{2}$ Represents other CSU Operating Fund fee revenue besides tuition fee; the only reimbursement shown is lease bond payments in SWPs.

[^1]:    ${ }^{1}$ For purposes of fee revenue and SUG calculations, the 2010/11 FTES B 10-04 baseline was 326,290 FTES.
