PST on July 24, 2019, addressed to Steve Relyea, Executive Vice Chancellor and Chief Financial Officer, Office of the Chancellor, California State University, 401 Golden Shore, Long Beach, California 90802-4210.

INFORMATIVE DIGEST

The California State University (CSU) seeks an amendment to Title 5 of the California Code of Regulations that would remove language in section 41800.1 that sets the application fee at \$55 and replace it with language indicating that the CSU Board of Trustees shall set the application fee amount. While section 41800 grants the CSU Board of Trustees the authority to set fees, the current section 41800.1 limits the flexibility of the Board to adjust the application fee amount given its express reference to \$55.

Because the CSU is considering a change in the application fee for the first time in 30 years, Title 5 must therefore be amended. Action will be proposed at the July 23–24, 2019 Board of Trustees Meeting.

COST TO STATE AND LOCAL AGENCIES AND SCHOOL DISTRICTS

The adoption of the proposed amendment will not impose a cost or savings on any state agency; will not impose a cost or savings on any local agency or school district that is required to be reimbursed under Section 17561 of the Government Code; will not result in any nondiscretionary cost or savings to local agencies; will not result in any cost or savings in federal funding to the state; and will not impose a mandate on local agencies or school districts.

AUTHORITY

The regulation is being amended pursuant to Sections 89030 and 89700, Education Code.
