INFORMATIVE DIGEST

This item amending Title 5, Article 2.2, Section 42723 which addresses Management Personnel Plan (MPP) employees is being revised in two non-substantive respects. The first proposed amendment updates language to conform with current employment vernacular by stating that MPP employees serve at the will of the campus President or the Chancellor. The second proposed amendment removes unnecessary language concerning layoff in subsection (e), which applies to MPP employees hired on or after January 1, 1984. Those employees serve “at will” and are not eligible for layoff. Instead, they may be terminated with three months’ notice (or equivalent pay in lieu of notice).

COST TO STATE AND LOCAL AGENCIES AND SCHOOL DISTRICTS

The adoption of the proposed amendment will not impose a cost or savings on any state agency; will not impose a cost or savings on any local agency or school district that is required to be reimbursed under Section 17561 of the Government Code; will not result in any nondiscretionary cost or savings to local agencies; will not result in any cost or savings in federal funding to the state; and will not impose a mandate on local agencies or school districts.

AUTHORITY

The regulation is being amended pursuant to Sections 89030, 89030.1 and 89500, Education Code.
