### **INFORMATIVE DIGEST**

Senate Bill 68, which became effective January 1, 2018, amended Section 68130.5 of the Education Code, relating to exemption from nonresident tuition. In addition to existing conditions, this amendment provides additional options of meeting the attendance and graduation requirements by:

- Allowing time spent at California adult schools and California community colleges to count toward the attendance requirement; and
- Allowing the attainment of an associate degree or fulfillment of the minimum CSU transfer requirements from a California community college to count toward the graduation requirement.

The proposed Title 5 amendment would bring the CSU regulations into alignment with the amended Education Code section, provide necessary campus guidance and clarification, and remove language that restates, without clarifying, portions of the Education Code section.

### **COST TO STATE AND LOCAL AGENCIES AND SCHOOL DISTRICTS**

The adoption of the proposed amendment will not impose a cost or savings on any state agency; will not impose a cost or savings on any local agency or school district that is required to be reimbursed under Section 17561 of the Government Code; will not result in any nondiscretionary cost or savings to local agencies; will not result in any cost or savings in federal funding to the state; and will not impose a mandate on local agencies or school districts.

### **AUTHORITY**

The regulations are being amended pursuant to Sections 68044, 68122, 68130.5 and 89030 of the Education Code.
