NOTICE IS HEREBY GIVEN that the Board of Trustees of the California State University proposes to amend Sections 41908 of Article 4, Subchapter 5, Chapter 1, Division 5 of Title 5 of the California Code of Regulations. A public hearing concerning these proposed changes will be held in the Glenn S. Dumke Conference Center at 401 Golden Shore, Long Beach, California 90802-4210 commencing at 9:00 a.m. on May 23, 2017, or as soon thereafter as the business of the Board will permit. Any person interested may present statements orally or in writing relevant to the proposed action at that hearing. Written comments must be received by close of business on May 23, 2016, addressed to Ray Murillo, Director, Student Programs, Academic and Student Affairs, Office of the Chancellor, 401 Golden Shore, Long Beach, California 90802-4210.

INFORMATIVE DIGEST

In accordance with the California Education Code, each campus determines its students' California residency status for tuition purposes at the time of admission. Students who are deemed nonresidents for tuition purposes by the campus may appeal the initial residency status decision or the subsequent reclassification decision.

The proposed Title 5 changes set forth criteria for appeals, shorten the number of calendar days within which an appeal can be submitted and remove the Office of General Counsel as the designated unit within the Office of the Chancellor to hear appeals. The intent of these changes is to provide clarification for campuses and students on what constitutes an acceptable appeal, improve the timeliness of the appeal process and allow cross-divisional collaboration within the Office of the Chancellor.

COST TO STATE AND LOCAL AGENCIES AND SCHOOL DISTRICTS

The adoption of the proposed amendment will not impose a cost or savings on any state agency; will not impose a cost or savings on any local agency or school district that is required to be reimbursed under Section 17561 of the Government Code; will not result in any nondiscretionary cost or savings to local agencies; will not result in any cost or savings in federal funding to the state; and will not impose a mandate on local agencies or school districts.

AUTHORITY

The regulations are being amended pursuant to Sections 68044 and 89030 of the Education Code.
