

To be completed when *project construction cost is \$150,000,000 and greater, or in any of the following construction classifications:*

- 1) "Wood Frame Construction" with awards of \$10,000,000 and greater, or
- 2) "Joisted Masonry Construction" or "Tilt-up Construction Non-combustible Roof " with awards of \$25,000,000 and greater, or
- 3) "Hybrid Construction", or
- 4) "Structural Renovation", or
- 5) "All Other Construction".

Notes:

1) For phased projects, complete this application for the entire project and for each phase.

2) This application is for the project's enrollment in the CSU Builder's Risk Insurance Program. **If project's award is \$10,000,000 or greater, Campus must separately enroll this project into the OCIP, using the CSU OCIP Project Identification Sheet.**

Refer to the Construction Insurance Programs website for more information: www.calstate.edu/ConstructionInsurancePrograms

SECTION 1 - GENERAL RISK INFORMATION

A. Campus

Campus Name:

Campus Contact Information:

Department:

Name:

Address:

Phone:

City, CA Zip:

E-mail:

B. General Contractor Information
