Therefore, the Employer and the Union each voluntarily relinquishes and waives the right, and each agrees that the other shall not be obligated at any time during and throughout the term of this Agreement, to bargain collectively with respect to any subject or matter referred to or covered by this Agreement, or with respect to any subject or matter not specifically referred to or covered by this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.
- 3.2 This Agreement constitutes the entire agreement between the parties and supersedes all previous agreements, understandings, policies, and prior practices related to matters included within this Agreement. It is understood that, in the absence of a specific expressed provision in this Agreement to the contrary, all CSU policies and procedures are at the discretion of the Employer.
- 3.3 The CSU shall provide notification to the Union of proposed changes in written systemwide policies affecting wages, hours and conditions of employees in the bargaining unit during the term of this Agreement. Whenever possible, such notice shall be prior to the implementation of changes in such policies. Upon written request of the Union, the CSU shall meet and confer regarding the impact of such changes on the bargaining unit.

Savings Clause

- 3.4 If any provisions of the Agreement are held to be contrary to law by a court of competent jurisdiction or governmental administrative agency having jurisdiction over the provisions, such provisions will be considered invalid except to the extent permitted by law, but all other provisions of the Agreement shall remain in full force and effect.

Any such invalidated provision shall, at the request of either party, be subject to negotiation between the parties but in no event shall the result of such negotiations circumvent the law.

ARTICLE 4

UNION RIGHTS

- 4.1 The Union shall have the right, upon providing reasonable advance notice to the appropriate administrator, to reasonable use of Cal Maritime facilities, not otherwise in use, including plant operations shop areas and boathouse areas. Use of Cal Maritime areas shall be at no cost. The Union shall bear the actual cost incident to such use including, but not limited to, set up, cleaning and overtime. The Union agrees that use of Cal Maritime facilities shall be restricted to union meetings and training workshops. The Union further agrees that the activities shall be restricted to non-work time and shall not interfere with Cal Maritime programs. Nothing contained herein shall guarantee to the Union the use of Cal Maritime facilities if no such facilities are available, or the use of facilities which require the payment of fees.
- 4.2 The Union shall bear the cost of all Cal Maritime materials and supplies incident to any union meeting or union business conducted at the Cal Maritime.
- 4.3 Intra-campus mail service shall be available for union business. Reasonable use of Cal Maritime mail facilities shall be provided at no cost to the Union for communicating with bargaining unit members. The Employer shall be held harmless for the delivery and security of such mail and the Employer shall not bear the cost of moving union mail through the U. S. Postal Service or any private commercial delivery system. Such mailings must be of a reasonable size and volume and prepared by the Union in accordance with the Cal Maritime mail policy. The term "no cost" as used in this Article shall be exclusive of actual overtime costs or extraordinary clean-up costs incurred by the CSU in complying with the provisions of this Article. Such costs shall be borne by the Union. When a meeting request is submitted and the Union inquires, the CSU shall inform the Union whether or not costs shall be charged.
- 4.4 The Employer shall provide an open-faced mailbox or equivalent at the Cal Maritime Department of Plant Operations and the boathouse facilities. The Employer shall determine the location of such mailboxes and shall not be required to bear the cost of providing such mailboxes.

- 4.6 All postings and mailings shall be delivered to the appropriate administrator(s) within

a reasonable period of time of the posting and shall indicate complete union identification and dates.

- 4.7 The Cal Maritime Human Resources Office shall provide to the Union, upon written request, a written notice of new employees hired into the unit. The notice shall include the name and classification of each employee. Home addresses of new hires shall be provided to the Union unless the employee requests in writing that the Union not receive the employee's address. Human Resources shall provide to the Union an annual written notice of employees who have terminated their employment and an annual list of employees who are on a leave of absence of over one (1) month. These notices shall be provided in a timely manner.
- 4.8 The Union will provide the Cal Maritime and the Office of the Chancellor with a written list of designated union stewards and union representatives. Changes to the list shall be brought to the attention of the Cal Maritime and the Office of the Chancellor as soon as possible and confirmed in writing in a timely manner.

Not more than three (3) employees shall be provided with release time for official meet and confer sessions unless the parties mutually agree otherwise. The Union shall provide the Chancellor's Office with the names of the employees requiring release time with sufficient notice prior to the commencement of the meet and confer session(s). In case(s) of an emergency, the Employer may deny release time for a particular employee. The Union reserves the right to postpone the meeting(s) in those circumstances. Additional release time may be provided on an individual basis to meet special needs related to work schedules and travel requirements.
- 4.10 Upon written request to the Office of the Chancellor, the Union shall be provided with specifically identified information on wages, hours, and working conditions related to negotiations. Such information shall be provided within a reasonable period of time. The Union may be required to bear the cost of such information, if there is a cost associated. It is understood that this Article shall not be construed to require the CSU to develop or compile any information or data in a form not already compiled.
- 4.11 Union business involving employees shall be conducted during non-work time except as provided for elsewhere in this Agreement. Union business shall not interfere with Cal Maritime programs or operations.
- 4.12 The appropriate administrator shall be notified of the presence of union representatives and officers who are not Cal Maritime employees either upon arrival at the Cal Maritime or by telephone in advance of arrival.

- 4.13 An employee shall not suffer reprisals for participating in union activities.
- 4.14 It is the intent of this Article to provide for payroll deduction of dues for the Union members to be deducted from their pay warrants insofar as permitted by law. The CSU agrees to deduct and transmit to IUOE all authorized deductions from all IUOE members within the unit who have signed approved authorization cards for such deduction on a form provided by IUOE, less necessary administrative costs incurred by the State of California.
- 4.15 The amount of dues deducted from IUOE's members' pay warrants shall be set by IUOE and changed by the CSU upon written request of IUOE.
- 4.16 Employees shall be free to join and participate in the Union or not to join and participate in the Union.
- 4.17 IUOE agrees to indemnify, defend, and hold the CSU harmless against any claim made of any nature and against any suit instituted against the CSU arising from its payroll deduction for IUOE dues and deductions.
- 4.18 The written authorizations for IUOE dues deduction shall remain in full force and effect during the life of this Agreement provided, however, that any employee may withdraw from IUOE by sending a withdrawal letter to IUOE within thirty (30) calendar days prior to the expiration of this Agreement.
- 4.19 Upon movement of an employee out of the bargaining, the employee may elect to withdraw from IUOE.

ARTICLE 5

MANAGEMENT RIGHTS

- 5.1 The CSU retains and reserves unto itself, without limitation, whether exercised or not, all powers, rights, authorities, duties, and responsibilities which have not been specifically abridged, delegated or modified by this Agreement.

ARTICLE 6

CONTRACTING OUT

- 6.1 The decision to contract out work is the prerogative of the Employer. When determining whether or not to contract out work, Cal Maritime shall make every reasonable effort to perform normal bargaining unit work with bargaining unit employees.
- 6.2 The CSU shall notify the Union regarding contracting out work on a long-term basis. When possible, notification shall be prior to implementing a contract. The Union may request to meet and confer on the impact of bargaining unit work being contracted out on a long-term basis. The CSU shall meet with the Union for this purpose within thirty (30) days of such a request.

ARTICLE 7

CONCERTED ACTIVITIES

No Strike

- 7.1 During the term of this Agreement, neither the IUOE nor its agents, for any reason, will authorize, institute, aid, condone or engage in a work slowdown, work stoppage, strike, or any other interference with the work and statutory functions or obligations of Cal Maritime or the CSU.
- 7.2 IUOE agrees to notify all of its officers, representatives and staff of their obligation and responsibility for maintaining compliance with this Article, and to encourage employees violating this Article to return to work.
- 7.3 Employees shall not engage in strikes or other concerted activity.

No Lockout

- 7.4 No lockout of bargaining unit employees shall be instituted by Cal Maritime or the CSU during the term of this Agreement.

ARTICLE 8

NON-DISCRIMINATION

- 8.1 The CSU prohibits discrimination on the basis of age, disability (physical and mental), race or ethnicity (including color or ancestry), Gender, Gender Identity or Expression, Nationality, Religion, Religious Creed, Sexual Orientation, Genetic Information, Medical Condition, and Veteran or Military status. All terms used herein are consistent with the definitions provided in Executive Order 1096 (Revised), Technical Letters HR 2004-12, HR EEO 2011-02 or their successors.
- 8.2 An employee, who alleges discrimination in violation of a CSU systemwide non-discrimination and/or anti-harassment policy, shall file a complaint under the procedure described in Executive Order 1096 (Revised), or in any superseding executive order, if applicable. An employee may, at any time, file a complaint regarding the same incident with the Equal Employment Opportunity Commission and/or the Department of Fair Employment and Housing in accordance with state and federal law.
- 8.3 IUOE and CSU agree that the intent of Article 8, Section 8.2, is that employees who allege discrimination in violation of CSU's systemwide nondiscrimination policy shall file complaint(s) under the procedure set forth in Executive Order 1096 (Revised), or any succeeding Executive Order. It is understood that such discrimination complaints are not grievable under Article 9, Grievance Procedure.

Whistleblowing

- 8.4 An employee, who wishes to file a disclosure of an improper governmental activity and/or a significant health or safety threat, shall file a complaint under the procedure described in Executive Order 929, or in any superseding executive order, if applicable.
- 8.5 An employee, who alleges suffering of retaliation for making a protected disclosure of an improper governmental activity and/or a significant health or safety threat, shall file a complaint under the procedure described in Executive Order 1058, or in any superseding executive order, if applicable.

ARTICLE 9

GRIEVANCE PROCEDURE

Definitions

- 9.1 Grievance - The term "grievance" as used in this Article refers to a written allegation that there has been a violation, misapplication, or misinterpretation of a specific term(s) of this Agreement. In no event may a grievance be based on an event or circumstances arising from an event that took place prior to the effective date of this agreement.
- 9.2 Grievant - The term "grievant" as used in this Article shall mean a bargaining unit employee(s), excluding temporary employees employed for less than thirty consecutive days, who alleges in a grievance that they have been directly wronged by the alleged violation, misapplication, or misinterpretation of the specific term of this Agreement. The term grievant may also refer to the Union when alleging a violation of union rights as provided for in this Agreement.
- 9.3 Immediate Supervisor - The term "immediate supervisor" as used in this Article refers to the appropriate non-bargaining unit supervisory or management person to whom the employee is accountable.
- 9.4 Representative - The term "representative" as used in this Article shall be an employee or representative of the Union who at the grievant's request may be present at Levels I through III. Representation of the employee at Level IV shall be by a Union Representative only.
- 9.5 Respond and File - The terms "respond" and "file" as used in this Agreement refer to personal delivery or deposit in the U. S. mail, postage prepaid. If mail delivery is used, it shall be by certified, return receipt requested mail and the date mailed shall establish the date of response or filing. If personal delivery is used, the calendar date of delivery shall establish the date of response or filing.

Level I - Informal Review

- 9.6 a. The informal review procedure is provided to encourage the informal resolution of grievances at the lowest possible level. Before filing a formal written grievance, the employee shall attempt to resolve the problem by an informal conference with the Plant Operations Director or appropriate administrator no

later than fourteen (14) days after the event giving rise to the problem or no later than fourteen (14) days after the employee knew or should have known of the event giving rise to the complaint.

- b. The Plant Operations Director or appropriate administrator shall provide an answer to the employee no later than ten (10) days after the Level I meeting.
- c. A resolution of the problem at the informal level shall not be precedent setting.

Level II - Formal

- 9.7
- a. If the problem is not resolved through Level I informal discussions, the employee may file a Level II grievance with the President or the President's designee no later than fourteen (14) days after receipt of the response at Level I. The grievant shall state clearly and concisely on a grievance form provided by the CSU:
 - i. the specific terms(s) of the Agreement alleged to have been violated;
 - ii. a description of the grounds of the grievance including names, dates, places, and times necessary for an understanding of the facts of the grievance;
 - iii. the remedy sought;
 - iv. the name, classification, signature, and address of the grievant;
 - v. the name and mailing address and telephone number of the grievant's representative, if any; and
 - vi. the date of submission.
 - b. The President or the President's designee shall hold a meeting with the grievant and the grievant's representative, if any, at a mutually acceptable time and location within seven (7) days of receipt of the grievance. The President or the President's designee shall respond in writing to the grievant within twenty-one (21) days of the Level II meeting.
 - c. The parties shall present at Level II all issues and evidence known or which could have been reasonably known that are related to the grievance. Allegations may not be modified after completion of Level II procedures.

Level III

- 9.8
- a. In the event the grievance is not settled at Level II, the grievant may file a written request for review with the Office of the Chancellor no later than fourteen (14) days after receipt of the Level II response. The grievant shall attach a copy of the Level I response, if any, and the Level II response together with any documents presented at these levels.
 - b. A designated individual in the Office of the Chancellor and the representative of the grievant shall schedule a conference at the Office of the Chancellor for the purpose of reviewing the matter within fourteen (14) days of the receipt of the Level III appeal. The designated individual in the Office of the Chancellor shall respond no later than twenty-one (21) days after the conference.
 - c. If the grievance has not been settled at Level III, the Union alone may, no later than thirty (30) days after receipt of the Level III response, file a request for arbitration by giving notice to that effect by certified mail, return receipt requested, directed to Labor Relations, Office of the Chancellor.

Level IV

- 9.9 The arbitration procedure shall be conducted in accordance with the rules of the American Arbitration Association, subject to the provisions below.

The Union and the Office of the Chancellor shall either agree mutually on an acceptable arbitrator or shall jointly request the American Arbitration Association to supply a list of names pursuant to its rules. Upon receipt of the names of proposed arbitrators, the parties shall alternately strike names from the list until one (1) name is ultimately designated as the arbitrator. The decision as to which party strikes first shall be determined by lot.

- 9.10 If an arbitrability question exists, the arbitrator shall determine the arbitrability question prior to hearing the merits of the grievance. The arbitrator may proceed to hear the merits of the grievance prior to meeting the requirements of provision 9.12 below.
- a. When the grievance is found not arbitrable, the grievance shall be deemed null and void.
 - b. When the grievance is found to be arbitrable, the arbitrator shall hear the merits of the grievance.
 - c. Provision 9.10 above shall not prohibit the parties from mutually agreeing to a second arbitration hearing on the merits of the grievance or from mutually agreeing to select a second arbitrator to hear the merits of the grievance.

- 9.11 The arbitrator's award shall be in writing and shall set forth their findings, reasoning, and conclusions on the issue(s) submitted.
- 9.12 It shall be the function of the arbitrator to rule on the specific grievance. The arbitrator shall be subject to the following limitations:
- a. The arbitrator's award shall be based solely upon the evidence and arguments appropriately presented in the hearing and upon any post-hearing briefs.
 - b. The arbitrator shall have no power to alter, add to, detract from, or amend the provisions of this Agreement.
 - c. The arbitrator shall not consider any issue not raised by the parties at Level III of this Article. The arbitrator shall not consider any evidence which was known or reasonably should have been known and not raised by the parties at Level III of this Article.
 - d. Under no circumstances may an arbitrator make an award that substitutes the arbitrator's judgment for the President's judgment or business decisions in areas of professional discretion.
 - e. The award of the arbitrator may or may not include back pay. Any back pay award shall not exceed one (1) year's salary less any compensation that the employee received, including unemployment compensation. Under no circumstances may interest be included in the award.
 - f. The standard of review for the arbitrator is whether the CSU violated, misapplied, or misinterpreted a specific term(s) of this Agreement.
- 9.13 The arbitrator's award shall be final and binding on both parties.
- 9.14 A witness who is an employee shall be excused from work time to appear at an arbitration hearing with no loss of pay. Other expenses of any witness called before the arbitrator shall be borne by the party calling the witness.
- 9.15 Each party shall bear the expense of preparing and presenting its own case. The cost of arbitration, excluding advocate, unilateral withdrawal, postponement, or cancellation fee, shall be borne equally by the parties.
- 9.16 The process to schedule a grievance for an arbitration hearing shall be initiated by a written request from the representative of the Union to the designated individual in the

Office of the Chancellor. The request shall be for the parties to select an arbitrator pursuant to provision 9.9 above.

9.17 Grievances with continuing financial back pay liability shall be scheduled in chronological order for arbitration prior to the scheduling of grievances with no continuing financial back pay liability. The parties recognize that from time to time it may be in the interest of both parties to schedule by mutual agreement cases for arbitration in other than chronological order. Absent such mutual agreement, arbitration hearings shall be scheduled in the same chronological order in which each case was appealed to arbitration.

9.18 Any grievance filed into arbitration shall be considered withdrawn by the Union if it has not been scheduled within nine (9) months of the filing to arbitration from Level III. Within the nine (9) months the parties shall confirm with an arbitrator that a hearing date has been set.

General Provisions

9.19 Wherever a time limit is provided by this Article, the parties may extend the period only by mutual consent.

9.20 When hearings or meetings are held under this Article on CSU time, unit members who are entitled to attend hearings, or who are called as witnesses by a party, shall be excused for that purpose from other duties without loss or penalty.

9.21 No reprisals shall be taken against any unit member for the filing and processing of any grievance.

9.22 In cases where it is necessary for the grievant or the grievant's representative to have access to information for the purpose of investigating a grievance, the grievant or the grievant's representative shall make a written request for such information to the appropriate administrator a reasonable amount of time before such information is needed. The appropriate administrator shall provide such information to the requesting party within a reasonable amount of time after the request for the information is made.

9.23 A grievance settled prior to arbitration shall be binding only as to that particular grievance and shall not be precedent setting.

- 9.24 By mutual agreement, the parties may consolidate grievances on similar issues at any level of the grievance procedure.
- 9.25 By mutual agreement, a grievance may be filed at the step at which the authority to resolve the grievance resides.

- 11.4 All work schedules shall be prepared in written form and normally posted not less than fourteen (14) days prior to any regularly scheduled shift change. No employee shall have their regularly scheduled shifts or days off changed without receiving a minimum of fourteen (14) days prior written notification of such change, except in emergency situations. All claims for such meal reimbursements must be supported by a receipt and a voucher. The time taken to consume such meals will not be included in the computation of overtime for the purposes of this allowance.

- 11.11 In the event that an employee works an additional six (6) overtime hours after qualifying for the first overtime meal, Cal Maritime will determine whether to provide a second meal or reimburse the employee the actual cost of a second meal at the current rates provided by the Board of Trustees.

- 12.1 Overtime is defined as authorized time worked in excess of forty (40) hours in the designated workweek.
- 12.2 Overtime shall be compensated at one and one-half (1 1/2) times the employee's regular hourly rate. For purposes of calculating overtime, the regular hourly rate of pay is determined by dividing the monthly salary amount by 173.33 hours. Shift differentials shall be included in the regular hourly rate of pay. All other payments and allowances are not included in the regular hourly rate of pay.
- 12.3 All overtime worked shall be compensated by cash or compensatory time. Such determination shall be made prior to the time an employee is requested to work overtime, if practicable. However, all overtime worked beyond the accrual of two hundred and forty (240) hours of compensatory time shall be paid in cash.
- 12.4 Overtime will be credited on a one-quarter hour basis with a full quarter of an hour credit granted if half or more of that period is worked. Smaller fractional units will not be accumulated.
- 12.5 Paid holiday, paid sick leave, paid vacation and paid CTO, when used, shall be counted as time worked for purposes of this Article.
- 12.6 Nothing contained in this Agreement shall be interpreted as requiring a duplication or a pyramiding of holiday, vacation, daily, or weekly overtime payments involving the same hours of work.
- 12.7 When an employee is separated from service, the employee is entitled to a lump-sum payment for any earned compensatory time by reason of previous overtime worked.
- 12.8 The scheduling of CTO shall be by mutual agreement of the employee and the appropriate administrator. When an employee's CTO balance is over one hundred eighty (180) hours and mutual agreement is not possible, the appropriate administrator may direct the employee to take earned CTO provided that seven (7) days' notice is provided to the employee.

- 12.9 Overtime for which cash compensation will be paid should be scheduled for payment in the pay period following the pay period in which the overtime was worked.
- 12.10 The appropriate Cal Maritime administrator shall assign overtime work. The appropriate Cal Maritime administrator shall endeavor to equalize overtime work among all employees who have expressed interest in overtime work by placing their name on an overtime list. In making each overtime assignment, the Cal Maritime administrator shall consider those employees on the overtime list who are qualified for the assignment.
- 12.11 In emergency situations or when there are an insufficient number of qualified employees desiring to work overtime, employees may not decline overtime assignments.
- 12.12 For purposes of this Article, "emergency" shall also mean a circumstance, which requires action to preserve the basic operations of the campus.
- 12.13 Employees shall have an eight (8) hour rest period from the end of an overtime assignment until the beginning of the next regularly scheduled work shift, except in cases of emergency. In the event the next regularly scheduled work shift begins less than eight (8) hours from the conclusion of such an overtime assignment, the employee may report to work at the completion of the eight (8) hour rest period. The employee has the option of making up the hours missed at the beginning of the regularly scheduled shift by (1) changing his start time for that day until eight (8) hours after the completion of the overtime assignment and then working eight (8) hours, or (2) using accrued leave credits for the hours missed, or (3) taking off the hours missed as unpaid leave of absence.
- 12.14 In the event an employee is required to respond to work-related issues on their regularly scheduled time off via telephone or other electronic device, and the time worked for any individual occurrence exceeds fifteen (15) minutes, such time shall be counted as time worked. This time worked outside of the workplace shall not be considered call-back pursuant to Provision 12.15 below.

Call-Back

- 12.15 Call-back is work performed at a time outside of and not continuous with an employee's regular work schedule. An employee called back to work shall be credited with a minimum of four (4) hours work time, for call back duty at two and one-half (2

½) times their hourly rate, provided the employee has been called back to work without having been notified prior to completion of the work shift, or the employee is notified prior to the completion of the work shift and the work begins more than three (3) hours after the completion of the work shift. When an employee is called back to work, only the hours worked shall be counted as time worked for purposes of computing overtime. The hours not worked, but credited, shall be at the one and one-half (1 ½) times the employee's hourly rate.

- 12.16 An employee may be called back to work at the discretion of the appropriate administrator. The appropriate administrator shall endeavor to assign call-back work on a rotating basis from a list of qualified volunteers. If no volunteers are available, or in emergency situations, the employee who is called back to work shall be required to perform the work. When an employee is called back to work, the employee, with the permission of the appropriate administrator, or his or her designee when required, will be permitted to leave when the appropriate actions required to preserve the basic operations of the campus due to the emergency have been completed.

State service credited by Cal Maritime to an employee on June 30, 1995 shall be transferred to the Cal Maritime, CSU system on July 1, 1995 for the purposes of this Article.

181 Months to 20 Years	1-3/4	14
241 Months to 25 Years	1-11/12	15-1/3
301 Months and Over	2	16

- b. For purposes of computing vacation accrual, an employee who works eleven (11) or more days in a monthly pay period is considered to have completed a month of service.
- c. An authorized leave of absence without pay shall not be considered service for the purpose of vacation accrual.
- d. Vacation accrual is cumulative to a maximum of two hundred and seventy-two (272) working hours for ten (10) or less years of qualifying service, or three hundred and eighty-four (384) working hours for more than ten (10) years of such service. Accrual in excess of this amount as of January 1 of each year shall be forfeited by the employee. The President may permit an employee to

carryover more than the allowable accrual when the employee was prevented from taking enough vacation to reduce the accrual because the employee (1) was required to work as a result of fire, flood, or other extreme emergency; (2) was assigned work of priority or critical nature over an extended period of time; (3) was absent on full or partial salary for compensable injury; or (4) was prevented from using accrued vacation previously scheduled to be taken in December because of being on paid sick leave.

- e. Accumulated vacation earned and accrued by employees at Cal Maritime shall be transferred to the Cal Maritime, CSU system as of July 1, 1995.

Notwithstanding provision 14.2 d above, employees who transfer more than two hundred (200) hours vacation credit to the Cal Maritime, CSU system, may accrue a maximum of four hundred (400) hours of vacation credit as of January 1, 1996 and January 1, 1997. As of January 1998, the maximum vacation accrual for such employees shall be in accordance with provision 14.2 d above.

- f. Requests for scheduling vacation shall be submitted in writing at least thirty (30) days in advance. If a conflict arises when two (2) or more employees request the same vacation dates, the conflict will be resolved, prior to approval of a request, on the basis of length of service at Cal Maritime, provided that operational needs are met. In the event Veterans Day is rescheduled for observance on another day by the President pursuant to Article 13.2, consideration shall be given for multiple employee requests to use vacation the day the holiday is normally observed - provided that operational needs can be met. If an employee submits a vacation request for three (3) days or less with less than thirty (30) days notice, such request will be approved subject to operational needs.
- g. Vacations shall be scheduled by mutual agreement. Vacations shall be taken only as authorized. Vacations will be canceled only when operational needs require it.
- h. Upon separation from service without fault on the employee's part, an employee is entitled to a lump sum payment as of the time of separation for any unused or accumulated vacation. Such sum shall be computed by projecting the accumulated time on a calendar basis so that the lump sum will equal the amount that the employee would have been paid had they taken the time off, but not separated from service.

- 14.3 Accumulated annual leave balances of bargaining unit members shall be transferred to the Cal Maritime, CSU system as of July 1, 1995 and shall be credited to vacation and/or sick leave accounts in the amounts determined by each affected employee. Such a

determination must be made by the employee within 30 days from the effective date of this Agreement. Prior to such a determination, annual leave may be used as vacation or sick leave in accordance with this Article or Article 15, respectively.

14.4 Accumulated Personal Leave balances of bargaining unit members shall be transferred to the Cal Maritime, CSU system as of July 1, 1995. Accumulated Personal Leave shall be maintained in a separate leave account and shall not be subject to provision 14.2 d above. 14.5 At the discretion of Cal Maritime, all or a portion of unused Personal Leave credits may be cashed out at the employee's salary rate at the time the Personal Leave payment is made. Upon termination from the Cal Maritime, CSU system employment, the employee shall be paid for unused Personal Leave credits in the same manner as vacation. Cash out or lump sum payment for any Personal Leave credits shall not be considered as "compensation" for the purposes of retirement.

14.6 Whenever an employee's accrued vacation amount will exceed or has exceeded the maximum accrual by the end of the calendar year as a result of the denial of one or more requests by the employee to schedule and use vacation in the last quarter of the calendar year, the following procedure shall apply:

- a. The employee shall submit a vacation request for the use of the excess vacation and the appropriate administrator shall respond to the request within ten (10) working days.
- b. In the event that the request has not been granted within the ten (10) day period, the employee and the appropriate administrator shall attempt to reach mutual agreement on alternative dates on which to use the excess vacation.
- c. If the employee and the appropriate administrator are unable to reach agreement, the employee may suggest three (3) alternative, non-overlapping periods of vacation time to be completed no later than June 30 of the new calendar year to utilize the excess vacation. The appropriate administrator shall agree to one of the three (3) scheduling options submitted by the employee.
- d. If the employee fails to submit the three (3) scheduling options for use of the excess vacation, the appropriate administrator will direct the use of vacation on days to be determined by the appropriate administrator.

Any medical exams required of employees by the CSU shall be paid for by the CSU, provided that the physician is selected by the CSU. Time required to travel to and from the physician's office and time spent at the physician's office shall be considered time worked.
- 15.12 In the event an employee disagrees with the medical findings of the CSU-selected physician, the employee shall have the right to examination by a physician of the employee's choice. The employee shall be required to bear the cost of such examination and shall charge any absence due to such examination to accumulated sick leave credits. The CSU shall consider the medical report from the employee's physician.

- 15.13 Under no circumstances may an employee be granted sick leave for days during layoff periods or during a leave of absence without pay.
- 15.14 An employee who has exhausted their sick leave or disability leave may be granted unpaid sick leave or may use their vacation credits or compensatory time off (CTO). Not more than two (2) hours of such time shall be provided to an employee without loss of pay. Time off for voting shall be provided only at the beginning or end of the employee's regular work shift, unless otherwise mutually agreed.

Absence as a Witness

- 15.19 Employees serving as court-subpoenaed witnesses or as expert witnesses in the interest of the CSU shall seek payment of witness fees. Whenever possible, employees shall confer with the attorney requesting their appearance to determine whether certified copies of appropriate documents would be suitable and would eliminate the need for a

court appearance.

- 15.20 An employee who is absent as a court-subpoenaed witness or expert witness in the interest of the CSU shall be paid the normal salary for the corresponding period of absence. No portion of the employee's salary shall be forfeited as the result of such an appearance; however, all court fees (except personal travel and/or subsistence payments) shall be remitted to the CSU. - 15.30 The provisions of this Article shall also apply during the jury selection process.

Military Leave

- 15.31 Emergency military leave, temporary military leave, and indefinite military leave shall be granted to eligible employees, in accordance with State and Federal laws.

Industrial Disability Leave

- 15.32 The CSU shall make available to eligible employees Industrial Disability Leave Benefits in lieu of Workers' Compensation Temporary Disability Benefits for a period not exceeding fifty-two (52) weeks within two (2) years from the first day of disability.

Catastrophic Leave Donation Program

- 15.33 Any CSU employee who accrues vacation or sick leave credits may voluntarily donate either of those credits to any other CSU employee on the same campus, if the recipient employee has exhausted all accrued leave credits, i.e., sick leave, vacation and CTO,

due to a catastrophic illness or injury. Catastrophic illness or injury is an illness or injury that has totally incapacitated the employee from work.

The following provisions shall apply:

- a. An employee, the employee's representative or the employee's family member must request the employee's participation and provide appropriate verification of illness or injury as determined by the campus President. The President shall then determine the employee's eligibility to receive donations based upon the definition provided above.
- b. An incapacitated employee may elect to defer a request to participate during a period of Industrial Disability Leave eligibility.
- c. Employees may donate a maximum of forty (40) hours leave credits per occurrence in increments of one (1) hour or more. Donations are irrevocable.
- d. Donated leave credits may be used to supplement only Industrial Disability Leave, Non-Industrial Disability Leave or Temporary Disability payments from the State Compensation Insurance Fund upon application for these benefit(s) by an eligible employee. The total amount of leave credits donated and used may not exceed an amount sufficient to ensure the continuance of the employee's regular monthly rate of compensation.
- e. The total donated leave credits shall normally not exceed an amount necessary to continue the employee for three (3) calendar months calculated from the first day of catastrophic leave within a twelve (12) month period. The President may approve an additional three (3) month period in exceptional cases. The leave should not be deemed donated until actually transferred by the campus record keeper to the record of the employee receiving leave credits.
- f. For employees whose appointments have not been renewed, donated time may not be used beyond the employee's appointment expiration date in effect at the beginning of the disability.
- g. Only vacation and sick leave credits may be donated.
- h. Donated leave credits may not be used to receive service credit following a service or disability retirement.
- i. Any exclusive representative of CSU employees may solicit leave donations from bargaining unit employees for direct transfer to employees eligible to receive such leave credits.
- j. Catastrophic illness or injury may also include an incapacitated member of the employee's immediate family if this results in the employee being required to take time off for an extended period of time in order to care for the family

member and the employee has exhausted both all of their accrued vacation credits and all of their accrued sick leave credits which may be used for family care in accordance with the appropriate collective bargaining agreement. Only donated vacation credits may be used for such family care catastrophic leave. Immediate family member shall be defined in accordance with the definition contained in the sick leave provisions of the collective bargaining agreement covering the recipient employee.

- k. The provisions of this program shall be subject to the grievance procedure contained in the collective bargaining agreement covering the grieving employee.

Parental Leave

- 15.34 An employee shall be entitled to up to fifteen (15) workdays "parental leave" with pay, in a twelve (12) month period to care for a new infant(s) or adopted child(ren) up to age five (5). The days must be taken consecutively and shall commence within sixty (60) days upon the birth or placement of a child(ren). By mutual agreement between the President and the employee, the scheduling of this leave may be modified. Such leave shall be in addition to available sick leave and vacation. Paid parental leave granted in accordance with this provision runs concurrently with other maternity/paternity, pregnancy disability and/or family care and medical leave provisions of Article 16 for which the employee may be eligible.

- 15.35 In order for the employee to be entitled to parental leave, the employee must be employed with the CSU prior to the birth or placement of a child(ren) with the employee.

ARTICLE 16

LEAVES OF ABSENCE WITHOUT PAY

Unauthorized Leaves of Absence

16.1 Automatic Resignation

- a. The President shall have the right to terminate an employee who is absent for five (5) consecutive workdays without securing authorized leave from the President. Such a termination shall be considered to be an automatic resignation from CSU employment as of the last day worked. All unauthorized absences, whether voluntary or involuntary, shall apply to the five (5) consecutive workday limitation. The five (5) day period referred to above shall commence at the beginning of the first shift of such absence and shall be deemed to have been completed at the end of the employee's scheduled work hours on the fifth consecutive date of unauthorized absence.
- b. The President shall notify the employee that the University will be terminating them by automatic resignation under this Article. This notification requirement shall be satisfied either by service in person or by certified mail to the employee's last known address and shall include:
 - i. the dates the employee was absent without leave;
 - ii. the intended effective date of the employee's resignation; and
 - iii. the employee's appeal rights under this Article.
- c. If the employee responds to the President by certified mail, return receipt requested, within twenty-one (21) calendar days of notification as defined above, the employee will be provided with the opportunity for a pre-termination review in accordance with the current campus practice for State Personnel Board hearing appeals. The President may agree to extend the employee's time to respond. This pre-termination review will be conducted by a campus administrative officer designated by the President. No termination shall be final until a decision is made by the administrative officer. This decision shall be transmitted by certified mail to the employee's last known address and shall state:
 - i. whether the employee was absent for five (5) consecutive work days;
 - ii. whether the employee had proper authorized leave to be absent; and
 - iii. whether the employee should be or is being terminated by automatic

resignation. If an action other than automatic resignation is proposed, it shall be stated along with the reasons for its use.

- d. Any employee who is terminated by the President under this provision may, within twenty-one (21) days after mailing of the President's decision, request a hearing of the matter by the State Personnel Board as provided in Section 89539 of the Education Code. A request for a hearing by the State Personnel Board must be filed with the State Personnel Board with a copy to the President within the twenty-one (21) day time requirement noted above.
- e. Any employee who is reinstated under this provision shall not be paid salary for the period of unauthorized absence.
- f. Provision 16.1 of this Article shall supersede Section 89541 of the California Education Code.

Other Leaves of Absence Without Pay

- 16.2 A permanent employee is entitled to a maternity leave without pay of up to twelve (12) months upon her written request. At least thirty (30) days prior to the ending date of the leave, the employee shall inform the appropriate administrator in writing of her intention to return from leave. Changes in the terms of the leave may be made by mutual agreement of the appropriate administrator and the employee.
- 16.3 A full-time or part-time permanent employee may be granted a full or partial leave of absence without pay for up to one (1) year.
- 16.4 Leaves of absence without pay may be granted in accordance with this Article for the following purposes or reasons:
 - a. loan of an employee to another governmental agency;
 - b. outside employment that would lessen the impact of a potential layoff or a layoff;
 - c. temporary incapacity due to illness or injury;
 - d. Family Leave; and
 - e. other satisfactory reasons.

Leaves without pay granted for "c" above shall also be subject to Article 15, Leaves of Absence with Pay. Periods of disability related to pregnancy are subject to the provisions of Article 15, Leaves of Absence With Pay.

- 16.5 A written application for a leave of absence without pay or an extension of a leave of absence without pay shall be submitted to the appropriate administrator. The appropriate administrator shall determine if such a leave shall be granted and the conditions of such a leave.
- 16.6 An employee who is on a leave of absence without pay shall not return to active pay status prior to the expiration of such a leave without written approval of the appropriate administrator.
- 16.7 Service credit shall not be granted to an employee on a leave of absence without pay.
- 16.8 A leave so granted assures to the employee a right to return to the employee's former position or a position within the employee's classification upon expiration of the leave and the time lost shall not constitute a break in service.
- 16.9 When requested by the appropriate administrator, an employee granted a leave of absence without pay shall provide verification that the conditions of the leave were met.
- 16.10 An employee on a leave of absence without pay for more than fifteen (15) days may opt to continue their fringe benefits at their own expense. Upon written request of an eligible employee as defined in Article 25, Benefits, the CSU shall provide a system for the continued payment of the employee's insurance premiums including health, dental, and vision benefits during the period of unpaid leave of absence. During this period, such an employee shall pay both the employee's and the CSU's contributions. The CSU shall not advance such payments. Such an employee shall pay all contributions prior to the date each payment is due. Failure to pay such premiums will result in coverage lapsing unless the employee makes other arrangements.

Family Leave

- 16.11 An employee who has at least one (1) year of service, and has actually worked one thousand two-hundred and fifty (1,250) hours in the twelve (12) months preceding the leave, is entitled to a family leave without pay.
- 16.12 Eligible employees may take up to a total of twelve (12) weeks of family leave in a twelve (12) month period.

- 16.13 An employee may be granted family leave for the birth of a child of the employee, the placement of a child with an employee in connection with the adoption/foster care of the child by the employee; or to care for a child, parent or spouse of the employee who has a serious health condition; or for the employee's own serious health condition.
- 16.14 For family leave taken for reason of the birth of a child or adoption/foster care of a child by an employee, any leave taken shall be initiated within one (1) year of the birth of a child or placement of child with the employee in the case of adoption/foster care.
- The period of the family leave granted to an employee for the birth of a child shall run concurrently with the period of leave available to an employee under Education Code Section 89519 or provision 16.2.
- 16.15 The amount of family leave that may otherwise be granted under this Article may be reduced by the amount of family leave granted to an employee for reasons set forth under provisions 16.11 through 16.19.
- 16.16 Before granting a family leave for the serious health condition of a child, parent or spouse, the employer may require certification of the serious health condition from the health care provider.
- 16.17 Upon expiration of the period, which the health care provider originally estimated the employee needed to care for the child, parent or spouse, the employer may require the employee to obtain re-certification if additional leave is requested.
- 16.18 Family leave shall be leave without pay except that an employee must utilize all accrued vacation and CTO that they are otherwise eligible to take during the otherwise unpaid period of the family leave.
- 16.19 An employee may use accrued sick leave during the period of family leave upon mutual agreement between the employee and appropriate administrator. Such requests for sick leave shall be made in accordance with Article 15 of this Agreement.
- 16.20 Family leave is separate and distinct from the right of a female employee to take a pregnancy disability leave under Government Code Section 12945, subdivision (b) (2). If a female employee takes part or all of the maximum four (4) months of pregnancy disability leave, she may request up to twelve (12) weeks additional family leave for reason of the birth of her child, or due to her own serious medical condition. Any combination of family leave and pregnancy disability leave shall run concurrently with the period of maternity leave available to a permanent employee pursuant to provision

16.2 of this Article.

- 16.21 An employee shall provide the employer with written notice of a need for family leave within five (5) working days of the date the event necessitating the leave becomes known to the employee.
- 16.22 If the employee's need for family leave is foreseeable due to the planned medical treatment or planned supervision of a child, parent or spouse with a serious health condition, the employee shall provide the employer regarding the scheduling of the treatment or supervision so as to minimize disruption of the operations of the employer.
- 16.23 Family leave may be deferred until the employee complies with the provisions of this Article.
- 16.24 A family leave so granted assures to the employee a right to return to their former position or a comparable position upon expiration of the family leave. If the former position and any comparable position has ceased to exist due to legitimate business reasons unrelated to the leave, the employer shall make reasonable accommodation by alternative means only if such alternate means would not cause an undue burden on the campus. The family leave shall not constitute a break in service for the purposes of length of service and/or seniority under this Agreement.
- 16.25 An employee on family leave shall retain employee status and shall continue to accrue seniority points pursuant to this Agreement during the period of the family leave care. During a family leave an employee may continue to participate in benefits to the same extent and under the same conditions as would apply to any other personal leave of absence without pay pursuant to this Agreement. However, if any paid portion of the family leave is less than twelve (12) weeks, upon request of the employee to continue coverage, the CSU shall continue to make employer contributions toward health, dental and vision coverage for the unpaid remainder of the twelve (12) week period. If an employee fails to return at the end of the family leave, the CSU may require repayment of the insurance premiums if the employee's failure to return is due to the employee's serious health condition or due to circumstances beyond the employee's control.
- 16.26 The leave of absence of a temporary employee eligible for such leave pursuant to this Article shall terminate upon the expiration of that employee's temporary appointment.

ARTICLE 17

APPOINTMENT

- 17.1 All positions in the bargaining unit that are to be filled, except for temporary positions of thirty (30) days or less, shall be posted on a designated bulletin board at the Cal Maritime.
- 17.2 Such position vacancies shall be posted as soon as possible and shall include the classification title, description of duties, desirable experience, minimum qualifications, salary range, and procedures to be followed by applicants applying for such vacancies. Except for the posting of temporary positions of thirty (30) days or less, position vacancies shall normally be posted for a period of not less than 10 days prior to the deadline to apply. Applications shall be submitted to the Cal Maritime Human Resources.
- 17.3 The President shall make appointments.
- 17.4 Appointments may be to temporary, probationary, apprentice or permanent positions. Appointments shall be made through official written notification by the President. No employee shall be deemed to be appointed in the absence of such official written notification from the President. Such notification shall include the class title and time base to which the employee is being appointed, the initial salary, the employment status of the employee, and the effective date of the appointment.
- Temporary appointments shall also specify the expiration date of the appointment. Upon expiration, a subsequent temporary appointment may be made. Temporary appointments may provide for separation of the employee prior to the expiration date of the appointment and shall specify that any employment in temporary status shall not be credited as a period of probationary service as defined in this Agreement. Such a separation shall not be subject to Article 30, Layoff, or Article 9, Grievance Procedure. No employee shall be deemed to be appointed in the absence of such official written notification from the President.
- 17.5 New employees are normally appointed to the first step of the salary range established for the class. The President may make an initial appointment at an advanced step when recruitment difficulties and/or special skills possessed by the applicant and required by the position mandate such action.

On Campus Vacancies

- 17.6 “On Campus Vacancies” are defined as positions which are permanent and have more (or will have more after current posting) than a single incumbent at Cal Maritime for classifications represented by IUOE when (a) there is no incumbent for the position or (b) there is a change to the work schedules or (c) management decides to post the work schedule.
- 17.7 Employees holding permanent status in the same classification as the “On Campus Vacancy” may file a request in writing with their Department to be reassigned should a position become vacant. For such a request to be considered it must be given in writing to a designated member of supervision prior to the position becoming vacant.
- 17.8 When a vacancy occurs, the employee shall be given preference over applicants not employed by Cal Maritime or not in the classification of the vacant position.
- 17.9 If more than one (1) employee in the classification has the required skills and abilities and is otherwise qualified for the vacant position, the employee with the greatest amount of Cal Maritime service in the classification shall be selected.
- 17.10 This section does not preclude management from transferring employees for security or safety reasons or filling the vacant position with another employee for training purposes for a period not to exceed thirty-five (35) working days.
- 17.11 When there are no employee requests to be reassigned on file or where there are no other employees in the same classification as the vacancy, this section shall not apply.

ARTICLE 18

PROBATIONARY PERIOD

- 18.1 The term "probationary period" as used in this Article shall mean a period of continuous credited service an employee shall be required to serve prior to becoming eligible for permanent status.
- 18.2 A probationary employee is a full-time employee serving a period of probation. All probationary employees shall serve an initial probationary period of twelve (12) months of continuous full-time credited service. The President may grant, upon recommendation of the Director of Plant Operations, permanent status at any time prior to the completion of the twelve (12) month probationary period.
- 18.3 A probationary employee who successfully completes twelve (12) months of continuous full-time credited service shall be awarded permanent status on beginning their second year of such service.
- 18.4 Probationary periods for employees who are promoted to a higher classification within the bargaining unit shall be twelve (12) months of continuous credited service from the date of promotion.
- 18.5 Persons who are appointed to nonacademic positions that are fully or partially funded from sources other than the CSU, and/or the funding is in support of a program of work relief or work training for the utilization of the unemployed or the under employed, will not receive service credit toward permanent status while serving in such positions.
- 18.6 When a probationary employee goes on a leave of absence the President shall determine whether or not the time served before the leave is counted in determining the remaining length of probationary service. An employee's probationary period is extended for the same number of days such employee is on WC, IDL, NDI, formal LWOP or paid sick leave of over thirty (30) days. The President shall determine if there has been a break in service when a full-time probationary employee is placed on a partial leave of absence.
- 18.7 If a reclassification action is taken and the employee is placed in the new class, the employee may be required to serve a new probationary period. Any time spent performing the work of the new class may be counted toward the new probationary period.

Rejection During Probation

- 18.8 Any probationary employee may be separated from service at any time by the President upon written notice of rejection during probation. The employee normally should be given two (2) weeks notice of rejection during probation. An action to reject an employee shall not be initiated while an employee is on WC, IDL, or NDI, unless the employee's performance prior to the application for WC, IDL, or NDI justified rejection and an action to reject the employee had been initiated.
- 18.9 If a full-time employee with permanent status in a lower classification is advanced to a position in a higher classification and is denied permanent status in the higher classification, the employee shall have the right to return to the lower classification with permanent status in that class.
- 18.10 Prior to the completion of a probationary period, an employee may be released from employment at the sole discretion of the CSU.
- 18.11 The probationary or permanent status of a bargaining unit member at the California Maritime Academy on June 30, 1995 shall remain in effect at the California Maritime Academy, CSU system subject to this Agreement.
- 18.12 The President shall waive the probationary period for a bargaining unit employee a) who held a non-probationary or non-permanent appointment at the Cal Maritime for twelve consecutive months immediately prior to July 1, 1995, and b) who receives, during the duration of this Agreement, a probationary appointment in the same classification.

ARTICLE 19

- 19.2 Performance evaluations shall be in writing and shall be placed in the employee's personnel file. The employee shall be provided with a copy of the official performance evaluation, which is to be placed in the employee's personnel file prior to such placement.

- 19.7 The employee shall be given the opportunity to discuss the evaluation in a meeting with the appropriate administrator. Such a meeting shall take place at a mutually acceptable time and location.
- 19.8 If an employee disagrees with the written performance evaluation, the employee may submit a rebuttal statement, which shall be attached to the written performance evaluation and placed in the personnel file. The employee may also request a second meeting with a union representative present to further discuss the evaluation. Such a meeting shall take place at a mutually acceptable time and location.
- 19.9 The term "evaluator" as used in this Article refers to the non- bargaining unit employee designated by the appropriate administrator to conduct the performance evaluation of an employee.

19.10 The content of performance evaluations shall not be subject to the provisions of Article 9, Grievance Procedure. However, a performance evaluation which results in an overall rating of Unacceptable or Needs Improvement may be grieved under Article 9, Grievance Procedure only through Level II of the Grievance Procedure.

ARTICLE 20

- If a personnel recommendation or decision is based on any reasons not contained in the employee's personnel file, the party making the recommendation or decision shall commit those reasons to writing and the written statement of those reasons shall become part of the employee's personnel file. If a personnel recommendation or decision is based upon any other written materials, the CSU shall provide a copy of such material to the employee in a timely manner, upon the employee's request.
- 20.4 Employees shall not have access to pre-employment materials, except in instances when the material is used in subsequent personnel actions.
- 20.5 Attendance and payroll records of an individual employee maintained separately from the personnel file may be inspected and copied in accordance with the provisions of sections 20.1(a)-(d) and section 20.2 of this Article.

- 20.6 Upon an employee's written request, documents relating to any disciplinary action more than three (3) years old contained in an employee's personnel file shall be removed, provided that no additional disciplinary action for the same offense has subsequently been administered to the employee within the last four (4) years.
- 20.7 Employees' personnel files shall be held in strict confidence and shall be subject to inspection only by persons with official business.
- 20.8 An employee shall be provided with a copy of any letters of commendation or adverse material placed in the employee's personnel file within ten (10) days of such placement.
- 20.9 If, after examination of the employee's records, an employee believes that any portion of the material is not accurate, the employee may request in writing correction of the record.
- 20.10 Within twenty-one (21) days of an employee's request for correction of the record, the President shall notify the employee in writing of the President's decision regarding the request.
- a. If the President denies the request, the President shall state the reason(s) for denial in writing, and this written statement shall be sent to the employee.
 - b. If the President grants the request for correction of the record, the record shall be corrected. The employee shall be sent a copy of the corrected record and a written statement that the incorrect record in question has been permanently removed from the employee's personnel file.
- 20.11 An employee may submit a rebuttal statement to material in the employee's personnel file, which shall be placed in the employee's personnel file.
- 20.12 The classification/reclassification of a position to which an employee is assigned shall not be considered a personnel recommendation or decision as defined above.

If Cal Maritime establishes a fee schedule for replacing such property if it has been lost, stolen or damaged, employees shall be charged such reasonable fees if the loss, theft or damage was due to their negligence or unauthorized use.

ARTICLE 22

ASSIGNMENT/REASSIGNMENT

- 22.1 An employee shall be assigned/reassigned to a position by the appropriate administrator. Such assignments shall be consistent with the employee's classification except as provided elsewhere in this Article. It is expressly agreed that the application or interpretation of this section shall not require any change of the classification of any unit member.
- 22.2 An employee may be temporarily assigned, on a de minimis basis, to perform other duties inconsistent with the employee's classification or may be reassigned to a position in a higher classification for which they are qualified.

Out-of-Classification Assignments

- 22.3 An employee who has received written notice from the employee's appropriate administrator that the employee will be serving in such a full-time temporary assignment in a higher classification on an acting basis, pursuant to provision 22.2 above for longer than ten (10) consecutive calendar days shall be entitled to receive extra pay commencing with the eleventh (11) day or earlier at the discretion of the President. The employee's rate of pay for temporary reassignment in a higher classification shall be no less than five (5) percent over his or her regular rate and may be greater than five (5) percent if so determined by the President.
- 22.4 If any such future reassignment within a twelve (12) month period occurs which extends for more than five (5) consecutive working days, the employee shall receive the appropriate compensation of the higher classification as determined by the President from the first day of such a reassignment. Days on which an employee is absent from work or on a paid leave shall not constitute a break in "consecutive work days" as the term is used in this Article.
- 22.5 After forty-five (45) consecutive days in a less than full-time temporary assignment at a higher classification, an employee shall begin to receive the appropriate compensation in accordance with provision 22.3 on a pro rata basis commencing with the forty-sixth (46th) day.

- 22.7 An employee shall be returned to their previous assignment upon completion of a temporary assignment with the same status that the employee would have had if not temporarily assigned.
- 22.8 Employees will not be rotated in and out of temporary reassignments in higher classifications for the sole purpose of avoiding implementation of the extra pay provisions of this Article.

Classification Review

- 22.9 An employee may request a classification review of their position from the employee's immediate non-bargaining unit supervisor who shall forward the request to the campus Human Resources.
- 22.10 The classification review procedures shall be determined by the President. A copy of the classification review procedures shall be made available to the employee upon request.
- 22.11 The employee shall be notified in writing of the classification review decision and the reason(s) for the decision. The employee may request a meeting, which shall not unreasonably be denied, with the appropriate administrator in Human Resources to discuss the classification review decision. The classification review decision is not subject to Article 9, Grievance Procedure.

An employee shall not submit such a subsequent request prior to eighteen (18) months after completion of a previous classification review.

New/Revised Classifications

- 22.13 When the CSU determines that it will develop a new classification relating to bargaining unit employees or revise an existing classification that is in the bargaining unit, the CSU shall notify the Union. Within thirty (30) days, the Union may request to meet with the CSU in regard to the matters under development. CSU shall meet with the Union to receive input at least once in the preparatory stages of classification development or revision. Any additional meetings shall be by mutual agreement of the CSU and the Union. Upon request of the Union, the CSU will provide to the Union proposed classification specifications when such specifications are available.

22.14 The CSU shall notify the Union thirty (30) days prior to the effective date of new or revised classifications relating to bargaining unit employees.

22.15 Prior to the implementation of a new or revised classification, a three (3) step procedure may be invoked as follows:

- a. The Union may request a meeting to discuss whether the new or revised classification and its salary are appropriate for the bargaining unit. Such a meeting shall be held. The parties may agree in writing to modify the unit to include the new classification.
- b. The Union may request a meet and confer session regarding the impact of the new or revised classification on bargaining unit members and the compensation provisions for such new or revised classifications.
- c. If the parties are in disagreement, either may seek a unit modification pursuant to the procedures established by PERB.

ARTICLE 23

The range between the Minimum Salary Rate, the Journey Level Salary Rate, and the Performance Maximum Salary Rate, shall be an “open range” with no incremental salary steps. For the classifications of Cal Maritime Stationary Engineer and Cal Maritime’s Chief Engineer, the Minimum Salary Rate and the Journey Level Salary Rate shall be the same amount.
- a. The Journey Level Salary Rate is the maximum rate that an employee’s salary may reach through Service-based Salary Increases.
 - b. For each classification and salary range, there shall be a Performance Maximum Salary Rate that is at least twenty percent (20%) higher than the Journey Level Salary Rate.
- 24.3 Each incumbent employee shall be assigned to a salary rate within the salary range appropriate to the employee’s classification. New hires shall be assigned to the Minimum Salary Rate which is at least three and a half percent (3.5%) less than the Journey Level Salary Rate.

General Salary Increase

- 24.4 A General Salary Increase (GSI) is a percentage increase applied to the individual salary rates of all bargaining unit members and to the Salary Schedule as provided in 24.3 above.

All employees in the bargaining unit shall receive a General Salary Increase (GSI) as follows:

If in good faith the employee believes continued operation of such a machine presents a clear danger to the employee's health and safety, the employee may request a temporary reassignment pursuant to provision 29.6.
- 29.6 An employee may request a temporary reassignment when the employee believes in good faith that the employee's present assignment presents a clear danger to their health and safety. The appropriate administrator shall promptly respond to such a request. Such a request shall not be unreasonably denied during the preliminary aspect of any investigation. If such an unsafe or unhealthy condition is found during such an investigation, the temporary assignment shall continue until a remedy is implemented.

- 29.7 There shall be a campus Safety Committee that shall meet at regularly scheduled times during normal business hours. A schedule of Safety Committee meetings for the fiscal year will be prepared and distributed to all members of the Safety Committee. At least one bargaining unit member, who shall be appointed by the Union, shall serve on the committee. ARTICLE 30

LAYOFF

30.1 When the President determines that a layoff is necessary at Cal Maritime because of a lack of work or a lack of funds, the following procedures shall apply.

Notice of Impending Layoff

30.2 When the CSU determines that there may be a need for implementation of any procedures outlined in this Article, the CSU agrees to immediately meet and confer with the Union on the bargaining unit impact including, but not limited to, voluntary programs, reduced work time, leaves of absence, and other personnel actions.

Order of Layoff

30.3 Layoff shall be within a defined occupational series grouping as established by Appendix B. The order of layoff shall be:

- a. first, temporary employees,
- b. second, probationary and apprentice employees, and
- c. last, permanent employees.

30.4 Non-reappointment of a temporary employee does not constitute layoff.

30.5 Temporary, apprentice, and probationary employees shall be laid off in a defined occupational series grouping without regard to length of service. The criteria determining the order of layoff shall be:

- a. merit and competency in relation to program needs; and
- b. affirmative action needs of Cal Maritime.

30.6 Permanent employees shall be laid off in a defined occupational series grouping as defined in Appendix B in reverse order of seniority.

30.7 An employee who possesses documentable specialized skills that are needed for the

program not possessed by other employees in classification(s) undergoing layoff, may be excluded by the President from the layoff list.

Computation of Seniority Points for Permanent Employees

- 30.8 Full-time permanent employees shall earn one (1) seniority point of service credit in a defined occupational series grouping for any pay period the employee was in pay status for eleven (11) or more working days. Part-time employees holding permanent status shall earn seniority points proportional to the time base served.
- 30.9 For the purpose of computing permanent employee seniority credit, length of service includes continuous time served at Cal Maritime as a temporary, probationary, apprentice or permanent employee in a defined occupational series grouping and is counted from the date of appointment at Cal Maritime to a class within a defined occupational series grouping. Seniority credit earned by employees for continuous time served at Cal Maritime prior to July 1, 1995 shall be retained for the calculation of seniority in accordance with this Article.
- 30.10 In no case shall a permanent employee earn more than twelve (12) seniority points per year.
- 30.11 In the event a class is abolished or the use of the class restricted and a new class established in its place, all time served in the prior comparable class shall be counted as service in the new class, as long as both classes are within the same occupational series grouping.

Tie-Breaking in the Order of Layoff

- 30.12 A tie exists when two (2) or more permanent employees in a defined occupational series grouping undergoing layoff have the same number of seniority points.
- 30.13 In establishing the layoff order of permanent employees, ties shall be broken considering only the following factors:
- a. specialized skills and competencies of the employee;
 - b. documented meritorious service by the employee; and
 - c. affirmative action needs of the Cal Maritime.

Notice of Layoff

- 30.14 A temporary, apprentice or probationary employee who is to be laid off shall receive notice of such layoff from the President no later than thirty (30) days before the effective date of layoff.
- 30.15 A permanent employee who is to be laid off shall receive notice of such layoff from the President no later than forty-five (45) days prior to the effective date of layoff. Such notice shall be in writing and mailed by certified mail, return receipt requested, to the employee's last known address.

Employee Options in Lieu of Layoff

- 30.16 A permanent employee who has received a notice of layoff shall have the right to elect transfer to any vacancy for which the employee is currently qualified in the bargaining unit at Cal Maritime. Such qualification shall be determined in the normal manner. When two (2) or more such permanent employees elect transfer to the vacancy, the employee to be transferred shall be selected on the basis of any of the following factors:
- a. specialized skills and competencies of the employees;
 - b. documented meritorious service by the employee; and
 - c. affirmative action needs of Cal Maritime.
- 30.17 A permanent or probationary employee who has received a notice of layoff may elect to be transferred or demoted to any previously held classification outside of the occupational series grouping in which the employee held permanent status at Cal Maritime, provided there has been no break in service.
- 30.18 In order to elect provision 30.16 or 30.17 of this Article, an employee must notify the Cal Maritime Human Resources Office in writing of the employee's election not later than seven (7) days after receiving the notice of layoff.
- 30.19 An employee replaced by the demotion or transfer of an employee who has received a notice of layoff shall have the same rights as outlined in provisions 30.16 and 30.17 of this Article.
- 30.20 If an employee elects a demotion in lieu of layoff, they employee shall receive a payment above the maximum in accordance with Article 24, Salary.

Reemployment Rights

30.21 The names of laid off permanent employees shall be entered on a reemployment list by classification in order of seniority. An employee's name shall remain on the reemployment list until the employee returns to a position within the defined occupational series group in the same classification or lower classification held at the time of layoff and at the same time base as previously held.

In no case shall a name remain on the reemployment list for more than four (4) years.

30.22 Position vacancies in the same or lower classifications in a defined occupational series group for which there are names of qualified individuals on the reemployment list as established in provision 30.21 above shall not be filled without first making an offer of reemployment to those on the list. If an individual on the reemployment list declines two (2) such offers, the employee waives their reemployment rights. An individual on a reemployment list may request inactive status for up to one (1) year.

30.23 An employee reemployed under the conditions of this Article shall retain permanent status rights, service credit (subject to PERS regulations), salary step, sick leave, and seniority credits they held at the date of layoff.

30.24 Provisions of this Article shall apply only to Cal Maritime where the layoff occurred, except for provision 30.25 below.

Reemployment Opportunities

30.25 The CSU shall provide a job clearinghouse to advise and inform employees in classifications undergoing layoff of employment opportunities at other campuses. The services of the clearinghouse shall be available upon request to permanent employees in receipt of notice of layoff or former permanent employees on a reemployment list. No campus may fill a vacancy without first ascertaining whether there are individuals in the applicant pool who have been referred through the clearinghouse. Such individuals who have applied for the vacancy shall be interviewed.

ARTICLE 31

DURATION AND IMPLEMENTATION

- 31.1 This Agreement shall remain in full force and effect from the date of ratification by both parties up to and including June 30, 2020.
- 31.2 Negotiations for a successor agreement shall commence when one of the parties delivers to the other its proposals in writing no earlier than January 1 and later than February 1 immediately preceding the expiration of this Agreement
- 31.3 Any term(s) of this Agreement, which is deemed by the Employer to carry an economic cost, shall not be implemented until the Employer determines that the amount required therefore has been appropriated and makes such amount available for expenditure for such purpose. If the Employer determines that less than the amount needed to implement this Agreement or any provision herein has been appropriated or makes available less than the amount needed to implement this Agreement or any provision herein, the term(s) of this Agreement deemed by the CSU to carry economic cost shall automatically be subject to the meet and confer process.
- 31.4 This Agreement may be amended or modified from time to time by mutual agreement in writing, and any such amendments or modifications shall become a part of this Agreement. All supplements to be effective must be signed by the parties.
